No.2157-4/47 dated 23rd Sept. 47.

Sir,

Sub: Government Museum- Zoological gallery-
partitioning of show cases with screens
made of ply wood sheets - purchase of
ply wood sheets - sanction - requested.

In inviting a reference to G.O. Ms.No.528 Edn.
dated 17-3-47 (copy enclosed) I have the honour to
submit that the work of partitioning the five show
cases in the Birds' gallery and making a teakwood
frame for the Geological map had to be suspended then
as the Contractor stated that there was barely a week's
time before him and pleaded his inability to complete
the work before the end of the financial year i.e.
31st March 1947. Subsequently the same contractor
when questioned again told us that it would not be
possible for him to undertake the work at the same
rate quoted by him previously since the cost of the
plywood was rising day by day. There was no other
way left to us but to call for fresh tenders.
Instead, it is now considered best to get the plywood
sheets purchased by ourselves and then ask the
contractors to quote their rate for making the required
number of partitions in teakwood frames and fixing
them in show cases. Accordingly quotations were called
for from Plywood Manufacturing Companies of which,
Messrs. Standard Furniture Company Ltd., Kallai,
S.Malabar is the only Company who have quoted at Rs.4/-
per piece of 30" X 27" X 1/4" (6 mm) thick plywood
made of Pali excluding charges for delivery packing
booking and Sales tax which are extra.

For making one partition we need 12 plywood
sheets of the above size. For five partitions we
require 60 sheets and the total cost comes to Rs.240/-
at the above rate. I have therefore the honour to
request that Government will be pleased to accord
sanction for the purchase of 60 sheets of plywood
made of Pali (Superior quality) 30" X 27" X 1/4" (6 mm)
thick at a total cost of Rs.240/- excluding Sales Tax
and charges for delivery, packing and booking etc.
The expenditure will be met from under a.A.3. Other
Charges-Authorised - Furniture and fittings.

I have the honour to be,
Sir,
Your most obedient servant,

A. Aiyappan
Superintendent.

The other expenditure that will be involved on these 5 partitions will roughly amount to Rs.150/- being the cost of teakwood for framing the plywood sheets and the carpenters' charges thereon. As the cases are to be partitioned one after the other it is considered that tender may be called for partitioning each case along with the tender for other works, and the expenditure be met from the contingencies, then and there. Hence the amount was not included in the sanction applied for. If however the Government want the total expenditure involved in the proposal, tenders have been called for from the contractors for partitioning each case. On receipt of the information from the contractors the lowest rate quoted will be intimated to Government.
