Education & Public Health Dept
Fort St. George, Madras.

No.2/41-Mis. Dated 18-10-1947.

Sir,

Sub: Deputy Overseer - Permanent retention of
the post - Requested.

Ref: G.O.No.Ms.2430 Eān., dated 20-12-1946.

I have the honour to state that the sanction accorded in the above G.O. for the continuance of the post of Deputy Overseer expires on 11-11-1947.

2. There is neither the remote chance of a major portion of the machines being erected in one hall nor for the reasons already explained in detail in my letter No.2/41-Mis dated 11-11-1946 is it physically possible to exercise even nominal control over the huge staff of men employed there in the matter of extraction of proper out-turn etc., both in quantity and quality without detriment to the interests of public service. Unless the above post is added to the supervising staff as a permanent measure the management of this most important branch of the Press administration is bound to become chaotic.

allegre
Superintendent.

note of E.P.H on p.1 above. The existing sanction
the temporary post of Deputy Overseer in the
at Press originally sanctioned in G.O. 1542 P.H.
dated 12-11-43 and continued from time to time, expires on 11-11-47.
When the post was last continued it was ordered
that the need for the further continuance of the
post should be re-examined as soon as the
major portion of the machines are shifted to
the main machine room and a report made
to Govt. The Supdt. Govt Press now states
that there is ^{no} remote chance of ~~a~~ a major portion
of the machines being erected in one hall and
he proposes that the post may be retained
on a permanent basis. E.P.H agree to the
proposal of the S.G.P in view of the recommendation
of the Cabinet Salaries Committee that temporary
posts should not be retained indefinitely on a
temporary basis, but should be made permanent,
soon as it is felt that they will be required
for the normal working of the concerned dept.
The following remarks are called for in this dept.

The post of Deputy Overseer referred
in the file has been in existence for about
four years. The reason given by the S.G.P at
on p.1 Cf does not seem to be convincing to
the temporary post permanent. The recommendation
Salaries Committee referred to at 'P' above
not necessarily mean that the post should
straightaway made permanent. The necessity
the permanent retention of a temporary post
be judged in the light of actual experience
and it was only after a detailed examination

of the subject, a general principle was laid down in 1937
no proposals for making any temporary establishment permanent
should be taken up for consideration until the establishment
had been in existence continuously for five years. It does
not seem to be the intention of the Salaries Sub Committee
referred to at 'P' on p.3 above, to set aside the above
principle. The Retrenchment and Reorganisation Committee
are going to examine the need for the existence of the
several temporary posts in all the departments of the Govt.
and the ~~last~~ ^{late} Reorganisation and Retrenchment Committee have
suggested that no new post whether permanent or temporary
should be created in any department, save under exceptional
circumstances, until the Committee has made its report and
orders of Government were passed thereon. The Government
accepted the suggestions and instructions were issued in
that ~~regard~~ ^{regard} in G.O. 918 Pub. (Ser.) dated 22-3-47. The
Reorganisation Committee (newly constituted) is likely to
evolve some general principle, as in 1937, for making
temporary posts permanent. The permanent retention of the
temporary post proposed in this file amounts to the creation
of a permanent post and it will have to wait till the
Retrenchment and Reorganisation Committee completes its
review and evolves the principle to be followed in such
cases. Even then the question of making any temporary
permanent has to be examined on its merits taking all
relevant factors into account. This Department may, in
meanwhile, perhaps agree to the further retention of the
on a temporary basis for one year beyond 11-11-47.

With the above remarks the case may be returned

E.P.H.

As: 6.11.47 8.11.47

Sanction may be accorded for
retention of the post for a period of
year from the date of expiry of the present
the question of its permanent retention may
await ^{the general} examination of the by the R & R Committee
of the need for the temporary posts in the
several depts and the necessity for their conversion
into permanent posts.
