of the Report
p 17 CF (A)

In their Order cited above, Government sanctioned from 1st April 1946, the employment of a Personal Assistant to each of the 26 District Educational Officers. In G.O. No.818 Education dated 16-4-46 sanction was given for the employment of an additional District Educational Officer in each of the Guntur and Tinnevely Districts, but the question of employment of Personal Assistants to these District Educational Officers was deferred for consideration till after the receipt called for in para 2 of G.O. under reference (No.672 Edn., dated 28-3-46). The work in the office of the District Educational Officer, Guntur South, newly formed office, has been on the increase since its formation and there is a definite need for the appointment of a Personal Assistant to the District Educational Officer to enable him to devote more of his time to executive work as in the case of other District Educational Officers - The District Educational Officer reports that 9 additional secondary schools have been opened during the year making a total of 21 secondary schools in the District. The work connected with recognition and annual inspection of these schools and that connected with.....

the extension of compulsion and midday meals will necessitate the absence of the District Educational Officer from Headquarters for a longer period than before. In the circumstances explained above and in the interest of efficiency, I request that Government may be pleased to sanction the post of a Personal Assistant to the District Educational Officer, Guntur, by transferring the post of the Personal Assistant to the District Educational Officer, Madras. This recommendation is made in view of the fact that the District Educational Officer, Guntur needs urgent relief and that the work in the Office of the District Educational Officer, Madras is comparatively less when the question of sanction of grants to aided Elementary Schools is considered. and the District Educational Officer, Madras whose jurisdiction is small and compact should be able to manage the work without a Personal Assistant for the present.

The creation of a separate post of Personal Assistant to the District Educational Officer, Tinnevely may be considered after the receipt of report called for in G.O.No.672 Education dated 28-3-1946.
