The E.E. fund budget of the Tel. el. Tiruppur, for 1947-48 was expected to open with a balance of Rs. 16,280 and to close with a surplus of Rs. 3070. The actual opening balance on 1-6-47 was Rs. 22,149. The Council was not paid any subsidy towards the payment of dearness allowance to the E.E. staff last year. Revised with reference to the actual opening balance, the budget will be expected to close with a surplus of Rs. 8939.

2. The Council has to incur an additional expenditure of Rs. 6700 on the revision of scales of pay. It has not yet been permitted to pay advance increments to the E.E. staff. If the advance increments are also allowed the additional expenditure will increase to Rs. 9200. If provision is made for this amount the budget will close with a deficit of Rs. 261. L.A. may be requested to state whether the small amount of Rs. 261 can be met by a further adjustment of a like amount from the general account. If this is not feasible the Council may be asked to avoid the deficit by effecting savings under the head 'Contingencies'. There is no need to enhance the rate of education Tax for the present.

3. L.A. may see for remarks.

2. The pay revision ^{see teachers} will
 cause a recurring deficit of
 Rs. 7886/- in the E.E. Edu. Account.
 and the General Account cannot
 afford to increase the recurring
 contributions to the E.E. Edu. Fund
 owing to the revision of scales
 of pay to the General staff. The
 total rate of property tax (including
 Education Tax) in this mty. is
 18³/₄% per annum. There is no
 need to increase the rate of
 Edu Tax in the current year.

The question of increasing the
 rate of Education Tax will have
 to be considered in connection
 with the B.E. for 1948-49. With
 these remarks the file may be
