Part II Scheme for 1948-49

SCHOOLS - Opening of a Government Middle School at Perambur -

Part II Scheme for 1948-49.

From the Director of Public Instruction, R.C.No.1341-K3/47 dated the
29th September 1947.

In 1946, the Director of Public Instruction submitted proposals for the opening of a Government Middle School at Perambur and at Payyan gadi in North Malabar and for the conversion of the Government Higher Elementary School at Jangareddigudem; but they were deferred in view of the financial stringency - Vide the orders in G.O.Ms.No.2310 Education, dated the 2nd December 1946. The Director has now submitted proposals for the opening of a Government Middle School at Perambur alone for consideration as a Part II scheme for 1948-49.

2. The Muslim male population of Perambur area is estimated at 18,000. There are two Corporation Elementary Schools - one at Dodashamakan and the other at Perambur Barracks and for want of facilities for secondary education in the locality, the boys have to attend the Government Muslim High School for boys, Georgetown or the Government Madrasa-I-Azaam, Mount Road, Madras. Representations have also been made to Government that a separate high school should be opened for the Muslim boys at Perambur. The Director's proposal is to open the middle school by taking over the Corporation ^{higher} Elementary School at Dodashamakan and the Corporation may not likely to have any objection to it. The Director may be asked to ascertain whether it is agreeable to the proposal.

3. The probable income that can be derived from the proposed middle school is about Rs.1907/- per annum. The financial implications of the proposal is as follows: is set out below:-

Head of Account.	Item of expenditure.	Cost in 1948-49.		Ultimate cost.	
		Recur- ring. Rs.	Non-recur- ring. Rs.	Recur- ring. Rs.	Non-recur- ring. Rs.
37.f. Edn. Secondary - Government Secondary Schools - A. General - Government Secondary School for boys - A. Ordinary areas.	Opening of a Middle School for Muslim Boys, Perambur.	5,100	2,000	10,900	2,000
Total.		5,100	2,000	10,900	2,000

4. The policy of Government is to open separate secondary schools for Muslims at places with a large muslim population. The question of whether this policy opening and maintaining such separate schools for Muslims should be considered

is still by the Cabinet and it has been decided that it should be deferred indefinitely - Vide G.O. Ms. No. 1532 Education, dated the 15th July 1947. There is therefore no objection to the consideration of the proposals according to the existing policy. According to G.O. 577 Finance, dated the 1st August 1947, no schemes should be proposed as Part II Schemes unless they fall within one of the following classes:

- (a) Schemes included in the five-year programme of post-war development schemes or schemes that can be treated as modifications of such schemes.
- (b) Grow More Food Schemes.
- (c) Schemes that are fully remunerative.
- (d) Schemes that are imperatively and immediately essential for the proper running of departments.

In the circumstances, it is for orders whether the proposal may be supported in this department and may be put forward as a Part II Scheme for 1948-49 considering it as one falling under class (d) above.

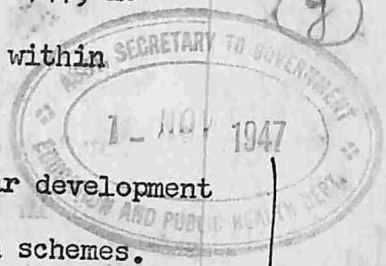

The remarks of Finance may be invited U.O. prior to circulation.

Please see the note of E.P.H. on pp 1-2 above. This deptt. may agree with E.P.H. that the proposal to open a Govt Middle School for Muslim boys in Perambur area does not satisfy any of the criteria referred to at 'P' above for consideration as a Part II scheme for 1948-9 and that the proposal may be deferred. [One proposal was similarly deferred last year also - please see the orders in circulation on p 4 ref of (R)]
