and The Director of Public Instruction,
Government of Madras.

and The Principal,
Presidency College,
Triplicane, Madras.

Sir,

I beg to submit the following particulars in connection
with my eligibility for promotion to the cadre of Assistant
Professor or Lecturer in Government Colleges:-

(1) I was appointed as Demonstrator in Physics in
Presidency College, in July 1936 and subsequently confirmed
in that post. I am at present considered on other duty as
temporary Meteorological Assistant in the India Meteorological
Department, from 18-1-1943.

(2) I had sent a petition to the Secretary, Education
and Public Health Department in July 1942, through Dr. B.B.Dey,
then Principal, Presidency College, mentioning all my quali-
fications and attainments and requesting to consider my case
for promotion to the cadre of Assistant Professor or Lecturer
in Physics, but I was informed by the Director, of Public
Instruction, that no new point has been made in favour of my
promotion then.

(3) Now I understand that the Madras Public Service
Commission have approved the selection of candidates, with
M.Sc. by research for posts of Assistant Professors or
Lecturers. Mr. V.S. Sunderlingam, an M.Sc. degree holder by
research, I understand, was recently selected by the Madras
Public Service Commission for the post of Assistant Professor
and the Director of Public Instruction had posted him to
Presidency College.

I had cited in my previous application in July 1942 other
cases where the possession of M.Sc. research degree with or
without an Honours degree has been considered sufficient
qualification for appointment to the Madras Educational Service.
I request that these cases may kindly be seen.

(4) As regards my qualifications, I beg to submit that

(a) I have passed the M.A. degree examination in Physics
and L.T. degree examination of Madras University.

P.T.O.

(b) I have been awarded the M.Sc. degree of the Madras University, the title of the thesis being "Investigation on the deposition of metallic films for Optical work".

(c) As regards my research experience, I had worked under Dr. H. Parameswaran, formerly Professor of Physics, Presidency College, Madras and had published three papers of a practical nature in the Indian Journal of Physics, and my thesis of M.Sc. consists of six papers. I was working as a Research Fellow of Madras University on Rs. 125/- p.m. under Sir C.V. Raman, at the Indian Institute of Science from September 1942 to January 1943, when I was called to take up an appointment as Meteorological Assistant in the India Meteorological Department. Since joining the Meteorological Department, I had published 9 magnetic notes to the Current Science Journal.

(5) As regards my work in the Physics Department of Presidency College, I request you kindly to see the recommendations of the following persons:-

- (i) H.C. Papworth Esq.
- (ii) Dr. B.B. Dey.
- (iii) Dr. H Parameswaran
- (iv) Prof. G.P. Krishnamoorthy.

2. Considering my teaching experience for seven years and research experience and practical skill developed for the past ten years, I kindly request you to consider my application favourably for promotion to the cadre of Assistant Professor or Lecturer in Government Colleges. I am making this petition now, as I understand that there are number of vacancies for the posts of Assistant Lecturers and I kindly request that I may be considered suitable for one of the posts.

I beg to remain, etc.

Station Madras, Dated the 29th June 1947

From (Name) Sri D.S. Reddi, M.A. (Hon.) M.S.E.,

(Designation) Director of Public Instruction.

To The Secretary to the Government of Madras,

Education and Public Health

Department.

Sir,

1. In submitting herewith the petition dated 28-10-46 from Sri M.V. Sivaramakrishnan, I have the honour to state as follows:-

2. Sri M.V. Sivaramakrishnan is an M.A., L.T., and was awarded the M.Sc. degree for research, by the University of Madras. He stood first in Physical Science in the B.A. degree Examination from the Pachaiyappa's College having secured a second class in that examination and received the Macdonald Gold medal. For his M.A. he got only a third class.

3. He was appointed as Demonstrator in Physics in the Presidency College on 9-7-1936 and was confirmed in that post on 1-8-1938.

4. He had made several representations to take into account his M.Sc. degree by research for promotion as an Assistant Lecturer. With reference to his petition dated 23-7-1942 submitted to Government, the Director's letter R.C. No. 2014-C./42 dated 31-7-1942 and with reference to the orders of Government in memo. no. 3455/S, C/42-1 dated 20-8-1942, he was informed that no new point had been made in favour of

his

his promotion and that the Director still considered him not qualified for promotion as Assistant Lecturer. His M.Sc. degree by research was not considered as a substitute for a 1st or 2nd class B.A.(Hons), required by the rules.

5. Sri V. Sundaralingam, about whom reference has been made in the petition has the following qualifications:-

M.Sc. (Madras) 1944; B.Sc. (Madras) Botany, Zoology, and Geology, 1st Class, 1938; Diploma in German (Madras) 1940. M.Sc. degree was awarded to him by the Madras University for a thesis written after research studentship.

Sri Sundaralingam was selected by the Madras Public Service Commission for appointment as Assistant Lecturer, and he was offered the post of Assistant Professor of Botany in the Presidency College in June 1946, but he did not accept it. Nothing further has been heard of him.

6. The rules require the possession of the 1st or 2nd Class degree of B.A.(Hons), or B.Sc.(Hons), or M.A. of a university in the Province in the subject in respect of which recruitment is made. The University of Madras has prescribed the following rules for the appointment of teaching staff in colleges:

1. Honours course: The members of the teaching staff should be at least a first or second class B.A.(Hons) or M.A. or B.Sc.(Hons) or B.O.L. (Hons), degree holders. B.Sc. or B.Litt by Research, will be considered individually on the merits of each by the syndicate.

2. Pass Course (B.A. and B.Sc.): The qualifications prescribed are B.A.(Hons) or M.A. or B.Sc.(Hons), or B.O.L.(Hons) degree or a first class B.A. or B.Sc. or B.O.L. degree. M.Sc. or M.Litt by Research will be considered by the Syndicate on the merits of each case.

7. Though Mr. Sivaramakrishnan secured a second class for his B.A. degree examination, he unfortunately obtained only a 3rd class for his M.A. degree, but he subsequently obtained the M.Sc. degree, by Research, and it appears reasonable that this is allowed to compensate for his failure to get a class for his M.A. I therefore recommend that the provisions of rule 7(a) of the special Rules for the Madras Educational Subordinate Service, read with annexure II to those rules may be relaxed in favour of Sri M.V. Sivaramakrishnan, so as to enable him to hold appointment as Assistant Lecturer or Assistant Professor. In G.O.No. 2190 Public Health dated 23-7-1946, the rule was relaxed in favour of Mr. John J. Devasahayam, then Demonstrator, Stanley Medical College.

ordinate Educational Service - Collegiate Branch.

To

The Secretary to Government, Edn. & Public Health Department.

Sir,

In submitting herewith the petition dated 23-7-42 from
Sri M.V.Sivarama Krishnan I have the honour to state as follows:-

2. Sri M.V.Sivarama Krishnan is a III Class M.A., in Physics and an L.T. was awarded the M.Sc. degree by Research by the Madras University in March 1942. He now requests that his claims for promotion to the Subordinate Educational Service -- Collegiate branch-may be considered.

3. The Govt. have already decided in a similar case that a M.Sc. degree by Research cannot be accepted as a substitute for a 1st or 2nd class degree of B.A.(Hons), B.Sc., (Hons.), or M.A.degree for purpose of appointment in Government Colleges -- Vide letter No. 598 Education dated 16-4-41 from the Secretary to Government, Education and Public Health Department to the Registrar, Andhra University, Waltair. The request of the petitioner is therefore inadmissible.

4. Messrs.Ramanathan and Gopalakrishnamurthi referred to in the petition were candidates selected by the Service Commission by direct recruitment, the former having been selected prior to the issue of the statutory rules.

Please see the petition of Sri M.V.Sivaramakrishnan, Demonstrator in Presidency College, Madras on p 1-2 of and the remarks of the D.P.I. in his letter on p 3-4- cf.

2.The petitioner represented in 1942 that his M.Sc. degree by Research might be taken as equivalent to a I or II class M.A., and he might be enabled to be appointed as an Assistant Lecturer. He was informed that his M.Sc. degree by research could not be taken as a substitute for a I or class M.A., required under the rules.

3.The petitioner now represents that the M.P.S.C. has approved the selection of candidates with M.Sc degree by research, for posts of Assist. Professors or Assist.Lecturers. He also cites the case of Mr.V.S. Sunderlam, an M.Sc. degree holder by research, whom the M.P.S.C. has selected for the post of Assist. Professor on the basis of his M.Sc. degree by research. He accordingly requests that his M.Sc. degree by research may be taken as equivalent to a I or II class M.A., & B.A. (Hons) degree and the rules read enabling him to be appointed as an Assist Lecturer. The D.P.I. supports the request.

4.In the circumstances stated by the petitioner, the M.P.S.C. perhaps be consulted as to whether it has approved the selection of candidates with M.Sc. degree by research, for posts of Assist.Lecturers or Professors and whether in the present case, it would consider the candidate's M.Sc. degree by research as equivalent to a I or II class M.A. entitling the candidate to be appointed as an Asst.Lecturer or Professor. Subject to orders, a draft letter is submitted for approval.
