G.O. No. 829, Education, dated 23rd April 1947.

From the Director of Public Instruction, dated 27th October 1947, Rc. No. 1005 J/47.

Order—No. 2453, Education, dated 14th November 1947.

The Government sanction the distribution of a sum of Rs. 39,785 in the current year as grants for the libraries maintained by the panchayats specified in the annexure to these proceedings. The grants will be paid on the post-payment system and will be subject to the following conditions :—

(i) The grants should be spent on equipment especially on books and book cases such as almirahs, but not on buildings.

(ii) The management should provide the buildings, furniture and staff required for the library.

(iii) The library should be open to the public and should be located in a place accessible to all communities and should not be removed to any place inaccessible to any community without the previous sanction of the Director of Public Instruction.

(iv) The indents for books to be purchased should receive the prior approval of the District Educational Officer.

(v) A register of books should be maintained in each library. It should be available for inspection during inspecting officers' visit to the library which they may do at any time.

(vi) The library should be subject to annual inspection by the inspecting officers.

(vii) Necessary vouchers for the expenditure should be produced while claiming the grant. The grant payable should be restricted to the actual expenditure up to the maximum of the sanctioned grants.

(ix) The presidents concerned should claim the grants sufficiently early at the district treasuries presenting bills (prepared in the prescribed form) with the necessary sub-vouchers, so as to admit of the claims being scrutinized and paid before the end of the current year.

The Government sanction the distribution of a sum of Rs. ~~52,205~~ in the current year as grants for the libraries maintained by the panchayats specified in the annexure to these proceedings. The grants will be paid on the post-payment system and will be subject to the following conditions:—

(i) The grants should be spent on equipment, especially on books and book cases such as almirahs, but not on buildings.

(ii) The management should provide the buildings, furniture and staff required for the library.

(iii) The library should be open to the public and should be located in a place accessible to all communities and should not be removed to any place inaccessible to any community without the previous sanction of the Director of Public Instruction.

(iv) The indents for books to be purchased should receive the prior approval of the District Educational Officer.

(v) A register of books should be maintained in each library. It should be available for inspection during inspecting officers' visit to the library which they may do at any time.

(vi) The library should be subject to annual inspection by the inspecting officers.

(vii) Necessary vouchers for the expenditure should be produced while claiming the grant. The grant payable should be restricted to the actual expenditure up to the maximum of the sanctioned grants.

(viii) If any of the above conditions is not observed, the grant may be refused at the time when a claim is preferred therefor; and, if the grant has been already disbursed, the grant or such portion thereof, as the Director in his discretion thinks fit, may be recovered by him at any time within five years from the date on which the grant was disbursed, from the management of the library or from the persons responsible for such non-observance.

(ix) The presidents concerned should claim the grants sufficiently early at the district treasuries presenting bills (prepared in the prescribed form) with the necessary sub-vouchers, so as to admit of the claims being scrutinized and paid before the end of the current year.

2. The Accountant-General is requested to place the amounts at the disposal of the panchayats concerned on the production of the necessary vouchers. The Inspector of Municipal Councils and Local Boards is requested to see that the grants herein sanctioned are drawn by the panchayats before the end of the current year.

3. The expenditure will be debited to the head "37. r. Education—~~General~~—Miscellaneous—~~B. Non-European~~—7. Grants to panchayats for public libraries."
