the undermentioned apparatus for the Government College for
Muslims, Madras.

2. The expenditure is debitable to the head "37(b)
C.4 Laboratory charges". The above instruments are required for t
B.Sc. classes of the college. orders for their supply were placed
last year and the instruments have been received and have to be
paid for in the current year. But there is no-provision for this
expenditure in this year's budget.

In G.O.No.708 Edn dated 1-4-46 Government
sanctioned the incurring of an expenditure of Rs.43,500/- in
1946-47 for apparatus and chemicals in connection with the
opening of B.Sc. courses in the college. As some of the articles
for which orders had been placed were not expected to be received
before 31-3-47, a sum of about Rs.9,000 (Rs. Nine thousand
only) out of the above allotment was not utilised last year and
was therefore surrendered to Government. Now that the above
items of equipment have been received in compliance with last
year's orders. I request that Government may be pleased to per-
mit the incurring of the expenditure now. I will apply for
additional funds in due course.

3. I request the favour of early orders of
Government.
