Sub. Overseas Scholarships - 1947-48 - Selection of a candidate for the subject, "Mercantile Marine Engineering".

p21cf

Ref. my ~~this Depts~~ Lr No. 63718 C2/47-6 Edn d 12-9-47

I am directed to invite a reference to my ~~this Depts~~ letter referred to ~~read~~ above. The Provincial Selection Committee recommended the following candidates in the order of preference indicated ~~shown~~ for the award of a scholarship in ~~on~~ the subject, "Mercantile Marine Engineering".

~~(1) Mr. C.S. Ballal — Brahmin~~

p4cf

(1) Mr T.R. Narasimhamurti — Hindu (Backward)
(2) Capt. D. Ambrose — Xtian
(3) Mr. B. Gopalakrishna — Hindu (Backward)
(4) Mr. C.S. Ballal — Brahmin.

But this Govt. ranked Mr. C.S. Ballal as first in the order of preference as he is a first class graduate with first rank. The G of I also selected Mr. Ballal for the Scholarship. As Mr. Ballal has since been disqualified as unfit by the Medical Board ~~to undergo the foreign training~~, this Govt. consider that Mr T.R. Narasimhamurti who was placed second in the order of preference may be awarded the scholarship withdrawn from Mr C.S. Ballal. They also consider that the substitution of

Mr. Narasimhamurti's name may be possible even at this late stage as the arrangements re. admission ~~and~~ passage etc. made for Mr. C.S. Ballal can be made ~~easily~~ available to the substitute. In the circumstances, I am directed to request you kindly to obtain the approval of the Govt. of India to the award of the Scholarship to Mr. T.R. 2. In view of the fact that the Glasgow University is one of the universities suggested by the Devt. Dept. for the training of the scholar ~~x~~ in Mercantile Marine Engineering and "in view of the standing of Glasgow" University, there seems to be no objection ~~in~~ to agreeing to the admission of Mr.Ballal to the third year classes in Engineering and Naval Architecture of the Glasgow University. A similar course at the Glasgow University which would not lead to a degree was accepted in the case of Mr.K.N.Gopinath Menon, a candidate selected in 1946-47 for Marine Engineering. If Devt.agree, the Travel Agents may be asked to proceed with Mr.Ballal's passage arrangements so that he may reach the United Kingdom before the end of September 1947. Mr.Ballal may also be informed of the position at "A" and "B" on pages 1-2 c.f. and he may ~~be~~ be asked to proceed to the U.K. accepting the first passage that may be offered to him by the Travel Agents.

SECRETARY, EDN. AND P. H. DEPT.
12 SEP 1947
GOVERNMENT OF MADRAS

Issued as Memo. No 63718 G2/47-5 (Edn) 12-9-47
" Lr " " -6 " "

p21cf

This Govt. recommended the following candidates in the order of preference noted in respect of an award of a Scholarship on the subject "Mercantile Marine Engineering":—

1. Mr. C. Shrinivasa Ballal	South Kanara	Brahmin
2. " T.R. Narasimhamurti	Madras	Hindu (Backward)
3. Capt. D. Ambrose	Madras	Xtian
4. Mr. B. Gopalakrishna	E. Godavari	Hindu Backward

Vide p18cf in 17p File (C.O. 2?)

The Selection Committee placed Mr C.S. Ballal as fourth in the order of preference for the Scholarship. But this Govt. ranked him as first in the order of preference as he is a first class graduate with first rank. The C. of I selected Mr. C.S. Ballal for the Scholarship. p12cf Mr Ballal has since been disqualified as unfit by the Mdl. Bd. to undergo the foreign training.

p81

The question arises whether a substitute should be selected in the place of Mr. Ballal for the award of a scholarship in 1947-48 on the subject, "Mercantile Marine Engineering". ~~These subjects which comes under~~ Mr Ballal ~~was~~ on completion of studies in the subject was intended for absorption in

Industries. Dev. Dept. who desired the inclusion of the subject, have agreed with this Dept. that the possibility of selecting a substitute in the place of Mr. Ballal should ~~may~~ be explored, if the C of I agree to such a proposal.

p3ante

The C of I stated in another connection that no further ~~a~~ recommendation as substitutes for rejected candidates could ~~not~~ be entertained this year. The present case does not come under the category of rejected candidates. In fact, if the recommendation of the Selection Committee had been ~~was~~ sent without any alteration, Mr. T.R. Narasimhamurti who was placed second by the Govt, would have stood ~~a~~ a chance of being selected in Mr. Ballal's place. Further, it may be taken for granted that the C of I refuse to accept substitutes only on the ground that it is now too late to get admission or passage for substitutes. It may be noted here that Mr. Ballal has already been secured a seat in the Glasgow University and that the C. of I have also advised the Travel Agents to offer Mr. Ballal an 'A' class passage and to see that he reaches the United Kingdom in no case later than 18-10-47. These arrangements may be ~~also~~ applied to the ~~subje~~ substitute if possible, and also if the C of I agree to the selection of a substitute. In the circumstances, it is for consideration whether Mr. T.R. Narasimhamurti may be recommended to the C of I as a substitute in the place of Mr Ballal for the award of a Scholarship this year in "Merca

Sri Ballal has been informed about the cancellation of the scholarship. A communication has also been sent to the Govt. of India. Any candidate selected in his place will have to be in the U.K. by the 5th October 1947. It is doubtful whether it will be possible to complete the arrangements (i.e. nomination, approval by the Central Govt, medical examination, & intimation to the candidate as well as to the travel & voyage agents) before that date.
