ENDORSEMENT R.C. No. 850 B.3/46 dated 22nd September 1947.

SUB:- Subsidy = Buildings = District Board =
Salem = Construction of Elementary
School buildings:

REF:- Letter from the Special Officer, District
Board, Salem, R.O.C.No.D.1.23626/47 dated
2nd September 1947.

SUBMITTED.

2. In G.O.No. 527, Education, dated 10th April 1944,
seven building schemes were sanctioned and the District
Board, Salem was rendered eligible for a building subsidy
not exceeding Rs.13,225/- in respect of these schemes.

3. Out of the seven schemes thus sanctioned, the work
of construction of a school house at Periyeri (Item 7 in
the G.O) was completed last year and the subsidy was also
sanctioned in G.O.No.MS. 270, Education, dated 17th Feb.
1947. Another work viz. the sinking of a well in the com-
pound of the Board Elementary School at Dharmapuri (item
5 in the G.O) was also reported to have been completed last
year and the balance of subsidy was sanctioned in G.O.No.
MS. 822, Education, dated 23rd April 1947. It is not,
therefore, clear as to why the Special Officer has stated
that this work is still in progress.

4. Two of the seven works viz. items 1 and 6 have been
ordered to be deferred in G.O. No. MS. 2173, Education,
dated 14th November 1946.

5. Of the remaining three works, item 4 in G.O. viz.,
the construction of an additional accommodation to the
Board Elementary School, Thevur, it is reported, can be
completed with private help. In the place of this work,
the special Officer of the District Board has proposed cer-
tain other works for inclusion under Part II of the Budget
Estimates for 1948--49. Recommendations in this regard
have been submitted to the Government separately.

6. The Special Officer may be informed that if the
works Nos. 2 and 3 in the G.O. dated 10th April 1944 are
not completed before the close of the financial year 1947-
1948, they will be deleted from the list of approved works.

From The Sp. officer, Dt. Bd. Salem, No. 23626/47 d. 2.9.47
" D.P. No. 850 B. B. /46 d. 22.9.47
In G.O. No. 520 Edu,

d. 10.4.44, the Govt. sanctioned the payment to the District Board, Salem, of a subsidy of Rs. 13,225 towards one half of the expenditure on the execution of the following works -

Name of the work.	Amount of subsidy sanctioned.
(1)	(2)
1. Construction of a bldg. for the Bd. E. E. School at Tharmapuri	6,500
2. " a latrine and urinal combined for the Bd. Boys' School at Tharmapuri	700
3. " " " for the Bd. Girls' School at Tharmapuri	320
4. " an addl. bldg. for the Bd. E. E. School at Tharmapuri	1140
5. " a well in the E. E. School compound at Tharmapuri	315
6. Extension to the building of the Bd. E. E. School at Natunampalayam	3050
7. Construction of a bldg. for the Bd. E. E. School at Periyar	1200
	<u>Total: 13,225</u>

2. The progress of the works is noted on below: -

Item 7 above. The work was completed last year and the subsidy due to the district board was also paid. Vide. G.O. No. 270 Edu. d. 17.2.47

Items 1 and 6 above. The schemes were deferred in view of the high cost of materials and labour. Vide. G.O. No. 2173 Edu. d. 14.11.46.

Item 4 above. The Special officer, Salem Dt. Board, reports that the work can be executed with some private help. Instead of this work, he has proposed the execution of the following three works in the Board. E. E. Schools at Tharmapuri at a cost of Rs. 5160.

1. Sinking of a well
2. Construction of a compound wall
3. Construction of a latrine.

The proposal has been deferred as the D.P. I. reported that it was received late for scrutiny by him. Vide. Memo. No. 75334/47 - 1C1 Edn.d 14.10.47

Item 2 on page 1 ante. Last year the Special Officer reported that an expenditure of Rs. 616 was incurred on the execution of the work up to 31.3.47. The amount of subsidy claimed was also paid to the District Board. From the statement on page 5 of G.O. No. 522 Edn.d 23.4.47, it will be observed that the original estimate of the cost of the work for Rs. 630 was revised by the District Board for Rs. 1290. The fact was, however, not reported by the Special Officer in his letter d 14.3.47. The expenditure so far incurred is Rs. 616. A further sum of Rs. 674 will, apparently be spent on the execution of the work in the current year. Presumably for this reason, the Special Officer reports that the work continues to be in progress during the current year. He requests that the revised estimate for Rs. 1290 may be approved. In view of the present high cost of building materials and labour the revised estimate may be accepted and a subsidy of Rs. 330 in addition to the amount of Rs. 315 agreed to in G.O. No. 527 Edn.d 10.4.44 may now be sanctioned.

Items 2 and 3 on page 1 ante. The Special Officer has submitted revised estimates for these two works. The original estimates and the revised estimates are as follows:-

Original estimate.		Revised estimate.	
Total cost	Subsidy to be paid.	Total cost.	Subsidy to be paid.
(1)	(2)	(3)	(4)
(1) Rs. 1400	Rs. 700	Rs. 2200	Rs. 1100
(2) Rs. 640	Rs. 320	Rs. 1050	Rs. 525

The Special Officer requests that enhanced subsidy may be sanctioned with reference to the revised estimates. He has not reported what amount of expenditure has so far been

incurred on the works. Apparently they will be completed before the end of this year. For the reason stated at 'A' on page 2 ante the revised estimates may be accepted. The extra cost to the Govt. is Rs. 605. In view of the fact that the works were already approved by the Govt. and the extra cost now involved is very small, the proposal need not be treated as a Part II scheme for 1948-49.

3. The Special Officer may be informed that the works should be completed and the subsidy claimed before 7.3.1948.
