2. The budget has been explained by the Commissioner in his note accompanying the budget.

3. Revised Estimate for 1946-47. Expenditure under "ordinary" and "Capital" is in excess of the sanctioned budget. Sanction of Government is necessary for the increased expenditure.

4. Budget Estimate for 1947-48. The credit taken for Government grant under Sec.37 of the Madras Ele.Edn.Act is liable to revision with reference to the actual amount of education tax realised and adjusted to the fund during 1946-47.

5. The credit taken for Rs.7800/- under "capital--Govt. grant" should be deleted as no application has been entertained and provision made in the provincial budget for 1947-48. The contribution from General account may therefore be reduced to Rs.2350/-.

6. In view of the para 5 above the provision made under "Capital--lands and buildings" may be reduced to Rs.1500/-.

7. The accommodation provided for one boys' School is neither adequate nor suitable. Two muslim boys' schools are held in unsuitable buildings. Two other boys' schools are located in inadequate buildings. Steps should be taken to rectify these defects as early as possible.

ELEMENTARY EDUCATION BUDGET.

Note.

Revised estimate for 1946-47. The budget estimate for 1946-47 as approved in G.O.No.Ms.240 Education, dated 5th February 1946 was expected to close with nil balance, but the revised estimate is framed to close with a balance of Rs.4,670. This is due to the fact that the Government grant of Rs.8,800 towards the construction of a new building for the elementary school in Kandal sanctioned in G.O.No.Ms.1762 Education and Public Health., dated 31st October 1945 would be realised only during the current year, while almost the entire expenditure on the construction was met during the year ending 31st March 1946. This has made possible not only for the account for the current year to close with a balance but also to provide under capital expenditure a sum of Rs.3,100 for levelling the play-ground at the elementary School at Kodappamund and for providing a fencing around the elementary school at Pudumund. The other works which are provided for under capital expenditure are the following:

(1)	Construction of additions to the elementary school at Thaliatimund,	Rs. 5,650
(2)	Balance to be paid for the new building at Kandal constructed during 1945-46, ...	Rs. 530.
	Total ..	Rs. 6,180

In all a sum of Rs. 9,280 is provided under lands and buildings.

A sum of Rs. 500 is also provided for the purchase of furniture and apparatus for the schools.

The allotment under "Staff- Salaries and allowances" has been increased to Rs. 36,000 owing to the payment of arrear dearness allowance to the staff for the period from 1st July 1944 to 31st December 1944 and to the appointment of two additional teachers of Higher Elementary grade, on the recommendation of the Inspecting Officers of the Education department. This has necessitated the contribution from general funds to be increased from Rs. 11,200 to Rs. 13,575.

The education tax that is expected to be realised for the current year is Rs. 14,500. Credit is taken for a sum of Rs. 14,987 being the Government grant equivalent to the education tax realised during the year 1945-46, and for a sum of Rs.1,517 being the Government grant under the proviso to section 37 of the Elementary Education Act.

In addition to these, credit is taken for a grant of Rs.11,625 towards the construction of the buildings at Kandal and Thaliatimund, viz. Rs. 8,800 and Rs. 2,825 respectively.

Considering the large contribution from General Funds to the Elementary education account which is increasing year after year with the growing needs of the schools, it was suggested by the Deputy Inspector of Municipal Councils and Local Boards at his inspection of this office this year, that the education tax may be increased by half per cent. per annum, but the Council at its meeting held on the 11th December 1946 has decided that it is not in favour of any increase.

Budget estimate for 1947-48.

The budget estimate opens with a balance of Rs. 4,670. Credit is taken for the following Government grants:

P.T.O.

	Rs.
(1) Grant under section 37 of the Elementary education Act,	14,000
(2) Grant under the proviso to section 37 of the Act,	1,517
(3) Grant towards the construction of a school building at Mullikorai,	7,800

Since the present rented building in which the Mullikorai school is located has been condemned as being inadequate, unsuitable, ill-ventilated and ill-lighted by the District Educational Officer, the Council has decided to put up a new building on a suitable site. The Collector of the Nilgiris, who was requested to alienate 79 6/8 cents of land in Mullikorai for the purpose has called for a resolution of the Council agreeing to the conditions of alienation which the Council has done. The District Educational Officer, Coimbatore, has recommended this proposal. An application will be submitted to Government for a half grant during next year as soon as the plans and estimate are sanctioned by the Director of Public Instruction, Madras.

On the expenditure side, the provision under "Staff-Salaries and allowance" is increased to Rs.38,000 in order to provide for two more additional teachers- one for the elementary school at Kodappamund, which is proposed to be raised to the standard of a higher elementary school and another for the elementary school in Main Bazaar, at the recommendation of the Inspecting Officers. The Provision under this head includes the dearness allowance and local allowance for the staff at the rates prescribed by Government.

Under capital expenditure - lands and buildings, a sum of Rs. 17,100 is provided to meet the cost of construction of the school building at Mullikorai, and for levelling a site at Kandal for a play ground for the elementary school besides providing a sum of Rs. 800 for the purchase of furniture and apparatus.

The budget estimate closes with a balance of Rs. 4,720.

The remarks and recommendations made by the Deputy Inspector of Schools, Nilgiris Range and the Inspectress of Girl's Schools, fifth Circle are as follows:

1. Remarks of the Deputy Inspector.

Accommodation. In the following schools the accommodation provided is neither suitable nor adequate- Mullikorai.

The accommodation provided for the schools located in the Main Bazaar and at Fern Hill is inadequate. The management has been advised to improve the accommodation and to make it more suitable. It is understood that steps are now taken to remedy the defects.

Equipment. Suitability and adequacy. In all schools under the Municipality there is a fair supply of necessary articles of furniture and teaching aids and appliances. Garden tools have also been supplied and occasionally certain materials required for practical work under handicrafts are also supplied.

The Commissioner takes prompt action on the recommendations of the Inspecting Officers in the matter of improving the general condition of the schools and in making them serve better educational needs of the children of the locality.

General condition. On the whole the general condition of the schools is very satisfactory. The defects ~~mentioned~~

P.T.O.

(41)

under accommodation in the case of the schools mentioned above may be rectified at an early date.

So far as the school at Mullikorai is concerned, as stated above action has been taken to secure a suitable site for putting up a new building at a cost of Rs. 15,600. Plans and estimate have been prepared and they will be submitted to the Director of Public Instruction for necessary action. Provision is made in the budget estimate for the construction of this building.

As regards the accommodation for the schools in Main Bazaar and Fern Hill, it may be stated that owing to the influx of people from other parts of the country, the housing problem has become very acute, and it is found difficult to secure buildings with suitable accommodation for the schools. However, every endeavour will be made to change to better buildings when housing conditions return to normal.

A sum of Rs. 500 is provided in the revised estimate and Rs. 800 in the budget estimate for the purchase of furniture and equipment. The required furniture and appliances will be purchased and supplied.

2. Remarks of the Inspectoress of Girls' schools.

Provision may be made for playground and gardening in Kandal and Main Bazaar Muslim Girls' schools.

Maps of India and the world for Kandal Muslim school and a globe for the Main Bazaar school may be supplied at an early date.

A vacant land owned by a private person within a few yards of the Muslim Girls' School at Kandal was secured after a personal inspection of the locality by the Commissioner and placed at the disposal of the school.

The Muslim girls' school in Main Bazaar is located in a thickly populated area where there are no vacant spaces, which could be secured for playground and garden. Necessary steps were already taken to secure an open space to serve as a playground, but the open spaces which are found available are far away from the school, and the parents of the children observing Gosha system may have objection to their children being taken to such open spaces. Hence it is not possible to provide a playground so long as the school continues in the existing building.

Necessary provision is made both in the revised estimate and the budget estimate for the purchase of maps and the suggestion of the Inspectress will be given effect to.

B.E. 1947-48 - E.E. fund - Mdl. dy. Cotacamund.

C.No. 15914/47 From the D.P.I. Rop. 98B3/46-47, d/30.12.46.

The R.E. for 1946-47 and the B.E. for 1947-48 of the E.E. fund of the Mdl. dy. Cotacamund, call for the following remarks.

2. R.E. for 1946-47. (i) The contribution from the General funds ~~provided in the E.E. fund budget~~ sanctioned budget for the current year is Rs. 11,200. Subsequently, the dy. was asked to raise the contribution by Rs. 3,280. The credit taken under this head in the R.E. is Rs. 13,575. As the R.E. is expected to close with a balance with this contribution, the credit taken may be accepted.

p. 24 c f g (d) 2nd p. 27 c f g 2nd p 11 c f 1.y'm p. 3 c f

(ii) While passing orders on the E.E. fund budget for the current year, the dy. was asked to adjust a sum of Rs. 132 from the Arrear Toll Compensation grant. No credit has been taken under this head in the R.E. This is because the R.E. is expected to close with a balance even without taking credit for this amount.

para 3(iv) m p 24 c f g (d)

(iii) The credit taken under the head "Capital receipts - Govt. grant" is Rs. 11,625 as against Rs. 2,825 in the sanctioned budget. The credit taken has been increased with reference to the ~~grant~~ subsidy sanctioned in Go. No. 2175 Edn, d/ 14.11.46.

p 11 c f p 24 c f g (d) n.s.f.m.s.p

(iv) The credit taken for a contribution from the General funds under the head "Capital receipts" is to meet the Council's share of the cost of construction of a building for the Thalayattimund ely. School for which a subsidy has been promised.

(d) Rs 2,825 p 11 c f Go n.s.f.m.s.p

(v) Provision has been made for the payment of the arrears of dearness allowance to the E.E. staff

X'on p 3 c f

(vi) The provision made for expenditure is in excess of that in the sanctioned budget. The details of the excess expenditure have been explained

p 11 c f p 24 c f g (d) p 3 c f

by the Commr. The provision made for the excess expenditure may be approved.

3. B.E. for 1947-48. (i) The credit taken for contribution from the General funds under the Head "Ordinary receipts" is Rs. 15,593 as against Rs. 11,200 in the sanctioned budget for 1942-43. R.A. may see.

(ii) For the reason stated in para 5 of the Director's endorsement on p1c/f, the credit taken for a Govt. grant of Rs. 7,800 under the head "Capital receipts" may be deleted.

(iii) The provision made under the head "Expenditure - Capital - Roads and Buildings" for a sum of Rs. 17,100 for the construction of a school building at Mullikorai (Rs. 15,600) and for levelling a site at Kandal for use as play ground for a school (Rs. 1,500). The ch. proposes to apply for a subsidy from the Bur funds in respect of the first work. No application for a subsidy has been received nor will it be possible to consider the proposal in connection with the Part II scheme for 1947-48. If L.A. agree to the entire expenditure being met from the General funds the provision made for Capital expenditure may be allowed to stand. Otherwise the provision made under this head maybe reduced from Rs. 17,100 to Rs. 1,500 and the credit taken for contribution from the General funds under the head "Receipts. Capital" reduced from Rs 10,150 to Rs. 2,300. L.A. may see.

(iv) The B.E. for 1947-48 is expected to close with a balance of ~~Rs. 4,980~~ Rs. 4,670.

4. The ch. was not granted any subsidy towards the payment of dearness allowance to the L.S. staff either during the current year or in 1945-46.

5. L.A. may see for remarks.
