I request that the Government may be pleased to appoint a District Board Educational Officer soon or to sanction the post of an additional Superintendent till a District Board Educational Officer is appointed and actually joins duty.

ENCLOSURES

Ref: G.O.No.2215., Edn., dated 20-11-1946.

SPARE COPIES

In their Order No.1363, Edn., dated 15-7-1946, the Government appointed Sri K.N.Rangaratna Sastri who was - working as District Board Educational Officer in this - District as Specialist in the Basic Training School at - Periyanaickenpalayam and he was relieved from the post of District Board Educational Officer on the after-noon of - 27-7-1946. The post of the District Board Educational - Officer is vacant from that date. In a D.O. letter dated 29-7-1946, the Divisional Inspector of Schools, Coimbatore enquired whether it would be agreeable to the President to have Sri T.A.Subba Rao, Headmaster, Government Training - School, Coimbatore in place of Sri K.N.Rangaratna Sastri. The President considered Deputy Inspectors to be not - suitable for the post and wanted a Superintendent to be - sanctioned in place of District Board Educational Officer. Neither the post of a Superintendent was sanctioned nor a District Board Educational Officer was appointed. Conse- quently the work in the Elementary Education Section has suffered for the last five months and arrears of work have accumulated. There are several cases of increments pending for a long time and service & entries of over 2000 and odd teachers

put up in case files

teachers have not all been made and attested in service registers and the applications for leave, cannot therefore be quickly disposed of. Work connected with compulsory Elementary Education Scheme and the supply of mid-day meals, also requires to be pushed through vigorously. The present staff for supervision consisting of only one Superintendent for a clerical strength of over 15 clerks is very inadequate.

2. Now that Government have in their Order No.2215, Edn., dated 20-11-1946 required this Board to employ a District Board Educational Officer and have also called for proposals through the Director of Public Instruction for the loan of the services of a Deputy Inspector, I am herewith applying for the loan of the services of a Deputy Inspector for appointment as District Board Educational Officer in this District. I have no particular names to suggest. I only request for the loan of the services of a suitable Deputy Inspector who has good experience of office work and who is readily available.

3. If the selection and appointment of a suitable person for the post is likely to take a long time, it is requested that the post of an additional Superintendent for the Elementary Education Section may kindly be sanctioned till a District Board Educational Officer actually joins duty, so that the arrears of work in the Elementary Education Section may not be further accumulated.

4. The favour of very early orders are requested.
