## FOR THE YEAR 1946-47

2. *Superintending staff.*—Mr. A. G. Anderson, Senior Deputy Superintendent, was in charge of the Press up to 12th April 1946 and I took charge of the Press from the afternoon of 12th April 1946.

Mr. R. Siddique, Assistant Superintendent, was deputed for training under Mr. Duncan, Assistant Superintendent of Stationery (G.O. Ms. No. 1394, Education, dated 19th July 1946). He was appointed under rule 9 (*a*) (i) of the general rules to act temporarily as Assistant Superintendent of Stationery and Stamps with effect from 1st November 1946 forenoon (G.O. No. 2051, Education, dated 28th October 1946).

The following officers were on leave during the year :—

Mr. A. G. Anderson, Senior Deputy Superintendent, was granted leave as follows :—

Leave for twenty days from 7th June 1946 (G.O. Ms. No. 1365, Education, dated 16th July 1946). Leave for two months and seventeen days from 15th July 1946 (G.O. No. 2065, Education, dated 29th October 1946). Leave for twenty-nine days from 27th January 1947 (G.O. Ms. No. 644, Education, dated 1st April 1947).

Sri K. P. R. Menon, Junior Deputy Superintendent, was granted leave for fifteen days from 4th April 1946 (G.O. Ms. No. 711, Education, dated 25th March 1946).

Mr. G. F. Amalanathan, Assistant Superintendent, was granted leave for seventy-eight days from 15th October 1946 (G.O. Ms. No. 1989, Education, dated 16th October 1946). But he was permitted to return to duty before the expiry of his leave (Education and Public Health Memorandum No. 75984-1-F-1, Education, dated 13th December 1946). He joined duty on 16th December 1946.

Sri K. Govindaraju, Electrical and Mechanical Engineer, was granted leave for eighteen days from 6th December 1946 (G.O. Ms. No. 2220, Education, dated 21st November 1946 and Education and Public Health Memorandum No. 76682-F-I-1/46, Education, dated 19th December 1946).

3. The total strength of the establishment at the Central Press and its branches on 31st March 1947 was 2,269. They were distributed as follows :—

| | | |
|---|---|---|
| Salaried | Permanent | 980 |
| | Temporary | 125 |
| Salaried hand compositors | Permanent | 333 |
| | Temporary | 190 |
| Machine operators | Permanent | 66 |
| | Temporary | 10 |
| | | 82 |
| Day extra | | 87 |
| Menials paid from contingencies | | 20 |
| Paid volunteers | | 376 |
| Convicts | | |
| | | 2,269 |

4. *Receipts.*—The receipts for the year (including receipts in England) amounted to Rs. 10,15,618-10-11 against Rs. 8,69,500-14-11 in the previous year. The increase is due to larger credits on account of printing work done for the Posts and Telegraphs and Defence Department of the late Central Government.

5. *Expenditure.*—The net expenditure for the year under the Government Presses inclusive of expenditure in England amounted to Rs. 17,78,722–0–8 against Rs. 14,53,927–6–4 in the previous year. The increase is mainly due to—

(i) payment of bonus to non-gazetted Government servants with reference to order in G.O. No. 913, Finance, dated 19th December 1946, temporary additional pay as interim relief sanctioned in G.O. No. 717, Finance, dated 20th September 1946 and house allowance sanctioned in G.O. Ms. No. 1543, Education, dated 8th August 1946 and G.O. No. 1768, Education, dated 13th September 1946.

(ii) payment of larger overtime fees to the employees on account of heavy printing work done during the year for Civil Supplies Department and elections to the Legislative Assembly and Council in the latter part of the year.

This figure does not include expenditure on account of printing at private presses the details for which are given in paragraph 20 of the report.

6. *Printing cost.*—The total cost of printing and binding works executed during the year including the cost of paper and binding materials, plates and process blocks was Rs. 30,18,686–11–9 against Rs. 26,86,670–6–10 in the previous year, the rise being due to increase in the ordinary printing work. The work charges rose from Rs. 14,96,710–5–11 to Rs. 16,78,771–10–9.

7. *Composition.*—The payment including overtime under the salaried system both for hand and machine composition during the year is given below :—

Corresponding earnings for the previous year are given against each item :—

| | 1945–46. Rs. | A. | P. | 1946–47. Rs. | A. | P. |
|---|---|---|---|---|---|---|
| Hand composition .. .. .. | *2,14,791* | *6* | *0* | 2,25,203 | 11 | 0 |
| Lino ,, .. .. .. .. | *44,231* | *6* | *0* | 46,242 | 1 | 0 |
| Mono ,, .. .. .. .. | *23,395* | *9* | *0* | 28,121 | 1 | 0 |

8. *Machining.*—The total number of sheets of impressions printed during the year was 101,729,859 as compared with 113,395,275 in the previous year. The decrease being mainly due to less number of forms printed for Post and Telegraphs and Defence Departments.

9. *Bindery.*—The total cost of binding work excluding materials amounted to Rs. 2,51,546–7–10 against Rs. 2,24,530–7–10 in the previous year. This year's production compared with that of last year under different classes of binding work is as stated below :—

| | 1945–46. Rs. | 1946–47. Rs. |
|---|---|---|
| 1 Full leather .. .. .. .. .. | *5,685* | 933 |
| 2 Half leather and marble .. .. .. | *6,819* | 8,879 |
| 3 Full cloth .. .. .. .. .. | *45,142* | 1,43,480 |
| 4 Quarter cloth .. .. .. .. .. | *1,45,383* | 2,56,745 |
| 5 Stitching with wrapper .. .. .. | *21,63,450* | 20,03,694 |
| 6 File boards and books .. .. .. .. | *62,959* | 26,185 |
| 7 Numbering .. .. .. .. .. | *5,59,32,402* | 8,10,56,920 |
| 8 Envelopes .. .. .. .. .. | *1,05,55,617* | 82,55,498 |
| 9 Gazettes .. .. .. .. .. .. | *16,27,764* | 18,29,487 |

There is an increase of outturn in items 2, 3, 4, 7 and 9. The decrease in items of full leather, file boards and books stitching with wrapper and envelopes is due to a corresponding decrease in the indent for these articles.

10. *Type foundry.*—111,045 lb. of unserviceable and condemned types were returned by the hand composing sections, 2,000 lb. of dross metal and 40 lb. of tin were received from the general store. With the addition of the previous year's balance of 8,754 lb. the total amount of metal was 121,840 lb. of this 106,348 lb. were issued to the foundry for the manufacture of new types and materials. There was a closing balance of 15,492 lb. in 1946–47.

The foundry production consisted of 19,684 lb. of type in Indian and English languages, 21,150 lb. of stereo plates, 753 lb. of electro plates (including 6 Royal Coat of Arms to the value of Rs. 9), 30,053 lb. of mono type standard fount and 25,315 lb. of mono rule and spacing materials amounting in all to 96,955 lb. during the year against 122,771 lb. in the previous year. In addition to the above 25 matrices and 427 engraved blocks to the value of Rs. 25 and Rs. 273–12–0 respectively were manufactured during the year.

With the opening balance of 1,967 lb. there was a total of 98,922 lb. in the type-store of which 96,889 lb. were issued, leaving a closing balance of 2,033 lb. of types, etc.

The average cost per unit of all classes of foundry production has increased (except in the case of electros) due to restriction in production of types to meet the actual requirements for renewal to avoid the locking up of capital as types.

11. *Rubber stamps.*—The total expenditure in the manufacture of rubber stamps, pads, etc., during the year under report was Rs. 15,295–3–0 against Rs. 14,511–0–7 in the previous year. The total production of rubber stamps was 9,177 square inches as against 15,358 square inches in 1945–46. The abnormal increase in production last year was due to election work, while the increase in expenditure in the year under report is due to greater quantity of materials such as brass mounts and daters, etc., used.

12. *Printed forms.*—The total number of forms, leaflets and covers printed for supply during the year under report, both standardized and non-standardized was 262,318,940 against 197,746,780 in the previous year. These consisted of 178,185,152 standardized (including 5,954,758 economy labels and 9,066,009 covers) and 84,133,788 non-standardized (including 95,074 economy labels and 65,302 covers) forms. There was an increase of 30,950,797 copies in standardized forms and 33,621,363 copies in non-standardized forms.

The rise in the case of the former was due to increased demand for standardized forms by certain departments, and on account of supply of forms to newly created offices such as those connected with Firka Development, Highways, etc., and that in the case of the latter was due to forms and registers printed in connexion with cloth rationing, civil supplies, etc., during the year.

The value of forms supplied to local bodies and others on payment of cost was Rs. 90,340–15–0 against Rs. 77,393–1–9 in the previous year. The rise was due to the increased number of indents received during the year.

13. Statement I gives the analysis and allocation of total costs of various departments of the Central Press and Penitentiary Branch Press. The increase in dearness and war allowances and the house rent allowances granted to the employees and the Gazetted Officers, respectively, during the year were all treated as other compensatory charges. The fall or rise in the percentage of overhead charges to productive wages as compared with last year do not call for any remarks.

14. *Plant.*—Plant to the value of Rs. 86,977–5–0 was added during the year against Rs. 78,905–12–0 in the previous year. Apart from types replaced the chief additions include ninety-six type high numbering machines, one electric glue melting pot, five bicycles, six hundred and seventy-five space bands, thirty-four hand numbering machines, ten cover punching knives, three hundred and fifty-seven lb. of types, one monotype mould, one rotary mitreing machine, two lead and rule cutters, and one slug cutter. The year closed showing the value of the plant to be Rs. 11,73,981 after deducting depreciation (Statement III-A page 14).

15. *Stores.*—The stock of stores was as usual verified by an outside expert at the end of the year and closed with a balance of Rs. 2,47,644–13–0 excluding Service postage stamps against Rs. 1,58,215–11–2 in the previous year. The increase in value is due to a large stock of paper and stores on hand at the end of the year.

16. Acts and books to the face value of Rs. 85,267–5–5 were added to stock during the year against Rs. 41,667–4–4 in the previous year. The increase is due to—

(i) books having been prescribed for Account Test Examinations; and
(ii) the printing of E.S.L.C. in all vernaculars for 1947 and 1948, Madras Factories Manual and Cinematograph Manual.

The total sales amounted to Rs. 71,558–1–3 against Rs. 50,744-9-3 in the previous year. The increase is due to the sale of books prescribed for the Account Test Examination and E.S.L.C. 1947 Text-books.

The following were added to the list of Agents during the year :—
(1) The National Book Stall, Cannanore.
(2) M.G. Bakshi, Akola.

17. (*a*) The value of free issues of priced publications during the year under review was Rs. 31,593–10–3 against Rs. 44,995–2–0. The decrease is mainly due to the strict observance of restriction in the printing and free supply of several reports and other publications.

(*b*) The total number of books, gazettes, papers, etc., distributed apart from sales was 755,510 against 2,613,733 in the previous year. The decrease is due to cancellation of War Propaganda Publications. This figure includes 300,000 copies of Grow More Food Journals, 31,500 copies of "Madras Information", 25,550 copies of I.W.C.C. and 1,900 copies of "Ind-Com" Journals and M.L.A. and M.L.C. proceedings and papers placed at the disposal of the press but excludes 3,029,502 leaflets of the Food Department of the Civil Supplies and 3,174,156 booklets on Post-war Reconstruction, 50,630 Saving Scheme Certificates and receipts besides 58,062,438 copies of rationing forms, registers, ration cards, bread tickets, etc.

18. *Gazettes Extraordinary.*—Seven hundred and twenty-two gazettes extraordinary were issued during the year of which three hundred and sixteen were in connexion with Defence of India Rules, such as control of prices of various articles, twenty-eight in connexion with elections to the Legislatures and the rest three hundred and seventy-eight relate to Excise, Forest, Public, General and Revenue Administration, Local Government affairs, Education, notice of sales, etc. The districts issuing gazettes extraordinary together with their numbers are given below :—

Godavari West, 58 ; North Arcot, 51 ; Bellary, 49 ; Nellore, 47 ; Kistna and Tanjore, 42 each ; Anantapur, 41 ; Salem, 39 ; Guntur, 36 ; South Arcot, 31 ; Chittoor and South Kanara, 30 each ; Cuddapah and Kurnool, 29 each ; Godavari East, 25 ; Malabar, Trichinopoly and Vizagapatam, 21 each ; Madura, 20 ; Tinnevelly, 18 ; Chingleput, 17 ; Coimbatore, 11 ; Ramnad, 10 and The Nilgiris, 4.

19. *Expenditure of departments* (*Statement II*).—Cases of marked variations either under increase or fall in respect of allocation of the total press costs for the year to the several departments entitled to free printing are given with reasons noted against each for such fluctuations. Other departments remained almost constant.

20. *Work done at private presses* [*Statement II, columns* (11) *and* (12)].—One thousand one hundred and thirteen bills amounting to Rs. 2,97,734–12–3 were passed for payment during the year for work done at private presses exclusive of Rs. 7,92,350-7-6 paid direct by the Collectors to the printers for printing electoral rolls, etc., from the Government Press grant as against nine hundred and nineteen bills amounting to Rs. 69,063–13–0 during the previous year. The main increase is due to entrustment of High Court Appeal cases to private presses.

*Paid from other officers' contingencies.*—Ninety-seven bills amounting to Rs. 13,222–1–0 were passed during the year for payment from other officers' contingencies on account of binding work done through private agency as compared with eighty-nine bills amounting to Rs. 8,820–10–0 in the previous year.

*Bills checked for private bodies.*—Bills to the amount of Rs. 1,42,382–7–0 were checked and passed for Rs. 1,40,960–2–9 for private bodies against Rs. 70,797–15–7 checked and passed for Rs. 69,725–2–7 in the previous year. Audit fees for checking the bills of these bodies amounted to Rs. 1,423–14–0 as compared with Rs. 708 in 1945–46.

21. *Audit.*—As usual the audit of the accounts of the Government Press and its branches was done by the outside audit section of the office of the Accountant-General, Madras, and the cost of audit for 1946–47 was Rs. 12,880 which has been charged to the working expenses. The amount charged for the previous year was Rs. 11,414.

22. *Control of forms printing.*—The number of copies printed and supplied during the year under report compared with that printed during the previous year, increased by about thirty millions, largely due to the creation of new offices connected with compulsory education, khadi production, rural reconstruction, rural water-supply, Aboriginal Tribes Welfare Enquiry Committee, etc., and partly due to compliance with triennial indents for some groups due last year. Indents continued to be carefully scrutinized.

23. The activities of the Madras Government Press Division of the St. John Ambulance Brigade (Overseas) continued throughout the year. All members of the division showed continued interest in their work.

24. (*a*) *The Madras Government Press Party.*—The Party continued to do useful service for its members by having its location in a rented building very near the Press. During the year death benefits amounting to Rs. 4,153 were paid to the families of the deceased members from the Mutual Family Benefit Fund which has been a source of immense help to them.

(*b*) The Press Canteen conitnued to cater satisfactorily to the needs of the employees of the Press for another year.

(*c*) The management of the Government Press Employees' Co-operative Society, Limited, was in the hands of a Special Officer and was guided by an Advisory Council of three officers of the Government Press appointed by the Registrar of Co-operative Societies. The management has been handed over to the elected Board of Directors with the Superintendent, Government Press, as Ex-officio President on 23rd December 1946. As usual the society continued to work satisfactorily rendering financial help to its members.

25. *General.*—The year has been one of the busiest on record and all departments of the Press have worked throughout the year at the highest pressure. The introduction of cloth rationing, the forms for which were ordered in crores, put a heavy strain on the machine and binding departments.

26. In conclusion I should like to acknowledge the continued willing assistance and co-operation of all officers, the ministerial and supervising staff which have enabled me to maintain efficiency and a high standard of work throughout another difficult year.

# REPORT ON THE WORKING OF THE MADRAS GOVERNMENT PRESS AND ITS BRANCHES FOR THE YEAR 1946-47

2. *Superintending staff.*—Mr. A. G. Anderson, Senior Deputy Superintendent, was in charge of the Press up to 12th April 1946 and I took charge of the Press from the afternoon of 12th April 1946.

Mr. R. Siddique, Assistant Superintendent, was deputed for training under Mr. Duncan, Assistant Superintendent of Stationery (G.O. Ms. No. 1394, Education, dated 19th July 1946). He was appointed under rule 9 (*a*) (i) of the general rules to act temporarily as Assistant Superintendent of Stationery and Stamps with effect from 1st November 1946 forenoon (G.O. No. 2051, Education, dated 28th October 1946).

The following officers were on leave during the year :—

Mr. A. G. Anderson, Senior Deputy Superintendent, was granted leave as follows :—

Leave for twenty days from 7th June 1946 (G.O. Ms. No. 1365, Education, dated 16th July 1946). Leave for two months and seventeen days from 15th July 1946 (G.O. No. 2065, Education, dated 29th October 1946). Leave for twenty-nine days from 27th January 1947 (G.O. Ms. No. 644, Education, dated 1st April 1947).

Sri K. P. R. Menon, Junior Deputy Superintendent, was granted leave for fifteen days from 4th April 1946 (G.O. Ms. No. 711, Education, dated 25th March 1946).

Mr. R. Siddique, Assistant Superintendent, was granted leave for sixty days from 22nd April 1946 (G.O. Ms. No. 836, Education, dated 18th April 1946) and again for twenty-one days from 27th June 1946 (G.O. Ms. No. 1411, P.H., dated 22nd July 1946).

Mr. G. F. Amalanathan, Assistant Superintendent, was granted leave for seventy-eight days from 15th October 1946 (G.O. Ms. No. 1989, Education, dated 16th October 1946). But he was permitted to return to duty before the expiry of his leave (Education and Public Health Memorandum No. 75984-1-F-1, Education, dated 13th December 1946). He joined duty on 16th December 1946.

Sri K. Govindarajulu, Electrical and Mechanical Engineer, was granted leave for eighteen days from 6th December 1946 (G.O. Ms. No. 2220, Education, dated 21st November 1946 and Education and Public Health Memorandum No. 76682-F-1-1/46, Education, dated 19th December 1946).

3. The total strength of the establishment at the Central Press and its branches on 31st March 1947 was 2,269. They were distributed as follows :—

| | | |
|---|---|---|
| Salaried | Permanent | 980 |
| | Temporary | 125 |
| Salaried hand compositors | Permanent | 333 |
| | Temporary | 190 |
| Machine operators | Permanent | 66 |
| | Temporary | 10 |
| Day extra | | 82 |
| Menials paid from contingencies | | 87 |
| Paid volunteers | | 20 |
| Convicts | | 376 |
| | | 2,269 |

4. *Receipts.*—The receipts for the year (including receipts in England) amounted to Rs. 10,15,618-10-11 against Rs. 8,69,500-14-11 in the previous year. The increase is due to larger credits on account of printing work done for the Posts and Telegraphs and Defence Department of the late Central Government.

5. *Expenditure.*—The net expenditure for the year under the Government Presses inclusive of expenditure in England amounted to Rs. 17,78,722–0–8 against Rs. 14,53,927–6–4 in the previous year. The increase is mainly due to—

(i) payment of bonus to non-gazetted Government servants with reference to order in G.O. No. 913, Finance, dated 19th December 1946, temporary additional pay as interim relief sanctioned in G.O. No. 717, Finance, dated 20th September 1946 and house allowance sanctioned in G.O. Ms. No. 1543, Education, dated 8th August 1946 and G.O. No. 1768, Education, dated 13th September 1946.

(ii) payment of larger overtime fees to the employees on account of heavy printing work done during the year for Civil Supplies Department and elections to the Legislative Assembly and Council in the latter part of the year.

This figure does not include expenditure on account of printing at private presses the details for which are given in paragraph 20 of the report.

6. *Printing cost.*—The total cost of printing and binding works executed during the year including the cost of paper and binding materials, plates and process blocks was Rs. 30,18,686–11–9 against Rs. 26,86,670–6–10 in the previous year, the rise being due to increase in the ordinary printing work. The work charges rose from Rs. 14,96,710–5–11 to Rs. 16,78,771–10–9.

7. *Composition.*—The payment including overtime under the salaried system both for hand and machine composition during the year is given below :—

8. *Machining.*—The total number of sheets of impressions printed during the year was 101,729,859 as compared with 113,395,275 in the previous year. The decrease being mainly due to less number of forms printed for Post and Telegraphs and Defence Departments.

9. *Bindery.*—The total cost of binding work excluding materials amounted to Rs. 2,51,546–7–10 against Rs. 2,24,530–7–10 in the previous year. This year's production compared with that of last year under different classes of binding work is as stated below :—

| | 1945–46. Rs. | 1946–47. Rs. |
|---|---|---|
| 1 Full leather .. .. .. .. .. | *5,685* | 933 |

| 9 Gazettes .. .. .. .. .. .. | *16,27,764* | 18,29,487 |

There is an increase of outturn in items 2, 3, 4, 7 and 9. The decrease in items of full leather, file boards and books stitching with wrapper and envelopes is due to a corresponding decrease in the indent for these articles.

10. *Type foundry.*—111,045 lb. of unserviceable and condemned types were returned by the hand composing sections. 2,000 lb. of dross metal and 40 lb. of tin were received from the general store. With the addition of the previous year's balance of 8,754 lb. the total amount of metal was 121,840 lb. of this 106,348 lb. were issued to the foundry for the manufacture of new types and materials. There was a closing balance of 15,492 lb. in 1946–47.

The foundry production consisted of 19,684 lb. of type in Indian and English languages, 21,150 lb. of sterco plates, 753 lb. of electro plates (including 6 Royal Coat of Arms to the value of Rs. 9), 30,053 lb. of mono type standard fount and 25,315 lb. of mono rule and spacing materials amounting in all to 96,955 lb. during the year against 122,771 lb. in the previous year. In addition to the above 25 matrices and 427 engraved blocks to the value of Rs. 25 and Rs. 273–12–0, respectively, were manufactured during the year.

With the opening balance of 1,967 lb. there was a total of 98,922 lb. in the type-store of which 96,889 lb. were issued, leaving a closing balance of 2,033 lb. of types, etc.

The average cost per unit of all classes of foundry production has increased (except in the case of electros) due to restriction in production of types to meet the actual requirements for renewal to avoid the locking up of capital as types.

11. *Rubber stamps.*—The total expenditure in the manufacture of rubber stamps, pads, etc., during the year under report was Rs. 15,295–3–0 against Rs. 14,511–0–7 in the previous year. The total production of rubber stamps was 9,177 square inches as against 15,358 square inches in 1945–46. The abnormal increase in production last year was due to election work, while the increase in expenditure in the year under report is due to greater quantity of materials such as brass mounts and daters, etc., used.

12. *Printed forms.*—The total number of forms, leaflets and covers printed for supply during the year under report, both standardized and non-standardized was 262,318,940 against 197,746,780 in the previous year. These consisted of 178,185,152 standardized (including 5,954,758 economy labels and 9,066,009 covers) and 84,133,788 non-standardized (including 95,074 economy labels and 65,302 covers) forms. There was an increase of 30,950,797 copies in standardized forms and 33,621,363 copies in non-standardized forms.

The rise in the case of the former was due to increased demand for standardized forms by certain departments, and on account of supply of forms to newly created offices such as those connected with Firka Development, Highways, etc., and that in the case of the latter was due to forms and registers printed in connexion with cloth rationing, civil supplies, etc., during the year.

The value of forms supplied to local bodies and others on payment of cost was Rs. 90,340–15–0 against Rs. 77,393–1–9 in the previous year. The rise was due to the increased number of indents received during the year.

13. Statement I gives the analysis and allocation of total costs of various departments of the Central Press and Penitentiary Branch Press. The increase in dearness and war allowances and the house-rent allowances granted to the employees and the gazetted officers, respectively, during the year were all treated as other compensatory charges. The fall or rise in the percentage of overhead charges to productive wages as compared with last year do not call for any remarks.

14. *Plant.*—Plant to the value of Rs. 86,977–5–0 was added during the year against Rs. 78,905–12–0 in the previous year. Apart from types replaced the chief additions include ninety-six type high numbering machines, one electric glue melting pot, five bicycles, six hundred and seventy-five space bands, thirty-four hand numbering machines, ten cover punching knives, three hundred and fifty-seven pounds of types, one monotype mould, one rotary mitring machine, two lead and rule cutters, and one slug cutter. The year closed showing the value of the plant to be Rs. 11,73,981 after deducting depreciation (Statement III-A, page 14).

15. *Stores.*—The stock of stores was as usual verified by an outside expert at the end of the year and closed with a balance of Rs. 2,47,644–13–0 excluding Service postage stamps against Rs. 1,58,215–11–2 in the previous year. The increase in value is due to a large stock of paper and stores on hand at the end of the year.

16. Acts and books to the face value of Rs. 85,267–5–5 were added to stock during the year against Rs. 41,667–4–4 in the previous year. The increase is due to—

(i) books having been prescribed for Account Test Examinations; and
(ii) the printing of E.S.L.C. in all vernaculars for 1947 and 1948, Madras Factories Manual and Cinematograph Manual.

The total sales amounted to Rs. 71,558–1–3 against Rs. 50,744-9-3 in the previous year. The increase is due to the sale of books prescribed for the Account Test Examination and E.S.L.C. 1947 Text-books.

The following were added to the list of Agents during the year :—
(1) The National Book Stall, Cannanore.
(2) M. G. Bakshi, Akola.

17. (*a*) The value of free issues of priced publications during the year under review was Rs. 31,593–10–3 against Rs. 44,995–2–0. The decrease is mainly due to the strict observance of restriction in the printing and free supply of several reports and other publications.

(*b*) The total number of books, gazettes, papers, etc., distributed apart from sales was 755,510 against 2,613,733 in the previous year. The decrease is due to cancellation of War Propaganda Publications. This figure includes 300,000 copies of Grow More Food Journals, 31,500 copies of "Madras Information", 25,550 copies of I.W.C.C. and 1,900 copies of "Ind-Com" Journals and M.L.A. and M.L.C. proceedings and papers placed at the disposal of the press but excludes 3,029,502 leaflets of the Food Department of the Civil Supplies and 3,174,156 booklets on Post-war Reconstruction, 50,630 Saving Scheme Certificates and receipts besides 58,062,438 copies of rationing forms, registers, ration cards, bread tickets, etc.

18. *Gazettes Extraordinary.*—Seven hundred and twenty-two gazettes extraordinary were issued during the year of which three hundred and sixteen were in connexion with Defence of India Rules, such as control of prices of various articles, twenty-eight in connexion with elections to the Legislatures and the rest three hundred and seventy-eight relate to Excise, Forest, Public, General and Revenue Administration, Local Government affairs, Education, notice of sales, etc. The districts issuing gazettes extraordinary together with their numbers are given below :—

Godavari West, 58 ; North Arcot, 51 ; Bellary, 49 ; Nellore, 47 ; Kistna and Tanjore, 42 each ; Anantapur, 41 ; Salem, 39 ; Guntur, 36 ; South Arcot, 31 ; Chittoor and South Kanara, 30 each ; Cuddapah and Kurnool, 29 each ; Godavari East, 25 ; Malabar, Trichinopoly and Vizagapatam, 21 each ; Madura, 20 ; Tinnevelly, 18 ; Chingleput, 17 ; Coimbatore, 11 ; Ramnad, 10 and The Nilgiris, 4.

19. *Expenditure of departments* (*Statement II*).—Cases of marked variations either under increase or fall in respect of allocation of the total press costs for the year to the several departments entitled to free printing are given with reasons noted against each for such fluctuations. Other departments remained almost constant.

20. *Work done at private presses* [*Statement II, columns* (11) *and* (12)].—One thousand one hundred and thirteen bills amounting to Rs. 2,97,734–12–3 were passed for payment during the year for work done at private presses exclusive of Rs. 7,92,350-7-6 paid direct by the Collectors to the printers for printing electoral rolls, etc., from the Government Press grant as against nine hundred and nineteen bills amounting to Rs. 69,063–13–0 during the previous year. The main increase is due to entrustment of High Court Appeal cases to private presses.

*Paid from other officers' contingencies.*—Ninety-seven bills amounting to Rs. 13,222–1–0 were passed during the year for payment from other officers' contingencies on account of binding work done through private agency as compared with eighty-nine bills amounting to Rs. 8,820–10–0 in the previous year.

*Bills checked for private bodies.*—Bills to the amount of Rs. 1,42,382–7–0 were checked and passed for Rs. 1,40,960–2–9 for private bodies against Rs. 70,797–15–7 checked and passed for Rs. 69,725–2–7 in the previous year. Audit fees for checking the bills of these bodies amounted to Rs. 1,423–14–0 as compared with Rs. 708 in 1945–46.

21. *Audit.*—As usual the audit of the accounts of the Government Press and its branches was done by the outside audit section of the office of the Accountant-General, Madras, and the cost of audit for 1946–47 was Rs. 12,880 which has been charged to the working expenses. The amount charged for the previous year was Rs. 11,414.

22. *Control of forms printing.*—The number of copies printed and supplied during the year under report compared with that printed during the previous year, increased by about thirty millions, largely due to the creation of new offices connected with compulsory education, khadi production, rural reconstruction, rural water-supply, Aboriginal Tribes Welfare Enquiry Committee, etc., and partly due to compliance with triennial indents for some groups due last year. Indents continued to be carefully scrutinized.

23. The activities of the Madras Government Press Division of the St. John Ambulance Brigade (Overseas) continued throughout the year. All members of the division showed continued interest in their work.

24. (*a*) *The Madras Government Press Party.*—The Party continued to do useful service for its members by having its location in a rented building very near the Press. During the year death benefits amounting to Rs. 4,153 were paid to the families of the deceased members from the Mutual Family Benefit Fund which has been a source of immense help to them.

(*b*) The Press Canteen continued to cater satisfactorily to the needs of the employees of the Press for another year.

(*c*) The management of the Government Press Employees' Co-operative Society, Limited, was in the hands of a Special Officer and was guided by an Advisory Council of three officers of the Government Press appointed by the Registrar of Co-operative Societies. The management has been handed over to the elected Board of Directors with the Superintendent, Government Press, as Ex-officio President on 23rd December 1946. As usual the society continued to work satisfactorily rendering financial help to its members.

25. *General.*—The year has been one of the busiest on record and all departments of the Press have worked throughout the year at the highest pressure. The introduction of cloth rationing, the forms for which were ordered in crores, put a heavy strain on the machine and binding departments.

26. In conclusion I should like to acknowledge the continued willing assistance and co-operation of all officers, the ministerial and supervising staff which have enabled me to maintain efficiency and a high standard of work throughout another difficult year.

GOVERNMENT PRESS,
MADRAS,
