Karaikudi-1946-47-special authorisation to draw the
grant during 1947-48-Requested.

dated 9-1-47.

Books to the value of Rs. 255-14-0 were purchased under the sanction accorded in the above Government order and bill with the relative vouchers were sent to the Treasury Officer, Ramnad on 28-3-47 late fee paid. The Treasury officer returned the bill on 31-3-47 stating that the vouchers said to have been sent along with the bill were not received. Immediately the bill was returned stating that the vouchers were sent along with the bill and the Treasury officer was requested to make a careful search and pass the bill for early payment. On 4-4-1947 the Treasury Officer returned this office N. Dis. Endorsement dated 31-3-47 on 11-4-47 stating that as the vouchers which were received late, were returned to this office for presentation with the bill and that as the financial year has since been closed the amount of the bill could not be adjusted now. The facts of the case is that the bill was sent to the Treasury Deputy Collector along with the vouchers intact on 28-3-47, and without verifying whether the vouchers were received or not the bill was returned by the Treasury Deputy Collector. The reason for delay in sending the bill was that the list of books formerly approved by the District Educational officer were revised and got approved by him again and his approval was received only on 24-3-47. Quotations were obtained and books were purchased on 26-3-47 and the bill was sent to Treasury officer on 28-3-47. The entire file of correspondence with bills and vouchers is sent herewith for perusal. I therefore request that a special authorization may kindly be issued for disbursing the grant during the current financial year.

Karikudi - Lapsed Grant - Reallotment - Requested.
REF: Letter Rc.No.B.1.5270/46 dated 23.7.1947 from
the Commissioner, Karaikudi Municipality.

SUBMITTED.

2. It is seen from the file of papers sent by the Commissioner Karaikudi Municipality that he was not at fault in not having drawn the grant in time, though he need not have delayed the matter to the very end of the official year. Books to the value of Rs.205.14.0 have been purchased within the official year 1946-47 and added to the library. It is therefore recommended that a half grant of Rs.127-15-0 may be sanctioned fresh from the current year's allotment.
