Copy of letter Rec.No. 2650-B2/47 dated 28.8.1947 from the Commissioner, Municipal Office, Tiruvannamalai to the Dt. Educational Officer, North Arcot, Vellore.

Education--Secondary..Municipal High School, Tiruvannamalai Municipality--absorbing of secondary Grade teachers to be filled in L.T. Vacancies--Approval--Requested.

In spite of advertisements and appointment made to the two L.T. Vacancies, none of them has reported for duty so far and the school work is suffering much for want of teachers. For the reasons stated by the Headmaster, Municipal High School in his report dated 21.8.1947, two of the Secondary Grade Teachers who are working as assistants in the Municipal High School have been appointed to act in the two L.T. Vacancies till qualified hands are available in anticipation of your approval. A copy of the Headmaster's report dated 21.8.1947 is enclosed herewith for favour of information and I request that this arrangement may kindly be approved.

II.

Copy of letter Rec.No. 42-G1/47 dated 21.8.1947 of the Headmaster, Municipal High School, Tiruvannamalai.

I request to be permitted to bring the following to your kind consideration.

The School is at present urgently in need of two L.T. assistants besides one Science Assistant. We had already advertised in the newspapers and selected two applicants for appointment one a Science L.T. and another a Mathematics L.T. Orders of appointment were duly communicated to them. I understand that one of them the Science L.T. has declined to accept the appointment while we have not even heard from the other. It is now nearly two and a half months since the school was reopened and all these days school work has been made to suffer for want of teachers. Hereafter it is neither advisable nor proper to allow things to continue as at present in the interests of the pupils and the fair name of our school.

Hence I would suggest that two of our Senior teachers in the Secondary Grade Cadre (one a trained semi graduate) and the other an experienced teacher be taken up to act in the two L.T. vacancies, replacing them by two newly appointed Secondary Grade assistants. I have every confidence that the two teachers acting in the L.T. Vacancies are capable of coping up with their new work. I request you therefore to address the District Educational Officer on the subject to obtain the necessary permission for the course proposed to be followed.

I also request you to be kind enough to appoint immediately two Secondary Grade Assistants so that school work may get on without further detriment to the efficiency of our school.

I request that this matter may kindly be treated as specially urgent.

Copy of letter No. 32-8108/47 dated 19.9.1947 from the Special Officer, Tirupattur Municipality, Tirupattur N.A. to the District Educational Officer, Vellore.

Education--Secondary--Municipal High School shortage of L.T. Teachers--appointment of Secondary Grade Teacher--approval- Requested.

Ref:-District Educational Officer's No. 358/D/47 dated 23.8.1947.

A Copy of the Report dated 12.8.1947 of the Headmaster Municipal High School to the District Educational Officer is enclosed herewith.

In this connection I have to report that an untrained graduate by name Unapathy B.Sc.(Physics) has since been appointed as per your instructions in R.C.No. 358/D/47 dated 24.8.47 from 5.9.1947.

Sanction has also been accorded in your L.Ds. 461/D/47 dated 1.8.1947 for opening up a 3rd Section in Class 5.

Hence the suggestions of the Headmaster, Municipal High School to depute Secondary Grade Teachers to work in the place of L.T. Vacancies may be considered and orders passed. Applications either from qualified hands or from untrained graduates are not forthcoming in spite of repeated advertisements.

Copy of letter No.188/47 dated 12.8.1947 from the Headmaster,
Municipal High School, Tirupattur N.A. to the District
Educational Officer, North Arcot, Vellore.

Sub:-Dearth of L.T. Teachers - Appointment of Secondary Grade.
Teachers - approval requested.

Ref:-Your Office R.O.C.358-D/47 dated 17.7.1947.

In continuation of my letter No.188/47 dated 23.7.1947 I have the honour to report that the school is having 5 L.T.'s for 7 section in the higher forms and as it is detrimental to the interests of the student to allow these classes to drift for themselves without teachers. I was constrained to make the only possible arrangement of deputing two Secondary Grade teachers for higher forms without which it is impossible to carry on the work of the institution. As this temporary arrangements has been made with the best of intentions, in the interest and the efficiency of the institution under extraordinary circumstances for want of L.T. Teachers for over four years, I request my action may kindly be approved, as a special case, and the Secondary grade teachers permitted to handle the higher forms till the L.T's or untrained graduates are appointed.

In this connection I request the opening of 3rd section in class 5 may kindly be approved, for which proposals were already sent to give effect to it at an early date without dislocating the normal working of the school.

2. Kind attention is invited to G.O. No. 2000 Edn., dated 13-9-45 and G.O. No. 2409 Edn., dated 8-11-1947 sanctioning the employment of Secondary Grade Teachers for teaching in higher forms in Secondary Schools in District Board, North Arcot and Municipal Council, Tiruvannamalai subject to certain conditions. The words 'for doing the additional work' are used in two of the above G.Os. Ordinarily a secondary grade teacher cannot be entrusted with the work of two teachers i.e. a secondary grade teacher and an L.T. Assistant in addition, but may be allotted work solely in higher forms or if possible may be assigned some periods of work in lower forms and some in higher forms. As such a hard and fast rule cannot be laid down regarding the allotment of work to the secondary grade teacher. In any case, the secondary grade teacher does the work of an L.T. Assistant either partly or wholly, which is not legitimately expected of him as per the qualifications and so he is being remunerated with some allowance.

In the circumstances explained above, the words 'for doing additional work' used in G.Os 2000 Education dated 13-9-1945 and 2409 Edn., dated 8-11-47 may be modified as 'for doing the work', which will make the position clear.

Copy of letter No. 62/81/8/47, dated 17-1-1948 from the Commissioner, Tirupattur Municipality to the District Educational Officer, North Arcot.

In G.O. No. Ms. 2409 dated 8-11-47 sanction is accorded to the employment of Secondary grade Assistants for teaching in higher forms with a special pay of Rs. 15/- p.m. A copy of the G.O. and a copy of Headmaster's report dated 20-12-1947 are enclosed herewith. A report by the Headmaster, Municipal High School Mr. A.V. Venkatesan is the only Secondary Grade assistant who is put in charge of higher forms. But the teacher is in sole charge of IV Form and not in additional charge as contemplated in the 1st para of the above G.O.

2. Under these circumstances, I request you to enlighten me whether the teacher under reference is eligible to draw the special pay sanctioned in the above G.O.

Commissioner.

Copy of the Report of the Headmaster, Municipal High School.

Mr. T.L. Subbunarayana Chettiar, Science Assistant resigned post and was relieved with effect from the 30-6-47 and no hand posted in his place. There were only five L.Ts. to handle the forms and it was found impossible to manage the work.
p.t.o.

seven sections with 5 L.Ts. As such, Mr. A.V.Venkataramanan whose legitimate work was confined upto the III Form alone was given the additional work of handling IV Form and the same was reported in my letter 188/47 dated 28-6-47. He was given 25 periods work in IV Form that being the maximum work that could be allotted to an assistant for which permission was applied to the Dt. Tal. Officer, North Arcot in letter 188/47 dated 23-7-47 and 12-8-1947. Mr. A.V.Venkataramanan is only a secondary grade assistant and his legitimate work is only upto III Form. His handling of IV Form is therefore an entirely additional work to him.

As per G.O.No.2409 dated 8-11-47 sanction is accorded to the employment of secondary grade assistants for teaching in the higher forms. The conditions stipulated in the G.O. have been completely satisfied and the assistant is eligible to receive the special pay of Rs.15/- per mensem.

I request necessary orders sanctioning the special pay to the assistant from 1-7-47 to 18-12-47 (both days inclusive) may be issued.

An extract of the distribution of work to Mr. A.V.Venkataramanan is herewith enclosed.
