2. When the rules requiring the Headmaster of a V
Standard Elementary School to be a Secondary Grade trained
teacher was introduced, the idea was first to improve the
efficiency of these schools and secondly to enable English
being taught in the elementary schools in Standards IV and
V. Though no English is to be taught in a V Standard Ele-
mentary School now, still a Secondary Grade teacher will
help to improve the efficiency of these schools. But in
view of the fact that Secondary Grade teachers are not
available for service even for Board Schools and as the
difficulty is not likely to be removed within the next
five years atleast, the request of the Correspondent of
the school under reference is reasonable. I therefore

recommend that while the present rule 12(3) may not be altered it may be suspended for a period of 5 years till 1st June 1952. This will obviate unnecessary correspondence involved in granting exemptions every year to individual schools and teachers. But the concession referred to above may be made applicable only if no Secondary Grade trained teachers are available and under no circumstances a Higher Elementary Trained teacher may be allowed to be a Headmaster with a Secondary Grade Trained teacher as Assistant. To secure this end, the following amendment to rules is suggested.

ADD the following note under Rule 12(3) of the Rules for recognition of elementary schools:

"NOTE: The conditions prescribed in the second sentence of Rule 12(3) above will not operate as a temporary measure till 1st June 1952 provided there is no secondary grade trained teacher on the staff of the school."

Education and Public Health Department,
