Though he was subject to the Indian

Ref: Government Memo. 74247C.1-46-4 dated 27.8.47.

I have the honour to state that only five cases
relating to the grant of Educational concessions to the
children and dependants of Labour Unit Personnel have
come to me for consideration so far. The amount of
additional expenditure that may have to be incurred in
respect of the five cases will work out to Rs.1200/-
approximately in the current financial year.

In this connection, I submit that the amount of
additional Expenditure that may have to be incurred in
future years if the Educational concessions are extended
to the children and dependants of Labour Unit Personnel
will depend on the number of students coming under this
category in various institutions in this Province. I may
however state that if the concessions are extended to the
dependants of Labour Unit Personnel, there will be several
applications and the amount of additional expenditure to
Government will be considerable.

war. Educational concessions to a dependent of ex-superior in the Madras Labour unit.

Please see the D.P.S's letter and its encls in the cf. The educational concessions sanctioned by Govt in connection with the war are admissible to the children and dependants of soldiers who were enrolled under the Indian Army Act with liability to serve overseas in a theatre of war. In 1944 the concessions were extended to the children and dependants of members of the Civil Pioneer Force waiving the conditions regarding enrolment and liability to serve overseas in a theatre of war. The question of extending the concessions to the children and dependants of members of the Madras Labour units was not considered at that time. So according to the existing orders the children and dependants of the Labour units are not eligible for the concessions. As the war is over and as the majority of the Labour units have been disbanded it seems unnecessary to consider the question now. The D.P.S's query may be answered in the negative. P.W.D and Finance may see.

Attention is invited to the notes in G.O no 2806 P.W.D 21.7.44 in which the question of granting educational concessions to the children and dependants of the MCPF personnel has been considered and decided favourably.

In connection with the question whether nursing orderlies are or are not entitled to certain concessions in respect of increments etc on account of their war service, the General Head Quarters (Quarter Master General's Branch) in its letter no RA 6307/2/PL of 9.12.46 ^{have} ~~has~~ stated that until the repeal of the Active Service Ordinance with effect from 1.7.46, all Civil Labour Units were on active service whether they were employed in an operational area or not, and that ^{those units were} ~~it was~~ also, by virtue of the Active Service Ordinance, that ~~Civil Labour Units~~ ^{were} subject to the Indian Army Act until 1st July 46. They ^{have} ~~has~~ also stated that the personnel of Civil Labour Units, however, continued to be subject to Indian Army Act even after 1st July 46, by virtue of the Govt. of India Notification no 1583 of 1946, as amended.

In the circumstances stated this dept may recommend that such of the ^{educational} concessions as are applicable to the personnel, may also be extended to the MCPF personnel, notwithstanding the termination of war. Subject to orders.

The C.P.F. was serving in a war area under the same conditions as personnel of the regular Army. The Madras Labour Units cannot, it seems, be regarded to be on the same footing as the C.P.F., to deserve the extension of the educational concessions to them also.

In the case of the C.P.F., the Government of India took the initiative and at their suggestion and in pursuance of a general policy adopted by other Provinces as well, the educational concessions were extended to the children and dependants of the members of the C.P.F. in this Province also.

No such action has ~~not~~ been taken by the Government of India in the case of these Labour Units. There is also no information as to whether the educational concessions are being granted to Labour Units in other Provinces. In the matter of war concessions, it is desirable that there should be uniformity of policy in all Provinces. In the circumstances this Department may agree with E. & P.H. that the educational concessions need not be extended to Labour Units.

If P.W. wish to press their proposal, the E & P.H. Department may be requested to first obtain a report from the D.P.I. as to the additional expenditure involved ^{in the proposal} ~~extending~~ ^{to Madras Labour units will} ~~be heavy~~ as the number of Labour Units is stated to be 43.

From the D.P.I. No. 11380 W.2/46 dated 20-8-47.

From the D.P.I. No. 11380 W2/47 dated 11-9-47 and 17-9-47.

The D.P.I. reports that educational concessions are not granted to children and dependants of Labour Unit Personnel in the Provinces of C.P. and Berar, N.W. and West Bengal and that there is no mention of such service personnel in the relevant rules of the Bombay Province.

As regards the cost of extending the concessions to such pupils in this Province the D.P.I. reports that though the additional expenditure that may have to be incurred in respect of the five cases pending with him works out to only Rs 1200/- approximately in the current financial year, if the concessions are granted, there will be several applications and the amount of additional expenditure will be considerable.

This Department may adhere to its original view that the educational concessions need not be extended to the Labour unit Personnel. P.W.D. and Finance may see before circulation.
