Sir,

sub: Elementary Education - Aided Schools - Rules for aid-
Amendment to Rule 20 regarding maximum number of
untrained teachers permissible in an elementary school-
proposals submitted.

For purposes of Rule 20 of the Rules for aid, an untrained teacher of the Secondary grade as defined in Rule 2 IV had to be treated as a trained teacher upto 31-5-46 with reference to U.O. No.667 Mis Edn, dated 29-4-46 and this concession was again extended for a further period of one year from 1-6-46 in G.O. No. Ms.1874 Edn., dated 30-9-46 on account of dearth of Secondary trained teachers. As the situation in regard to the availability of secondary trained teachers has not much improved and there is no possibility of trained teachers becoming available in sufficient numbers for employment in aided schools. I request that the concession extended up to 1.6.47 may be continued for three more years till 1-6-1950.
