Re. No. 8092 D2/46 dated 4th August 1947.

Sir,

*SUB:- Grant - Building - George High School, Kallidai Kurichi - Building extension - Construction of.

Ref:- G.O.No.2130 Edn., dated 9-11-1946. (14-154)

ENCLOSURES

SPARE COPIES

With reference to the instructions contained in the G.O. quoted above, the management of George High School, Kallidaikurichi, submitted an application for aid towards the construction of school building together with detailed plans and estimates. The Consulting Architect who scrutinised them has stated that the plans and estimates are in order and that the estimate as revised amounting to Rs.39,700/- may be recommended for purposes of grant.

2. The Correspondent requested permission to proceed with the construction of the building without prejudice to the sanction of the building grant. As the plans and estimates have been scrutinised by the Consulting Architect, the management is being permitted to proceed with the construction without prejudice to the sanction of grant.

3. In the above circumstances, I request that Government may be pleased to permit me to place the above scheme on the approved list at an estimated cost of Rs.39,700/-

I have the honour to be,
Sir,
Your most obedient servant,

J. N. A. S. S. S.
for Director of Public Instruction

4
The Institution was started 60 years back. The curriculum of
studies was nationalised in 1921 and that led to the Government
insisting upon the return of the Building grant received years back.
The Management protested against the demand of the Government on the
ground that the Buildings were out to no use other than that of
imparting education and that the Government were not entitled to
demand the repayment merely on the ground of nationalising the
curriculum of studies.

Application for the refund of the amount was put in and the
Government in their Proceedings No.2130 E.D.M. dated 9-11-46 as
communicated by the Director of Public Instruction in his Dis.No.
729 D1/46 dated 18-11-1946 have stated that the request for refund
could not be complied with and that application for half grant might be
put in for the construction of buildings and the purchase
of equipment necessary to obtain permanent recognition for the school.
The need for providing more accommodation was pressed by the D.P.I.
from time to time. Left to ourselves the management would have put up
cheap buildings but the Government would not allow us to do so with
the result of our being called upon to shoulder heavier expenditure
in putting up pucca structure. In the ~~other~~ year 1945, an expendi-
ture of Rs.7000 was incurred to construct the Southern Block of rooms.
And then Rs.10000 came to be spent in 1946 for constructing four class
rooms on the first floor of the Main building. The Management provided
the equipment for the opening of the IV and V Form Classes being put
to it to declare that every thing has been found by the Management to
secure the permission of the D.P.I. to open a particular Form or Forms.
On this score, the Management has spent Rs.20000 besides investing
Rs.10000 in National Savings certificates for the Endowment Fund
insisted upon by the Department from time to time. All these were
met by collections from the public.

A
It was under these circumstances that the Rs.39700 scheme
came to be approved by the Government for half grant but for which
we would not have spent more than Rs.18000 in putting the ground floor
of the Eastern Extension and the stair case which form part and parcel
of the Rs.39700 scheme approved for inclusion in the list of special
grants. Nor it is possible for us to complete the construction with-
out the half grant promised by the Government since the finances of the
management would not permit of spending huge sums on buildings

without Government grant in view of the pressure to build up the endowment fund almost from a scratch and the necessity to meet various kinds of expenditure and the deficit recurring year after year. The Management is pressed to provide more playing space and sanitary conveniences as also the compound wall to prodigious cost, replying entirely on the munificence of the public.

I request that the above considerations still be taken into account since the construction of the approved Rs.39700 scheme has been taken on hand on definite promise.

Re: Tilak Vidyalaya - Kulladakurichi (Tinnevely Dt.) -
Special consideration of application for building
grant requested.

Sir,

The institution was started 60 years ago. The curriculum of studies was nationalised in 1921 and that led to the Government insisting upon the return of the building grant received years back. The management of the Tilak Vidyalaya, i.e., the VIDYA SANGAM, protested against the demand of the Government on the ground that the buildings were put to no use other than that of imparting education and that the Government were not entitled to demand the repayment merely on the ground of nationalising the curriculum.

An application for the refund of the amount was put in and the Government in their proceedings, No.2130 F.D.M., dated 9-11-46 as communicated by the Director of Public Instruction in his D.Dis.729-D/146 dated 18-11-46, have stated that the request for refund could not be complied with and that application for half grant might be put in for the construction of buildings and the purchase of equipment necessary to obtain permanent recognition of the school. The need for providing more accommodation was pressed by the D.P.I. from time to time. Left to themselves, the Management would have put up cheap buildings, but the Government would not allow ~~us~~ them to do so, with the result that they are being called upon to shoulder heavier expenditure in putting up pucca ~~structure~~ structure.

In the year 1945, an expenditure of Rs.7,000 was incurred to construct the southern block of rooms. And then, Rs.10,000 came to be spent in 1946 for constructing four class rooms on the first floor of the main building. The Management provided the equipment for the opening of the IV and V Form classes being put to it to declare that everything has been found by the management to secure the permission of the D.P.I. to open a particular Form or Forms. On this score, the Management has spent Rs.20,000 besides investing Rs.10,000 in National Savings Certificates for the Endowment Fund insisted upon by the Department from time to time. All these were met by collections from the public.

It was under these circumstances that the Rs.39,700 scheme came to be approved by the Government for half grant but for which we would not have spent more than Rs.18,000 in putting up the ground floor of the Eastern Extension and the staircase which form part and parcel of the Rs.39,700 scheme approved for inclusion in the list of special grants. Nor it is possible for us to complete the construction without the half grant promised by the Government since the finances of the Management would not permit of spending huge sums on

Grant-Building-George High School, Kallidaikurichi-
Construction of building for the school--Inclusion
in the list of approved works-Sanctioned.

From the D.P.I., Re.No. 8092 D2/46 dated 4-8-47.

Order.Ms.No. 2537 Education dated 27.11.47

In the circumstances stated, the Govt. sanction as a
special case, the inclusion in the list of approved works,
of the scheme for the construction of a building for the
George High School, Kallidaikurichi, at an estimated cost
Rs.39,700/-

While this approval does not convey any guarantee of
grant, it will render the institution eligible for a half
grant not exceeding Rs. 19,850/- under the provisions of the
Grant-in-aid Code, if and when funds become available
provided that all the conditions prescribed in the Code
are duly complied with.

4 - NOV 1947

Edn. & P.H. (B1)

In pursuance of G.O. No. 2130 Edn. dated 9-11-46 the correspondent of the George High School, Kallidaikurichi has applied to the D.P.I. for a half grant ^{towards the cost} for the scheme of extensions for the George High School, Kallidaikurichi. The representation from Srimathi Lakshmi Ammal, M.L.A., also relates to the same scheme. The D.P.I. has reported that the plans and estimates of the scheme have been scrutinised by the Consulting Architect and that the management of the schools has also been permitted to proceed with the work without prejudice to the half grant from the Government. He recommends that the scheme may be included in the approved list.

According to the restrictions imposed in G.O. No. 1915 Edn. dated 9th December, 1941, no grant should be made to this institution unless a special case has been made out that a grant is essential to the institution-i.e. the management is not in a position to meet the cost entirely from its own funds. The D.P.I. has ~~already~~ reported that ~~this is a deficit institution and that the financial position of the management~~ is not such as would enable it to carry on without a half grant from Government. It may therefore be taken that a grant is essential and that a case is made out for special grant.

3. According to Govt. Memo. No. 61717/47-B1-6 Education dated 1-10-47 the D.P.I. had submitted a consolidated list

inclusion in the list of approved works. The scheme in question was also included by the D.P.I. in the list sent by him.

The scheme was, however, not included in the list of approved works as it was ordered that no boys' school should be included in the approved list. Vide G.O.No.2267 Edn. dated 27-10-47.

In order to distribute the available funds to a larger number of institutions H.M.(Edn.) has ordered in another file that the maximum grant payable to each scheme may be limited to Rs. 30,000/- As the scheme in question has been estimated by the Consulting Architect at Rs. 39,700/- the scheme will be eligible for a maximum grant of only Rs. 19850/-

Attention is also invited to the minutes of H.M.Edn. on page 3 of G.O.No.2130 Edn. dated 9-11-46. In the circumstances, it is for consideration whether the scheme may be included in the list of approved works as a special case.

The file may be circulated to H.M.(Edn.) for orders with reference to his minutes on page 1 ante.

Handwritten: The 8.11.47
18.11.47
9.11.47
Attention is invited to the concluding para of the representative on page 11 C7 and the minutes of H.M.(Edn.) on page 3 of G.O. In the circumstances and in view of 'A' on page 1 ante the case proposal may be included in list of approved schemes as a special case. For orders.
