Sir,

Ref: Government

Sri A.S.Davies of 3rd Year class of the Engineering College who is an evacuee from Burma has applied to me through the Principal of the College for financial assistance for the academic year 46-47. He was granted allowance of Rs.540/- for the year 45-46 in Government of India Letter No.F.12 (130)45- E(11) dated 19-12-45 communicated with G.O.No.2122 Education and Public Health dated 27-12-45. The Principal has reported that the applicant has failed in the 3rd year class for the last two consecutive years and that is continuing in the same class for the third year. He has also reported that the student p.t.o.

is not in receipt of any scholarship or other remuneration. The Assistant Refugee Officer has recommended payment of an advance for the first three months of the year.

11/5
According to para 2 of Government of India letter No. F.24-3-45 E-1 dated 1-10-45 communicated with Government (P.W.D) Endorsement No. 3503 H.45-4 dated 11-10-45 school allowance is not to be continued without prior concurrence of the Government of India in the case of those who fail more than once. Although allowance for University Technical education is on a different scale and far from school allowance this principle may perhaps be applicable for that also. I have therefore not sanctioned any allowance to the applicant, in advance.

13/5
The applicant was granted allowance at the rates of Rs. 60 per month for 9 months last year. I recommend that the same amount may be sanctioned this year also if the rules permit sanctioning of allowance to students of technical colleges who have failed more than once.

A copy of letter No. 102 B.46 dated 12-11-46 of the Principal College of Engineering Guindy is enclosed for favour of reference.

Sub:- Financial assistance - Continuance of school
allowances after failure in examinations.

Sir,

With reference to your letter No. 3503-H/45-I,
dated the 21st August 1945, I am directed to say that
ordinarily no assistance should be granted to students who
fail in their examinations. If, however, in any individual
cases of hardship the Provincial Government are satisfied
that the failure of the Students was not due to lack of
diligence on their part, the Provincial Government may,
at their discretion, grant school allowances to such
students to enable them to continue their studies.

him without the prior concurrence of the Government of
India.
