Sir,

SUB:- Hostels = Presidency College Women Students'
Purchase of additional furniture = Expendi-
ture = Sanction requested: ***

The Women Students' Hostel attached to Presidency College, Madras has been recently shifted to the "Retreat" Purasawalkam. The present accommodation permits a strength of 80 inmates. The Principal reports that there is demand from so many students for admission to the hostel. At present the furniture available in the hostel consists of 25 chairs, 20 tables, 17 shelves and 1 notice board, which is hardly sufficient for 20 students, while the number of students already living in the hostel is 55. Additional furniture is therefore urgently required to meet the needs of the existing students as well as those to be newly admitted. In the circumstances I request that Government may kindly sanction an expenditure of Rs.6,200/- (Rupees six thousand two hundred only) in the current year on the purchase of the undernoted articles of furniture for the above hostel.

2. As the above articles are required urgently for the hostel use, I am permitting the Principal to purchase them in anticipation of the sanction of Government. As the penitentiary is not in a position to supply the required furniture immediately, the articles will be purchased either from the Reid Co-operative Timber Works, Tiruvottiyur or in the open market.

3. There is no provision for the expenditure in the current year's budget. I therefore request that Government may kindly permit me to incur the necessary expenditure and apply for the additional funds in due course.
