G.O. No. 2452, 14th November 1947

Libraries—Public- Grants for district boards, municipal councils and private associations—Distribution for 1947–48—Sanctioned.

Read—the following papers :—

G.O. No. 829, Education, dated 23rd April 1947.

From the Director of Public Instruction, dated 27th October 1947, R.C. No. 1005–J/47.

Order—No. 2452, Education, dated 14th November 1947.

The Government sanction the distribution of a sum of Rs. 34,740 in the current year as grants for the public libraries mentioned in the annexure to these proceedings. The grants will be paid on the post-payment system and will be subject to following conditions :—

(i) The grants should be spent on equipment, especially on books and book cases such as almirahs, but not on buildings.

(ii) The management should provide the buildings, furniture and staff required for the library.

(iii) The library should be open to the public and should be located in a place accessible to all communities and should not be removed to any place inaccessible to any community without the previous sanction of the Director of Public Instruction.

(iv) The indents for books to be purchased should receive the prior approval of the Deputy Registrar of Co-operative Societies in the case of co-operative societies' libraries and that of the District Educational Officer or the Inspectress of Girls' Schools in the case of other libraries.

(v) A register of books should be maintained in each library. In addition, a register of members should be maintained by the libraries under private associations. These registers should be available for inspection during inspecting officers' visit to the library which they may do at any time.

(vi) The library should be subject to annual inspection by the inspecting officers.

(vii) The management should make a contribution from its own funds equal to the grant sanctioned by Government. While expenditure on the purchase of periodicals, binding books and printing catalogues after the sanction of grant will be taken as part of this contribution, the expenditure on establishment, purchase of newspapers and maintenance of library buildings shall not be so treated.

(viii) Necessary vouchers for the expenditure should be produced while claiming the grant. The grant payable should be restricted to half the actual expenditure up to the maximum of the sanctioned grants.

(ix) If any of the above conditions is not observed, the grant may be refused at the time when a claim is preferred therefor ; and if the grant has been already disbursed, the grant or such portion thereof as the Director in his discretion thinks fit may be recovered by him at any time within five years from the date on which the grant was disbursed, from the management of the library or from the persons responsible for such non-observance.

(x) The grant should be claimed before the end of the current year. Grants for public libraries under the control of private associations should be claimed and disbursed by the inspecting officers of the Education department, District Educational Officers or the Inspectress of Girls' Schools as the case may be.

2. The Accountant-General is requested to place the amounts at the disposal of the local bodies concerned or the Registrar of Co-operative Societies or the inspecting officers of the Education department, as the case may be, on the production of the necessary vouchers.

Ref: G.O.No.829 Edn., dated 23-4-47.

I have the honour to submit herewith proposals for the distribution of grant during the current year to libraries under the management of local bodies and private associations and Panchayats.

2. Details regarding applications received and admitted to aid during the current year as compared to last year are noted below.

	No. of applications received.		No. admitted to aid.	
	1946-47	1947-48.	1946-47	1947-48
1. Panchayats.	684	740	602	673
2. Non-Panchayats (Local Bodies, Private Associations and Co-operative Societies.)	272	321	232	278

In scrutinising and admitting the applications to aid the usual conditions (viz.) accessibility, Maintenance of Registers, willingness of the management for an equal contribution etc. were adhered to.

3. The total demand according to the recommendation of the Inspecting Officers works out to Rs.61607 for Panchayat Libraries and Rs.45570 for Non-Panchayat Libraries. Against the allotment of Rs.1 lakhs available last year there exists a provision of Rs.75000/- only during the current year - Rs.35,000/ for Non-Panchayats and Rs.40,000 for Panchayats. Out of this allotment a sum of Rs.435 has been sanctioned as arrear grant to certain Libraries and so an amount of Rs.34765 for Non-Panchayats and Rs.39800 for Panchayat Libraries only is available for distribution.

4. The number of libraries eligible for grant has increased considerably during the year while the amount available for distribution is much less. It is therefore not possible to recommend the maximum grant permissible (viz.) Rs.200/- for Non-Panchayat and Rs.100/- for Panchayat Libraries. However, the available allotment is recommended for distribution reducing the maximum grant payable to each library. A list of libraries for which grant has been recommended is submitted herewith and the amount of grant recommended for each library is noted against each, having regard to their usefulness, the recommendations of the Inspecting Officers and the charges involved last year etc. I request that Government may be pleased to approve my proposals and sanction grant as proposed. In the order sanctioning grant the usual conditions may be incorporated.

(ii) The management should provide the buildings, furniture and staff required for the library.

(iii) The library should be open to the public and should be located in a place accessible to all communities and should not be removed to any place inaccessible to any community without the previous sanction of the Director of Public Instruction.

(iv) The indents for books to be purchased should receive the prior approval of the Deputy Registrar of Co-operative Societies in the case of co-operative societies libraries and that of the District Educational Officer or the Inspectress of Girls' Schools in the case of other libraries.

(v) A register of books should be maintained in each library. In addition a register of members should be maintained by the libraries under private associations. These registers should be available for inspection during inspecting officers' visit to the library which they may do at any time.

(viii) Necessary vouchers for the expenditure should be produced while claiming the grant. The grant payable should be restricted to half the actual expenditure up to the maximum of the sanctioned grants.

(ix) If any of the above conditions is not observed, the grant may be refused at the time when a claim is preferred therefor ; and if the grant has been already disbursed, the grant or such portion thereof as the Director in his discretion thinks fit may be recovered by him at any time within five years from the date on which the grant was disbursed, from the management of the library or from the persons responsible for such non-observance.

(x) The grant should be claimed before the end of the current year. Grants for public libraries under the control of private associations should be claimed and disbursed by the inspecting officers of the Education department, District Educational Officers or the Inspectress of Girls' Schools as the case may be.

2. The Accountant-General is requested to place the amounts at the disposal of the local bodies concerned or the Registrar of Co-operative Societies or the inspecting officers of the Education department, as the case may be on the production of the necessary vouchers.

G.O. No. 2452, 14th November 1947

Libraries—Public—Grants for district boards, municipal councils and private associations—Distribution for 1947-48—Sanctioned.

READ—the following papers :—

G.O. No. 829, Education, dated 23rd April 1947.
From the Director of Public Instruction, dated 27th October 1947, R.C. No. 1005-J/47.

22 NOV 1947

Order—No. 2452, Education, dated 14th November 1947.

The Government sanction the distribution of a sum of Rs. 34,740 in the current year as grants for the public libraries mentioned in the annexure to these proceedings. The grants will be paid on the post-payment system and will be subject to following conditions :—

(i) The grants should be spent on equipment, especially on books and book cases such as almirahs, but not on buildings.

(ii) The management should provide the buildings, furniture and staff required for the library.

(iii) The library should be open to the public and should be located in a place accessible to all communities and should not be removed to any place inaccessible to any community without the previous sanction of the Director of Public Instruction.

(iv) The indents for books to be purchased should receive the prior approval of the Deputy Registrar of Co-operative Societies in the case of co-operative societies' libraries and that of the District Educational Officer or the Inspectress of Girls' Schools in the case of other libraries.

(v) A register of books should be maintained in each library. In addition, a register of members should be maintained by the libraries under private associations. These registers should be available for inspection during inspecting officers' visit to the library which they may do at any time,

(vi) The library should be subject to annual inspection by the inspecting officers.

(vii) The management should make a contribution from its own funds equal to the grant sanctioned by Government. While expenditure on the purchase of periodicals, binding books and printing catalogues after the sanction of grant will be taken as part of this contribution, the expenditure on establishment, purchase of newspapers and maintenance of library buildings shall not be so treated.

(viii) Necessary vouchers for the expenditure should be produced while claiming the grant. The grant payable should be restricted to half the actual expenditure up to the maximum of the sanctioned grants.

(ix) If any of the above conditions is not observed, the grant may be refused at the time when a claim is preferred therefor ; and if the grant has been already disbursed, the grant or such portion thereof as the Director in his discretion thinks fit may be recovered by him at any time within five years from the date on which the grant was disbursed, from the management of the library or from the persons responsible for such non-observance.

(x) The grant should be claimed before the end of the current year. Grants for public libraries under the control of private associations should be claimed and disbursed by the inspecting officers of the Education department, District Educational Officers or the Inspectress of Girls' Schools as the case may be.

2. The Accountant-General is requested to place the amounts at the disposal of the local bodies concerned or the Registrar of Co-operative Societies or the inspecting officers of the Education department, as the case may be, on the production of the necessary vouchers.

3. The expenditure will be debited to the head "37. r. Education—Miscellaneous—A. General—6. Grants to Local Bodies for Public Libraries."
