THE MADRAS LEGISLATIVE ASSEMBLY

Notices have been received of the following:-

I. GOVERNMENT BILL

736 d

The Madras City Improvement Trust (Amendment) Bill, 1947.

The Hon'ble the Minister for Public Health will introduce the Madras City Improvement Trust (Amendment) Bill, 1947, and move that the Bill be taken into consideration at once. If the motion is carried and the Bill is considered, he will move that the Bill be passed into law.

II. Election of two members to the South Indian Railway Advisory Committee.

The Hon'ble Sri M. Bhaktavatsalam will move:-

"That as the South Indian Railway have, in accordance with the decision of the Railway Board, recently reconstituted their Local Advisory Committee making provision for two members to represent the Madras Legislature - one from the Legislative Assembly and the other from the Legislative Council - on the reconstituted Advisory Committee, and as the General Manager has requested the Government to communicate to him, the names of the members, this Assembly do recommend to the Government to communicate to the South Indian Railway, the name of one person elected by this Assembly to serve on their Railway Advisory Committee for a period of two years from 1st November 1947."

III. Election of two members to the Standing Advisory Board for Technical Education.

The Hon'ble Sri T.S. Avinashilingam Chettiar will move:-

"That this Assembly do proceed on a date to be fixed by the Hon'ble the Speaker to elect two members of this Assembly to be members of the Standing Advisory Board for Technical Education, constituted by Government in G.O.No.1829 Education, dated 19th August 1947".

IV. Amendments to Schedule II to the Madras Motor Vehicles Taxation Act 1931 (Madras Act III of 1931).

The Hon'ble Mr. Daniel Thomas, Minister for Prohibition will move:-

"That the following draft of a rule proposed to be made by the Government of Madras under sub-section (1) of section 17 of the Madras Motor Vehicles Taxation Act, 1931 (Madras Act III of 1931) amending Schedule II to the said Act, be approved.

Draft Rule

In the said Schedule II, in the entries relating to clause 3 (i) items (a) to (j) shall be re-lettered as items (b) to (k) respectively and the following shall be inserted as item (a) namely:-

	Maximum quarterly tax					
	For vehicles fitted with pneumatic tyres			for other vehicles		
	Rs.	a.	p.	Rs.	a.	p.
"(a) Dot motor cycle trucks not exceeding 650 lbs., in weight laden.	25	0	0	32	8	0"

(ii) in item (b) as so re-lettered, for the word "vehicles" the words "other vehicles" shall be substituted.

The Hon'ble Dr. P. Subbaroyan will move:-

"That the Rules for the Madras Legislative Assembly in force immediately before 15-8-1947 be adopted as the rules of the House to the extent that they are not repugnant to the provision of the Indian Independence Act, 1947 and the orders issued thereunde

EXPLANATORY MEMORANDUM

The existing Assembly Rules were framed by the Governor under sub-section (3) of Section 84 of the Government of India Act, 1935. This sub-section has now been omitted by The India (Provincial Constitution) Order, 1947, and in its place another sub-section which relates to the Legislative Assemblies of West Bengal and East Punjab has been substituted.

In view of this change it has now become necessary that the House should exercise its powers under sub-section (1) of Section 84 of the Government of India Act, 1935, so as to keep the existing rules in force.

TECHNICAL EDUCATION BOARD

Mr. T. S. Avinashilingam Chettiar, Minister for Education, then moved a resolution to elect two members of the Assembly to be members of the Standing Advisory Board for Technical Education constituted by Government in August, 1947.

Mr. T. Viswanatham raised a point of order stating that the House was not concerned with the subject. It was not an election to a committee constituted by this House or by the Central Legislature. The Board had been formed by executive orders of the Government and this House had nothing to do with it. It was open to the Government to nominate two members of the House. There was also no precedent for this procedure, a point which he had raised on a previous occasion.

Dr. P. Subbaroyan, Leader of the House, said that there was a precedent. The House had nominated its members to the Railway Advisory Board. It had been customary for this House and for the previous Council also to elect members to such bodies. The Government could have nominated members of this House to the Board. His colleague wanted to show courtesy to the Legislature and, therefore, he had come forward with the resolution. The Railway Advisory Board was a body constituted by the Railway Agent and its constitution was not under the statutory authority of the Legislature.

The Speaker over-ruled the point of order.

Mr. P. Natesan desired to know when the Board would submit its report and asked whether it had not already become an unwieldy body. He suggested that a smaller body would be more useful and be able to finish its work quickly.

The Minister pointed out that in these days of specialisation, a number of technically qualified persons were necessary to consider all aspects of technical education. When the report was ready, the public would be taken into consideration.

The resolution was then passed and the Speaker announced that nomination papers for the election would have to be filed before the Secretary of the Assembly before 3 p.m., October 31. In case the nominated candidates were more than the required number to be elected, election by ordinary method would take place on November 3.

Sir,

Sub:--Standing Advisory Board for Technical Education Inclusion of the Principal, College of Engineering Anantapur as a member.

At the time of constituting the Standing Advisory Board of Technical Education for the Province (Vide-G.O.No.2565 Edn. dated 29-11-47) the College of Engineering, Anantapur was functioning at Guindy under the control of the Principal, College of Engineering, Guindy. From the beginning of the academic year 1948-49 the former College has been functioning at Anantapur under a separate Principal. The Principal, Engineering College Anantapur should be essentially a member of the Board like the Principals of the other three Government Engineering Colleges. I am enclosing herewith a copy of the letter ABTE/49 dated 17-3-49 from the Principal, College of Engineering, Guindy explaining the circumstances in which the Principal of the Anantapur Engineering College was requested to attend the meeting of the Board. In the circumstances, I recommend that the Principal, Engineering College, Anantapur may be appointed as a member of the Standing Advisory Board for Technical Education and he be permitted to draw T.A. etc., in connection with the meeting which he attended on 7-2-49.

Ref:--Your T.M. dated 12-3-49 regarding the T.A. claimed by Sri N.S. Krishnaswamy Iyengar, Principal of the Anantapur Engineering College for attending the meeting of the Standing Advisory Board of Technical Edn.

Sri N.S. Krishnaswamy Iyengar, Principal, College of Engineering Anantapur attended the meeting of the Standing Advisory Board for Technical Education held on 7-2-49 under the following circumstances.

At the third meeting of the Standing Advisory Board for Technical Education held on 1st December 1948, Major B.H. Marley the then Principal of the College of Engineering Anantapur was not present, although he was in Madras on that day to attend a meeting, the following day, of the Committee to prepare plans and estimates of the new Engineering Colleges. Major Marley's absence at the meeting of the Board was pointed out by the other Principals and it was urged that it was very essential that the Principals of all the Engineering Colleges in the Presidency should be repersented in the Board. At present, all the Principals of Engineering Colleges in the Presidency, except the Principal of the Anantapur Engineering College are on the Board Hence at my suggestion, Sri Krishnaswamy Iyengar attended the meeting of the Board held on 7-2-49. Besides attending the meeting Sri Krishnaswamy Iyengar attended to various matters connected with his College in the City and at the Engineering College, Guindy I request that Govt. may be requested to include the Principal, College of Engineering, Anantapur as a member of the Standing Advisory Board for Technical Education, with retrospective effect from the date of taking over charge by the present Principal, Sri Krishnaswamy Iyengar. I suggest that the question of sanctioning the T.A. claimed by Sri Krishnaswamy Iyengar may therefore await the orders of the Govt. with regard to his inclusion as a member of the standing Advisory Board for Technical Education

Standing Advisory Board for Technical Edn.

H.M. wants that the term of the members of the Board should be fixed at 3 years. The Chairman and items (1) to (10) and (15) under "Members" will be members of the Board by virtue of their office. Changes will take place under these items when new officers are appointed to the posts. Members under items (11) (12) and (13) will be nominees of the institutions concerned. Members under item (14) will be members of the Board only so long as they are members of the Leg. Assembly or Council. Only members under item (16) will be actually persons appointed by name. It seems sufficient if these members alone are appointed for a period of three years. For orders.

No need to specify a term for these.

The term may be specified to these.

This will have to made clear.

The point is that a Members of the Board who hold their membership by virtue of their office will be members of the Board during the duration of their holding Office. But for others like items (11), (12) and (13) must be elected once in three years so that the Institutions concerned may be given ~~an~~ opportunities to change their representatives if necessary. So also item (14). After three years we must move again for election in the Legislature. Item (16), it goes without saying must be for three years.

The main industries in this province are:

Textile, Iron and Steel, Electricity and Chemicals, Leather and Automobile.

The following people may be appointed to represent these various industries:

1. Textile - Sri R.Venkataswami Naidu, B.Sc. (Manchester) (Textile Tech.) President, Millowners' Association, Coimbatore, Radhakrishna Mills, Peelamedu, Coimbatore.
2. Iron and Steel - Sri Sundoor Venkatareddi, Bezwada.
3. Electricity and Chemicals - Sri Seshasayee, Trichinopoly.
4. Leather - Mr. Mohd. Ismail, M.L.A., Leader of the Opposition in the Assembly.
5. Automobile - Sri S.Anantharamakrishnan, Simpson & Co., Madras.
6. Ceded Dts. - Sri D.Sanjeevi Reddi, son of Sri Sesha Reddi, Kurnool.

The last mentioned person is an Engineer who has gone to England and America and qualified himself well is, ~~in my opinion~~, suitable to represent the Ceded Districts.

Information may be ~~sent~~ put up as to whether the other bodies for whom representations were given in the Technical Education Board have sent up names of their representatives so that an early meeting of the Board may be convened.

The consent of the members to be nominated by Government has not been obtained except with reference to Mr. Ismail.

With reference to Dr. John's suggestions, I think we have already sent in a note that Mr. G.D.Naidu may be made an additional member of the Technical Education Board. I hope action has been taken on it. I had suggested that the Special Chief Engineer Mr. Govindaraja Iyengar may also be a member of the Board and so, no action need be taken on that note. On the consent being taken, a draft order notifying the names of the members of the Board may be issued. I am anxious to have if possible a meeting of the Board in December. As soon as it is constituted, the file may be put up so that a meeting may be summoned.
