2. The Honorary Secretary of the
Muslim Educational Association of Southern India
has suggested that the lands in the High Court
Compound may be used for the construction of
buildings for the Government Muslim Girls' High
School, Georgetown, Madras, as the existing
accommodation in the school is inadequate
and unsuitable. The DPO who was consulted has
reported that the lands may be used for the
purpose provided the fire service station situated
on the site is shifted to some other place. The

Registrar, High Court of Judicature, Madras has been requested to report whether there is any objection to ~~set apart~~ the lands for the construction of buildings for the school and the Director of Fire Service has been asked to state whether he has any objection to shift the fire service station to some other suitable place. The D.P.O. has also been asked to report whether it is really necessary to shift the fire service station as the Secy of the association has not asked for it.

3. In the circumstances, it is for orders whether the answer to clause (a) of the question may be in the affirmative and whether the following may be the answer to clause (b) of the question:

"The ~~proposed~~ ^{question of} utilising the vacant lands in the High Court Compound for the construction of buildings for the school is under consideration of Government. ~~in consultation with the authorities of High Court, the D.F.S. and the D.P.O.~~"

If so, the draft answer on p.1 of is for approval.

4. The file may be circulated to HM (Gen) for approval of the draft answer.

Please see the answer despatched to the question on page 3 of. The question of utilising the vacant lands in the High Court Compound for the construction of buildings for the school was recently considered and it has since

been decided that the lands cannot be made available for the purpose as it is required for the extension of High Court buildings and for the construction of new buildings for accommodating the City Civil Court and the Presidency Magistrates' Courts. The Director of Public Instruction has been requested to consider whether any other suitable building can be secured for the school. In the circumstances, the answer to clause (b) of the question requires modification.

2. A revised draft answer is submitted below for approval. The file may be circulated to H.M. (Gen).

Building and playground for Government Secondary School for Muslim Girls in Georgetown.

* 65 Q.—BEGUM SULTAN MIR AMIRUDDIN: Will the Hon. the Minister for Education be pleased to state—

(a) whether it is a fact that the Government Secondary School for Muslim Girls in Georgetown is in need of a bigger building with an adequate playground; and

(b) what steps the Government are taking to provide this school with a suitable building?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“(a) Yes.

“(b) The Director of Public Instruction has been asked to find out whether any suitable building can be secured for the school.”

BEGUM SULTAN MIR AMIRUDDIN:—“May I know, when the Director of Public Instruction was asked, Sir? How long is it since he was asked to do this?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“Must have been some months, Sir.”

BEGUM SULTAN MIR AMIRUDDIN:—“How many months will expire before the school is provided with another building?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“I am sorry I am unable to say anything in the matter.”

BEGUM SULTAN MIR AMIRUDDIN:—“May I request the Hon. Minister to expedite the matter as many girls have been refused admission into the school for lack of accommodation. There is great scope for opening a number of sections in the school which could absorb the pupils who have been refused admission, but insufficiency of accommodation prevents this.”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—
“May I inform the hon. Lady Member, Sir, that on the suggestion of the Muslim Association the grounds of the High Court were examined but they could not be made available because the High Court wanted them for the extension of the High Court buildings? If the hon. Member will co-operate with us and try to find out a building we shall certainly do what we can.”

Please see the printed copy of the
questions and answers on page 3 ante. no
further action seems called for in this
file. The papers may therefore be
