R.O.C.No.7423-W3/46 dated 23rd September 1946.

Sir,

WAR--Civil Government Servants--Service in the Indian Red Cross Welfare group--Classification of duty--Orders requested.

56485

I have the honour to state that certain civil Government servants of this Department were deputed to serve under the Indian Red Cross Welfare group. The Accountant-General, Madras was consulted in the matter as to whether this deputation may be treated as one under the Defence Department or under the Foreign service, requiring the sanction of Government as in the case of deputation to the Indian Canteen Corps. The Accountant-General reported that the Red Cross is not a military service and that the deputation to Indian Red Cross Welfare Group should therefore be viewed as on Foreign service requiring the sanction of the Government. In their Memorandum No.41495-C.S.R.9 Finance Department dated 27.5.1946, the Government have however ordered that the employment of the civil Government servant in the Indian Canteen Corps should be regarded as deputation for service from one Government Department to another and have cancelled their previous orders on the subject.

(2)

I have the honour to request you to let me know, whether service in the Indian Red Cross Welfare Group may also be treated as deputation for service from one Government Department to another treating the above service as analogous to the service in the Indian Canteen Corps or whether that service should be treated as Foreign Service.

I have the honour to be,
Sir,
Your most obedient servant,

For Director of Public Instruction.

Sir,

I am directed to refer to your letter No.56485-A-2-Edn dated the 26th October 1946, and to say that the matter was referred to the "Indian Red Cross Society, Kelvin Grove, Simla", a copy of whose reply is attached herewith.

I am, Sir,
Your most obedient servant,

Under Secretary to the Government of India.

"Service in the Indian Red Cross Welfare Service was technically not Government service under the Defence Department, because the employer of this Service, the Central Joint War Committee of the I.R.C.S. and S.J.A.A., was a purely voluntary and unofficial body which, in practice, served as a medical auxiliary to the Armed Forces of India and had its relations with the Govt. of India through the Defence Department. The employment of certain servants of the Madras Government, whether permanent or temporary, in this Service was therefore not 'deputation' in the sense that the Central Government becomes liable for meeting a share of their leave and pension charges. Nor, on the other hand, could the Central Joint War Committee (now dissolved) admit that it obtained these Madras Govt. servants on 'foreign service', because it had at the time of their recruitment no knowledge that these were Madras Govt. servants, nor accept liability for leave and pension contributions on their behalf; and it is only if the Committee had accepted such liability in consultation with the Government of Madras (which it would never have done) that 'foreign service' would be technically established. The best way out of this dilemma would seem to be that the Govt. of Madras should regard these persons as having been constructively lent on foreign service terms but remit all the usual contributions during the period of their loan. This would do justice to the individuals who undertook what was in effect "war service in a unit with liability to serve overseas", since they seem to be deserving of as much consideration as is apparently proposed to be given to Civil Govt. servants who joined the Indian Canteen Corps."

With reference to your No. Rc.7423/46 dated 7th July 1947, I regret I am unable to give you any definite date of when Miss Soumini will be able to revert to her posting in the Education Department.

below

2. I enclose a copy of my No.19/W/189 dated 26th May 1947, addressed to the Principal, Lady Willingdon Training College, Triplicane, Madras but since writing this letter we have now heard that all troops in Japan have commenced returning to this country and will be back in India by the end of August. We have actually no definite information of the date when Miss Soumini will return to India but expect she will accompany the last batch of troops when the hospital returns to India.

3. She will be due earned leave on her return to India and is at liberty either to continue in her post with the Indian Red Cross in which there will still be a vacancy available for her or could, if she selects, revert to her school in teaching work. This is a matter for her to decide.

4. As soon as I have any definite information of the date of Miss. Soumini's return, I will communicate with you.

Dear Madam,

With reference to your letter No.208/45-A dated 7th May'47, addressed to Secretary, Red Cross Welfare Service, Madras, will you please note that Miss P. Soumini has been posted to B.C.O.F., Japan, as a General Service Welfare Officer, She will remain there for as long as her services are required and I regret I am unable to give you any definite time by which she will be returning to India. The position depends entirely for how long our Indian troops will remain in Japan. If, however, Miss Soumini should wish to return to India, she is at liberty to do so provided she gives us 3 complete months' notice before she resigns.

Yours faithfully,

Copy of application dated 15-9-47 from Miss P. Sowmini.

With reference to your No.Rc.7423 W3/46, dated 7th July 1947, addressed to the H.Q. Red Cross, Simla, regarding my stay in Japan, I hasten to say that I will be able to reach India to rejoin the Educational Department only some time towards the middle of November.

I am made to understand that at the directions of the Australia Red Cross Commissioner and the C.O. of this hospital, under whom I wor I am to leave Japan only with the rear party, which is to leave here by 'Dilvara' expected to be in on or about the 18th of October.

I have loved my work with the Red Cross and feel sure and appreciated too. I would therefore, if possible, like to be away from the Educational Department for another short period, i.e. in case it does not hinder in any respect the services I have already put in it. I shall be very grateful to you if you could help me towards it.

Previous Finance note on p.2 C.F.

A copy of the letter from the Indian Red Cross Society on p.5 C.F. may be perused. As the Society is not part of the Defence Services Department, this Department may suggest that the loan of services of the employees of this Government may be ~~xxxx~~ ordered to be on foreign service terms.

The Red Cross Society has stated that the contributions towards leave salary and pension in respect of the staff lent cannot be borne by the Society as it has not accepted any liability to pay such contribution. The Society was not aware that the persons concerned were Govt. servants. It has suggested that the payment of contributions might be waived by the Madras Government.

According to clause (c) under F.R. 115 contribution towards pension and leave salary should be paid by the Government servants, themselves unless the foreign employer consents to pay them. The Govt. servant accepted employment under the Red Cross Society without settling the terms on their own responsibility. As the Red Cross Society has not agreed to pay such contributions, the Govt. servant may be asked to pay the necessary contributions in respect of their service under the Red Cross. There is no reason to waive the contribution as [illegible] on p. [illegible] F. The anology drawn between th[illegible] ~~Indxxxxxxx~~ Indian Canteen corps and the R Cross Society is not sound as the former is a branch of t Defe[illegible] Dept. while the latter is not.

Please see the previous Finance note on pp.1-2 above and the notes following.

The following statement shows in one view the increased emoluments drawn by the Govt. servants during the period of deputation and the contribution recoverable towards leave salary and pension.

p. 2 above

Name	Increased emoluments drawn. Rs	Contribution recoverable. Rs.
1. Mrs.B.I.Stephens	52/-	63- 4- 0
2. Mrs.I.P.Prasad	1044/-	452- 4- 0
3. Miss P.Sowmini	2068/-	959-15- 0

5. Miss S.Kanthalakshmi	2345/-	620- 6- 0
		2814-13- 0

As the amount involved is large there seems to be no sufficient justification for waiving the recovery of the entire amount of contribution. In view of the fact that most of them who were on deputation have drawn increased emoluments, this department may suggest that the Govt. servants mentioned in items 2 to 5 may be asked to pay the necessary contribution in respect of their services under the Red Cross and that the recovery of contribution from Mrs. Stephens may be waived.

Who was responsible for this excess payment? What are the rules under which it was paid?

It is submitted that there was no excess payment as such. What happened was this. The five officers of the Edl. Subordinate service referred to on page 2 ante were deputed to serve under the Indian Red Cross Welfare Group and got some higher pay in their new jobs. The D.P.I. asked the A.G. whether the deputation could be treated as one under the Defence dept in which case no recovery of leave and pensionary contribution is necessary or under "Foreign service" in which case recovery of leave and pensionary contribution would be necessary. The A.G. replied that service under the Indian Red Cross Welfare Group should be treated as under "Foreign Service". The Govt. of India ~~was~~ were then addressed. They stated that service under the Indian Red Cross Welfare Group was not technically Govt service under the Defence dept but suggested that in the

2. Miss Soumini was recruited to the wartime service of the Indian Red Cross and St. John War Organisation in September 1945, and on closure of this Organisation was permitted by the Education Department to continue in service with the peacetime section of the Indian Red Cross Welfare Service up to the present day. She was however recently intimated to rejoin her duties in the Education Department under the terms of the Departments rules and regulations otherwise she would forfeit her pension and other claims in her Education service.

3. Throughout her period of Service Miss Soumini has done outstandingly good work and for her work with the Prisoners of War and the Indian Troops in Hospitals in Japan she was particularly commended. Her tact and sympathy with the patients and her conscientiousness and high sense of devotion to duty have made her stand out as one of our best Welfare Officers and we would be sorry to lose her now.

4. I would therefore request you Sir to give this matter your sympathetic consideration and agree to placing Miss Soumini again on deputation with the Indian Red Cross Welfare Service with option to revert to her appointment with the Madras Education Department on her release from this Organisation.

An early reply is requested.

Yours faithfully,
