Sir,

Sub: Engineering College, Guindy - Appointment of an additional Deputy Warden for the hostel.

53386

I have the honour to request that Government may be pleased to sanction the employment of an additional Deputy Warden to the hostel attached to the Engineering College, Guindy.

2. The strength of the hostel was 600 till last year and there are three Deputy Wardens. The Principal has reported that with the increase in strength in the College due to increased admissions and with the admission of 50 students for the Engineering College, Anantapur, three Deputy Wardens will not be sufficient and one more is essential. I recommend the request of the Principal and request that an additional Deputy Warden with an allowance of Rs. 30/- per mensem may be sanctioned with effect from 1-10-46.

If it is considered that a fourth Dy warden is essential the question of appointing a non-Gazetted officer with an allowance of Rs 15/- p.m may be examined.

Rc.No.3-1 A/46.

College of Engineering, Guindy.
Dated: 2nd September 1947.

To

The Director of Public Instruction,
M A D R A S.

Sir,

Sub: College of Engineering, Guindy - Employment of an additional Deputy Warden.

Ref: Your Proc. R.O.C.2482 K2/46 dated 16-1-47.

There have been three Deputy Wardens in the College ever since it came to Guindy in 1920. The strength of the hostel at that time is not known as records relating to the hostel are only available from 1924. From this office letter Rc.726/U.O. dated 11-11-24, it appears that there were 233 students residing in the hostel and there were three Deputy Wardens, whose remuneration was rent-free quarters.

2. In G.O.No.1344, Law (Education) dated 6-8-25 communicated in your Proc. Roc.No.1789 C/24 dated 15-8-25, the concession of rent-free quarters was withdrawn and instead of that an allowance was fixed for Deputy Wardens. It was ordered that the College will continue to have three Deputy Wardens so long as the strength of the hostel does not fall below 300.

3. In G.O.No.Ms.2083 dated 17-10-35 communicated in your Proc.Roc. No.2081 C/35 dated 24-10-35, it was again ordered that three Deputy Wardens shall be employed in the hostel so long as the strength does not fall below 300. The strength of the hostel at that time was 473.

4. In 1935, the admissions into the degree class of this college were increased from 66 to 100 and after that gradually to 125, the present number. With admissions of 90 in the 3-year Licentiate course and 125 in the 4-year Degree course, the strength of the College comes to about 270 + 500 or 770. The College hostels could not accommodate more than 600 students in spite of the undesirable overcrowding. This was the strength of the College hostel before the additional students were admitted on account of the Anantapur College. It will be appreciated that taking the strength of the Guindy College alone and 600 resident students, 4 Deputy Wardens are not too many.

5. However, the present strength of the hostels on account of the Guindy College alone is more than 600. Since July 1946, the Air Mechanics Trainees Hostels have been placed at the disposal of the College. These hostels are accommodating additional students of the Guindy College who could not be accommodated in the hostel proper of the Guindy College owing to lack of accommodation and also the students of the Anantapur College. The number of students now residing in the College Hostel proper and the Air Mechanics Trainees Hostel is about 800. There is thus an overwhelming case for the fourth Deputy Warden. I therefore request that the fourth Deputy Warden may please be sanctioned.

6. In this connection, I beg to submit that 4 Deputy Wardens are most inadequate and I shall bring up before the Director the whole question of Deputy Wardens in due course.

The proposal in the file is to sanction a fourth Deputy warden (Gazetted officer) for the hostel attached to the Engineering College, Guindy. The proposal involves the sanction of a special pay of Rs 30 p.m to one of the Gazetted officers (M.E.S. grade) of the Engineering College Guindy, who will be the proposed Dy.Warden. The extra cost is Rs 360 p.a.

2. This Department have agreed to three Deputy wardens (Gazetted officers) on a special pay of Rs 30 each in 1933 when the strength of the hostel was 541. This includes the strength of students intended for Anantapur College which is now working at Guindy. When the Anantapur College is shifted away from Guindy it may be expected that there will be fall in the strength as now reported. On the basis of existing strength however this Department need not object to the grant of additional special pay for one of the Professors doing work as warden. This additional allowance ^{should pay} ~~for an additional Dy Warden (Gazetted Officer)~~ may be granted for 1 year or till Engineering College at Anantapur is shifted away, whichever is earlier. ^{Subject to} ~~the remark~~ the draft order on p above may be accepted.
