MUNICIPALITY SCHOOL TEACHERS UNION,
No. 27/

From

The municipal Elementary School Teachers, (4)
Tiruvannamalai.

To

The Secretary,
Government of Madras,
Educational Department,
Madras.

Through

The Commissioner,
Municipal Council,
Tiruvannamalai.

Most Honoured Sir,

We the undersigned teachers beg to bring to your kind notice and consideration the following few lines for favour of Justification and orders.

The Elementary School teachers of this municipality are paid up with Government scales of pay from 1932 onwards namely 23-2/2-45 for higher elementary grade trained teachers and Rs 20-1/2-30 for lower elementary grade trained teachers.

In the year 1942 when Sri. Venugopal Naidu was the commissioner of this municipality placed a resolution before the then council that the elementary school teachers have to be paid the Director scale of pay considring the situation of finance. The same resolution had been passed by the then Council.

Then we made an appeal to the Government of Madras on this subject for which the Government has ordered this municipality to adopt the Director scale for elementary school teachers who have been entertained in the year 1942 after the date of the Council's resolution and Government scales of pay for those drawing from 1932 onwards.

P. T. O.

We are put in services of 25, 20, and 18 years service. Among us one mistress is drawing the maximum of Rs 45/- for the past 4 years. The rest are drawing Rs. 41/- + 39/- respectively. We have to retire in the course of 1, 3, and 8 years to come.

The present scales of pay (i.e.) Rs 30/- to 45 for higher grades and Rs. 23/- to 33/- for lower grades under local bodies are in no way be benificient to teachers like us who are already drawing Rs.45/- in these hard days.

Hence we most humbly request your honour to consider sympathetically our above said grievances and pass favourable orders to this municipality to give effect to draw the Government scales of pay revised recently for teachers in Government Service.

The tamil copy of this memorandum duly signed by all the elementary schools teachers of this municipality is enclosed herewith for your perusal.

Most Honoured Sir,

We the undersigned teachers beg to bring to your deep and kind consideration the following few lines, for favourable orders.

We are higher elementary grade teachers with 25 ~~and 15 years of~~ service and even more.

When the scale of teachers salaries were revised in 1932, this Municipality adopted the then Govt. scale of Rs.23-2/2-45 and Rs 20-1/2-30 for higher and lower elementary grade teachers respectively, and we are drawing our salaries upto this date as per this scale from 1934. We are now getting Rs.39 and Rs.37/- except one Mrs. Ponnammal who is now drawing Rs.45/-.

The present revision of salaries made in June 1947 for teachers are increased by 50% both in the minimum and in the maximum; which bring no benifit to the teachers who are put in long services and who have been entertained in the scale of Rs.23-2/2-45 from 1934.

The scales now revised for a lower grade teacher is from Rs.20 to 23 in the minimum and Rs. 30 to 33 in the maximum thereby making an increase of Rs.3/- both in the minimum and maximum. The scales of pay for a higher grade teacher of long service, who has been entertained in the scale of Rs.23-2/2-45 is revised Rs. [illegible] the minimum and Rs.45 to nil in the maximum, and for higher grade teacher who has been entertained in the scale of Rs. 20-1/2-30 from Rs.20 to 30 in the minimum and Rs. 30 to 45 in the

Rs.30 to 45 in the maximum. This scale has not brought any benefit for the long servised teachers (i.e. 30 in numbers out of 56 in this Municipality) in the maximum ~~who have~~ been entertained in the scale of Rs.23-2/2-45.

Hence we request your honour to be good enough to include the difference of Rs.71- caused to us in the minimum and the increment as per calculation of services in addition to what we are drawing now (i.e. Rs.33 and Rs.37) or to modify the scale of RS.23-2/2-45 as Rs. 35-1-55.

We the following signatories beg to place before you the following memorandum for your very kind and sympathetic consideration and favourable orders.

The Commissioner, Tiruvannamalai Municipal Council in his order No. E2 -2207/47 dated 23-6-47 has stated that the Government in their order No. 1154 Education dated 5-6-47 have passed orders that the scales of pay of teachers in the Elementary schools under local bodies will be revised and given effect from 1st January 1947 and that necessary orders will be issued from his office in due course.

It is now nearly four months since we received the above communication but no order giving effect to the revision of scales has yet been passed; whereas the teachers working in Panchayat and other aided schools are being paid as per revised scales.

A bonus of one month's salary was given on 14-8-47 to all Municipal employees but not to the teachers because it was said that the teachers would be getting a revised scale of salary.

We have been waiting till now and since there are only two months more, we are afraid we may get another order stating that there is no possibility of giving the revised scale for want of funds in the municipality. Hence we humbly request you to kindly pass orders immediately and to expedite payment of the promised revised scales of pay from 1-1-1947.

This Council requests the Government not to order the levy of this additional tax as the existing rate of taxation is already very heavy and that further levy of tax will be havasing the public.

The Government is also requested to sanction the extra expenditure by means of grant and it is therefore requested that this order may be cancelled.

not put up

In G.Os. No. 975 Education dated 10-5-1947 and No. 1154 Edn. dated 5-6-1947, the Government sanctioned the introduction of revised scales of pay for teachers in elementary schools under local bodies as from 1-1-1947. It was ordered that the pay of each of the existing incumbents should be fixed in the revised scale at the stage next above the aggregate of his pay in the existing scale of pay and his temporary additional pay or personal pay, if any, whether such aggregate represents a stage in the revised scale or not. If such aggregate is less than the minimum of the revised scale, his pay should be fixed at such minimum. These orders have not benefitted appreciably to teachers who have put in long service under local bodies.

2. Government have now re-considered the question whether teachers in the service of ~~District Boards and~~ the Municipal Council, Tiruvannamalai should not also be given weightage for their service in the scales existing prior to 1-1-1947 as in the case of Government servants, and have decided that weightage should be given to ~~district board and Municipal employees in respect of such service.~~ Orders regarding weightage in respect of employees paid from general funds have been issued, in G.O.No. 1422 L.A. dated 19-8-47 in the case of certain local bodies. The teachers.

3. In partial modification of the orders in para 1 of G.O.No. 975 Edn. dated 10-5-47 the Government direct that the initial pay of teachers employed in elementary schools under the ~~district boards specified in the Appendix and~~ municipal councils Tiruvannamalai ~~specified in the Appendix~~ shall be re-fixed in the revised scales in accordance with the following provisions, namely:-

(a) his pay shall be fixed in the revised scale at the stage next above the aggregate of his pay in the existing scale and his temporary additional pay, if any, whether such aggregate represents a stage in the revised scale or not;

(b) if such aggregate is less than the minimum of the revised scale, his pay shall be fixed at such minimum;

(c) after his pay is fixed under clause (a) or clause (b) as the case may be, he shall be granted advance increments in the revised scale as specified below:-

(i) for a service of 4 years and more but less than 8 years in the existing scale -- ONE ADVANCE INCREMENT

(ii) for a service of 8 years and more but less than 12 years in the existing scale. -- TWO ADVANCE INCREMENTS.

(iii) for a service of 12 years and more but less than 16 years in the existing scale --- THREE ADVANCE INCREMENTS.

(iv) for a service of 16 years and more in the existing scale -- FOUR ADVANCE INCREMENTS.

(d) where an employee is granted any advance increment or increments under clause (c), only service from the date on which such advance increment or increments are given, shall count for further increments in the revised scale.

(e) an employee not eligible for any advance increment under clause (c)

P.T.O.

shall be allowed to count service in the existing scale of pay for increments in the revised scales of pay up to a maximum of one year.

(f) If the aggregate of his pay in the existing scale and his temporary additional pay is higher than the maximum of the revised scale, his pay shall be fixed at such maximum and he shall draw the excess as personal pay.

(g) Except in cases falling under clause (f) the pay fixed for an employee in the revised scale shall in no case exceed what would have been admissible he had been in service in the revised scale from the beginning of his service.

(h) An employee whose pay in the existing scale of pay is affected adversely on account of the operation of clause (g) by his electing to enter the revised scale, shall have his pay fixed with reference to Fundamental Rule 22 and service rendered at the present stage of pay in the existing scale which has not been counted for increment shall count for increment in the revised scale upto a maximum of one year.

NOTE: 'Service in the existing scale of pay' in relation to any post, means service in such post up to and inclusive of the 31st December 1946, exclusive of (1) temporary appointment or promotion and (ii) service which has not been, or may not be, counted for increments in any scale of pay applicable to the post at the time.

4. The additional expenditure involved on account of the grant of advance increments should be met entirely from the elementary education fund of the local body concerned. No subsidy will be paid by Government to local bodies towards the deficit which may be caused by the grant of advance increments to teachers.

Sir,

Vide para 4 at p. 35 of Ⓐ

I have the honour to invite your attention to the G.O. quoted above and to state that the loan of Rs.2000/- was paid to Tiruvannamalai Municipality on 26-1-48. The Commissioner of Tiruvannamalai Municipality has intimated this office that the above loan will be refunded in full in this year itself together with interest up to the end of this year. As it is stated in the G.O. that penal final interest will be charged at 7½% per annum on the instalments if they are not paid before the 31st March in each year: it is presumed that the date on which the repayment of the first instalment of loan is due to Government is 6-1-49 and not 31-3-49. This may kindly be confirmed.

Yours faithfully,

The E. E. Fund budget of the Mpl. cl. Tiruvannamalai for 1947-48 was expected to open with a balance of Rs. 1220 and to close with a deficit of Rs. 2580. The Council was not paid any subsidy towards the payment of dearness allowance to its E. E. staff last year. The actual opening balance on 1-4-47 is Rs. 2003. Revised with reference to this, the budget is expected to close with a deficit of Rs. 1797.

3. The Council levies education tax at 4% p.a. on the annual rental value of properties and thereby derives a net income of Rs. 13,500. If the rate of education tax is enhanced by 1% with effect from 1-10-47 it would fetch an additional income of Rs. 1688 during the current year and an additional income of Rs. 3375 p.a. The council levies property tax at 20%, which is the conventional limit laid down by L.A. for a municipality of this type. It is now necessary to provide funds for the additional expenditure. L.A. may be requested to advise whether the rate of education tax

As such no additional contribution from the general account to the E. E. Fund is possible.

5. If the rate of educational tax cannot be increased as suggested in para 3 above, a subsidy of Rs. 1797 may be paid from the Provincial funds so as to cover the deficit due to the payment of dearness allowance and an advance of Rs. 7800 may be granted towards the additional expenditure on revision of salaries and grant of advance increments.

The B.E. of the Council for 1947-48 when revised with reference to the actual opening balance outturn closes with a balance of Rs 7894. The Council has to pay a bonus of Rs 2002 to its staff as revised scales of pay have not been introduced in the municipality. If this is done the closing balance under general funds will be reduced to Rs 5892 which is less than the prescribed minimum working balance. ~~This may be adjusted~~ ~~to the subsidy fund towards the extra cost. The balance of Rs 3744 required in the E.E. fund may be paid as an advance~~ from Govt. There seems no need to ~~enhance the~~ rate of edn tax in ~~the~~ current year. though the rate of tax on property (20% in all) is high. The rate of Edn tax 4% p.a. already levied is ~~also~~ also high. This dept may agree as a special case to the proposed increase in the rate of Edn tax by 2% p.a from 1.10.47. Even after this ~~e~~ increase is made, the E.E. Fund will not be self-supporting. ~~This~~ The cost of giving advance increments to teachers in 1947-8 is stated as 5,484. In the case of such mpties as this, this dept may suggest that the grant of advance increments shd not be ~~granted~~ sanctioned till ways and means are actually found to finance the extra cost. The grant of advances in such cases is undesirable, as the local bodies will not be able to repay the advances and as more and more advances will be necessary every year without any possibility of repayment.

Revised with reference to the actual opening balance on 1.4.47, the E.E. Fund Budget of the Tiruvannamalai Municipal council is expected to close with a deficit of Rs 1797. E&PH propose to pay a sum of Rs 1800 as subsidy for payment of dearness allowances.
