No.1332/D2/47.

Dated 26th August 1947.

Sub: Flat file cases - Increase scale of supply -
Sanction - Request of. 29 SEP 1947.

As per scale of supply flat file cases printed as item D of Appendix XX of the Madras Stationery Manual (Fifth Edition) Volume II, this office is entitled to have 400 flat file cases. This scale was sanctioned about 35 years ago in G.O.No.400, Finance, dated 26-6-1912 and was found quite inadequate to meet the then requirement and the Government were pleased to raise the scale of supply from 400 to 800 in G.O.No.Ms.1295, Edn., and Public Health Department dated 22nd August 1941. Even this quantity is found insufficient to meet the existing demands owing to the large increase of correspondence in every section of this office. There are a good number of files without file cases and the currents are likely to be lost for want of them. Atleast 200 flat file cases are needed urgently.

Hence I request that Government may be pleased to raise the scale of supply from 800 to 1000 as detailed below:-
