DIRECTOR OF PUBLIC INSTRUCTION

MADRAS

Sir,

I was appointed by the Principal, College of Engineering, Guindy (copy enclosed) as a Store-keeper for which category of posts I was selected by the Madras Public Service Commission and joined duty on 24-5-1943 F.N. On 1-5-44 I was appointed to officiate as Clerk (Copy enclosed) when the permanent Store-keeper reverted. Till 19-6-46 A.N. I was officiating as a Clerk.

I requested the Principal to declare the satisfactory completion of my probation on 23-5-45 when I completed two years continuous service. On 18-10-45 I was communicated with a copy of the Proceedings of the Director of Public Instruction, Madras No.L.Dis.1514 C/45 dated 16-10-45 (copy enclosed) stating that I cannot be considered as probationer in the category of Clerks.

pp 13-14 infra

I made an application to the Secretary, Madras Public Service Commission (copy enclosed) requesting to consider my case and declare me as having completed the probation at the end of two years service. On 24-11-45 I was furnished with a copy of Memorandum No.938/K.M.S./42 dated 10-11-45 (copy enclosed) stating that my request is inadmissible and cannot therefore be granted.

p 15 infra

I requested the Principal on 17-12-45 to refer this matter to the authorities for reconsideration. On 17-6-46 I was shown the Proceedings of the Director of Public Instruction, Madras R.C.No.4929 C/45 dated 11-6-46 (copy enclosed) stating that my services both as Store-keeper and Clerk cannot be counted as probation.

p 17 infra

Thus on the whole I have put in 3 years and 1 month service inclusive of 11 months and 7 days service as Store-keeper from 24-5-43 to 30-4-44.

I request that the Government may kindly be pleased to consider my case on the following points and declare me to have completed probation on 23-5-45, the day on which I completed two years continuous service or to change my name to the category of clerks, since I have put in a service of 2 years and 2 months continuously as a Clerk. The scales of pay for both Clerk and Store-keeper are identical viz. Rs.30-3/2-45-2/2-**55**.

(i) I was ordered to officiate as a Clerk by the Principal and I had no choice but to obey the orders of the Principal, being the appointing authority

(ii) I was not made to understand in the Principal's order posting me as a Clerk that my service as Clerk would not count towards my probation

(iii) It is not left to me but to the Principal to report to the District Unit Officer, that I had been appointed as a Clerk instead of as Store-keeper and so get me appointed as a Store-keeper in the next vacancy

B1

(iv) I was not posted in a Store-keeper's vacancy existing even before 1-5-1944 when I was posted as a Clerk by the Principal, and this made me believe that my service as Clerk would count towards my probation as **S**tore-keeper

(v) I accepted to pay the deposit for security posts so that I may get an earlier appointment, and it could never have been the intention that willingness to pay security should disqualify me to be a Clerk.

As regards the proficiency of my work I beg to state that I was appointed by the Principal in the leave vacancy of the Accountant cum Headclerk in the Office of the Technical Training Scheme attached to this college during the period 11-8-44 to 10-10-44 which carried higher responsibilities of duties than either of a Clerk or a Store-keeper. I am sure the Principal will certify to my having rendered him complete satisfaction even in that post.

I would earnestly appeal to the Government that a rejection of my request would affect my career to a very great extent as I will have to lose all the loyal service of more than 3 years that I have rendered to the Government for no fault of mine, and have to ~~even though~~ begin probation afresh, even though my appointment under the Government was through the usual and regular channel viz. the Madras Public Service Commission. Hence I request once again that in view of the circumstances explained above, the Government

4

~~-3-~~ 5 (4)

may be pleased to consider my case sympathetically and render justice, by passing such orders as they deem fit to enable me to count the 3 years loyal service.

Sir,

In Memo.No.573 E/43 dated 7-5-43 I was selected for appointment for posts in the Madras Ministerial service for which security should be deposited in Education Department in the Chingleput Dist. I was offered Store-keeper's post in the Engineering College, Guindy and I took up the officiating post on 24-5-43 forenoon. When the permanent incumbent of that post was reverted on 1-5-44 forenoon I was appointed to officiate as Clerk from the same date, which I held till 10-8-44. From 11-8-44 I was appointed as Officiating Accountant of the Technical Training Scheme under the control of the Principal of this college, which I held till 10-10-44 after which date I was reverted to the Clerk's post in the college owing to the return of the permanent incumben from leave. I am continuing as Clerk till this date. An abstract of services rendered continuously till this date is furnished below for ready xxxx guidance:-

Clerk of the college	11-10-44 to todate.

2. Thus it would appear from the above that I complete two years probation on 23-5-45. The Director of Public Instruction who was addressed by the Principal of the college whether the services rendered by me in the

various posts could be taken into account to declare me as an approved probationer, he has replied to say, that as I was selected by the Madras Public Service Commission for posts in Madras Ministerial Service for which security should be deposited and the posts of Store-keeper's belong to different categories, I could not therefore be declared as a probationer in the category of Clerks.

3. In this connection I beg to submit the following for your kind consideration. (1) Examinations conducted for the Ministerial Service either to posts of clerks or posts to which securities are required are not different. (2) Scales of pay attached to the Store-keeper and clerks are identical. (3) Probationery period prescribed for the two posts are similar (4) Responsibilities attached to the postsof Store-keeper are not in any way less than those attached to the posts of clerks though not more. (5) I am prepared to elect myself as Clerk if rules do not permit the counting of my service as Clerk for inclusion to the service spent as Store-keeper. (6) I was appointed to the post of Clerk at the instance of the Principal's order. (7) Had I known or made to understand by the appointing authority at the time of appointing me as Clerk of the college on 1-5-44 that my service to be put in in future will not count for purpose of probatio this would have given me a chance of requesting you to provide me posts for which security is required.

4. Under these circumstances I request that you will be pleased to kindly issue necessary orders to admit my services rendered as clerk for being counted to declare me as a probationer either as Store-keeper or Clerk for both of which I am acceptable.

I beg to remain,

2. The petitioner was appointed as Clerk under Rule 33(d) of the Madras Ministerial Service Rules. This rule is silent as to whether the services of the clerk appointed under it will count for probation or not. It is but fair that benefit of the absence of specific provision against the counting of this period of service for probation is given to the clerk as otherwise he will have to put in fresh probation which is indeed very hard. His request is therefore recommended for favourable consideration.

Sir,

39518

In continuation of my petition dated 21-6-46, to declare my services as clerk for purpose of inclusion of my probation as storekeeper, I beg to further submit the following points which would seem to deserve serious consideration.

2 ~~1~~. When my services as storekeeper were terminated on 30- 4- 44 there were then two posts vacant in the college viz. , i. Clerk's post, & ii. Storekeeper's post. The permanent storekeeper of this college was on other duty as Head clerk of the Technical Training Scheme, and his post of storekeeper, was held by a permanent clerk of the college which continues till today.

3 ~~2~~. I was appointed only to the vacant clerk's post by the Principal as he would have presumably thought, that my services as clerk would count for probation as storekeeper.

4 ~~2~~. I would like to stress that had the Principal been aware of the technical difficulty of counting the clerk's service, he would have easily appointed me as storekeeper, which was also vacant at that time.

If however, the Government see objection to count my services as clerk for probation as storekeeper, I request that the appointment order made, may please be ammended, as officiating storekeeper of the college, which was vacant at that time, to enable me to complete my probation.

I beg to remain,
Sir,
Your most obedient servant,
P. Satyanarayana

R.C.No.12-133 A/45. College of Engineering,Guindy,
Dated 15th July 1947.

To

The Director of Public Instruction,
Madras.

Sir,

Sub: Sri.P. Satyanarayana, officiating Store-keeper, College of Engineering,Guindy - Declaration of probation.
Ref: Your proceedings R.C.No.2635-C3/47 dated 4-7-47.

I submit herewith a copy of the petition dated 8-5-47 from Sri.P. Satyanarayana referred to in the Government memo communicated with your above proceedings with the following ~~xxxxxx~~ remarks:-

K

2. When the services of Sri.P. Satyanarayana as Store-keeper were terminated on the afternoon of 30-4-44, there were two vacancies, one of a Clerk, Sri.V. Sargunam and the other of a Store-keeper Sri.C. Tirunambi Pillai, both of them having been on other duty. In the latter vacancy of the store-keeper, Sri.M.S. Viswanathan, holding his substantive appointment as a Clerk in this College was and has been officiating from as back a date as 20-1-1941. Also, it was thought that under the provisions of Rule 33 (d) of the Madras Ministerial Service Rules, service either as a clerk or as a Store-keeper would count for his probation (vide this office letter R.C.No.12-133 A/45 dated 24-12-45 especially paras 6 to 9 thereof). In view of these, Sri.P. Satyanarayana was appointed in place of the clerk, Sri.V. Sargunam ousting a Junior officiating Clerk, Sri. V. Krishnamurthy and Sri.M.S. Viswanatham was continued in place of the Store-keeper, Sri.C. Tirunambi Pillai.

M

3. Particulars showing how the concerned posts were filled up during the period from 1-5-1944 (ie) the date from which the services of Sri.P. Satyanarayana as Store-keeper were terminated upto the end of 19-6-46, after which date he was again appointed as a Store-keeper in the Telecommunication Engineering laboratory from 20-6-46 are furnished in a statement herewith attached.

P.T.O.

Copy of letter from P. Satyanarayana, Storekeeper, Tele- Communication Engineering, Department, College of Engineering, Guindy To the Secretary, Department of Education and Public Health, Government of Madras, Fort St. George, Madras, Through the Principal, College of Engineering, Guindy dated 8th May 1947.

In continuation of my petition dated 21--6--46, to declare my services as clerk for purpose of inclusion of my probation as Storekeeper, I beg to further submit the following points which would seem to deserve serious consideration.

1. When my services as storekeeper were terminated on 30-4-44 there were then two posts vacant in the college viz., i. Clerk's post, & ii. Storekeeper's post. The permanent storekeeper of this college was on other duty as Head Clerk of the Technical Training Scheme, and his post of storekeeper, was held by a permanent clerk of the college which continues till today.

2. I was appointed only to the vacant clerk's post by the Principal as he would have presumably thought, that my services as clerk would count for probation as storekeeper.

3. I would like to stress that had the Principal been aware of the technical difficulty of counting the clerk's service, he would have easily appointed me as Storekeeper, which was also vacant at that time.

If however, the Government see objection to count my services as clerk for probation as storekeeper, I request that the appointment order made, may please be ammended, as officiating storekeeper of the College, which was vacant at that time, to enable me to complete my probation.

Sd./ P. Satyanarayana.

The current file contains a petition from Sri P. Satyanarayana, Offg. Store-Keeper , College of Egg., Guindy, requesting that he may either be declared a probationer in the category of clerks or in the category of Store Keepers in the Madras Ministerial Service. The D.P.I.'s remarks thereon are on page 5 c.f. The Madras Public Service Commission has held the view that the petitioner's request is ~~admissible~~ inadmissible. The D.P.I. also considers that as Sri Satyanarayana's service as clerk will not count for probation in the category of Store Keepers, the request is inadmissible.

p 15 c.f

p 5 c.f

The services rendered by the petitioner continously upto-date are as follows:

V p 13 c.f

Store Keeper, Electrical Engg. Laboratory	24-5-43 to 30-4-44
Clerk in the Egg. College	1-5-44 to 10-8-44
Accountant, Technical Trg. Scheme	11-8-44 to 10-10-44
Clerk in the Engg. College	11-10-44 ~~upto date.~~ 19-6-46 A.N.

S and T on p. 1 c.f.

The petitioner's appointment as Store-Keeper ceased with effect from 30.4.44. If, as stated on p. 39 c.f., there was no other post in the concerned departmental unit in which he could have been appointed and if no vacancy in the post of store keeper was expected to arise in the College of Engg., Guindy, in the near future, the proper course should have been to ask the M.P.S.C. to allot him to some other departmental unit instead of appointing him as L.D. Clerk for an indefinite period. It will be seen from p. 35 c.f. that a vacancy in the category of Store-Keepers actually arose in December 1945, but that the petitioner was allowed to continue as Clerk at his own request. Rule 33(d) of the M.M.S. Rules does not seem to permit this. The Principal's action in having permitted him to continue as clerk seemed to be irregular. He may be re-appointed as Store-Keeper now. Having regard to the fact mentioned at 'A' above, it is for consideration whether he may, as a special case, be permitted to count the

Please see the E.&.P.H. note on pages 1-2 ante.

'P' on p 1 ante: Sri P. Satyanarayana was a candidate elected by the Commission for appointment as a Store-Keeper (Security Post) in the Education Department of Chingleput Dt. He was appointed as a store-keeper (Security Post) in the College of Engineering, Guindy on 24-5-43 and continued as such upto 30-4-44. As he had already become a probationer in the category of store-keepers by that time, the question of asking the Commission to re-allot him to some other departmental unit would not then arise, even if no vacancy in the post of store-keeper was expected to arise thereafter for a long time, either in the Engineering College, Guindy or in the Education Department of Chingleput District. He could, however, have been transferred as store-keeper to some other departmental unit under rule 22 of the Madras Ministerial Service rules, only if such an arrangement was possible. In the alternative, the Principal of Engineering College appointed him as a clerk and Accountant under rule 33 (d) of the M.M.S. Rules during the period the post of store-keeper (Security Post) was not in existence in hat college.

December 1945 and the post was appointed to it. He was then acting as a clerk and at his own request, he was allowed to continue as clerk up till 19-6-46 A.N. As the vacancy of store-keeper (security post) was in existence then, his appointment as clerk ~~during~~ from 24-12-45 to 19-6-46 should be treated as one under emergency provisions (i.e. under General Rule 9(a) (i) or (ii)) and not under rule 33 (d) of the M.M.S. Rules. When the petitioner failed to accept the offer of appointment to the post of store-keeper (security post) in December 1945, it was ~~in fact~~ within the competence of the Principal to remove his name from the list of probationers after observing the usual procedure. ~~The principal could have removed his name from the list of probationers in the category of store-keepers (security post).~~ He did not, however, do this because the petitioner preferred to continue as clerk. The petitioner should therefore suffer for his action and his service as clerk during the period 24-12-45 to 19-6-46 cannot be allowed to count towards his probation as storekeeper. This department may agree with the E & P.H. Secretary that there is no case for relaxing the probation rule in this case.

The remarks of the Principal Engg. college, Guindy, in his letter on p 45 c.f. may be perused. The Principal admits that there was a vacancy of ~~a~~ storekeeper's post in the college on the afternoon of 30-4-44, when the petitioner was appointed to act as clerk. This post of storekeeper it is reported is being held by a permanent clerk from ~~1941~~ onwards. The reason given for not appointing ~~to~~ the petitioner to the post of storekeeper's post in question is that it was thought that service as either clerk or storekeeper would count for probation. But this is not convincing. ~~When a~~ the clerk ~~was~~ was appointed to the post of storekeeper, ~~was filled~~ only because, obviously, a person selected as storekeeper was not available. And when such a person ~~was~~ became available on 30-4-44, he ought to have been appointed to the storekeeper's post, instead of continuing the clerk in that post and in appointing the petitioner, a storekeeper, to act as a clerk, which action is clearly irregular. In the circumstances, it would seem but just that the petitioner ~~be~~ is declared to have completed probation as storekeeper on the a.n. of 23-5-45, two years after he was first entertained and he is also ~~2. This logically leads to the fact that the petitioner will be entitled~~ allowed to draw increments in the scale of pay of a storekeeper from 23-5-45, the date of completion of his probation.

Sri P. Satyanarayana, a candidate selected by the Service Commission for appointment as a Store-keeper (security post) in the Education department of Chingleput District, was appointed as a Store-Keeper (security post) in the College of Engineering, Guindy on 24-5-43 (F.N) and continued as such up to 30-4-44. 'X' on p 2 above

The services of Sri Satyanarayana ~~were~~ ~~[illegible]~~ as Storekeeper were terminated on the afternoon of 30.4.44 consequent on the reversion to the post of the permanent incumbent of the post who was on ~~[illegible]~~ other duty. p 9 CF

Although another post of Storekeeper in the College was vacant at that time Sri Satyanarayana was not appointed to that post but he was appointed as clerk in the College (non-security post) from 30.4.44 on the presumption that the service either as a clerk or as a Storekeeper would count ~~for~~ his probation. para 3, p 45 CF

K on p 45 CF

He had completed two years of ~~[illegible]~~ continuous service ~~on [illegible]~~ on 23.5.45 (A.N). But he could not be considered as to have completed satisfactory probation in the post of Store-keeper because his services as clerk (non-security post) cannot, under the rules, be counted for purposes of probation in the post of Store-Keeper (security post) – please see the proceedings of the D.P.I on p 17 C.F.

pp 13-14 CF

~~Thereafter~~ Sri Satyanarayana petitioned to the Madras Public Service Commission that his name may be transferred from the list of Store-keeper to that of clerks so that he might be declared to have completed his probation as clerk on 23.5.45; but his request was not granted as ~~it~~ it was inadmissible – please see Memo. from the M.P.S.C in p 15 CF.

Sri Satyanarayana has now petitioned to Govt. to declare him as a probationer ~~in~~ the category of either ~~[illegible]~~ Store-keepers or Clerks in the Madras Ministerial Service ~~and~~ to enable him to earn increments thereon. pp 1-5 CF

E.P.H will, no doubt, verify the presumption at 'P' on p 5 above, before Rule 34 (a)(ii) of Madras Ministerial Service rules are relaxed in favour of the petitioner.

The summarising note of Finance on p6-7 ante may be perused. W.r.t. 'A' on p7 ante, the D.P.I. confirms that the post of storekeeper referred to is a security post. — p51-52 cf

2. The proposal now is ~~that~~ to relax rule 34 (a) (ii) of the Madras Ministerial Service rules in favour of the petitioner, Sri P. Satyanarayana, and to declare him as having completed his probation as storekeeper on the a.n. of 23.5.45, two years after he was first entertained, and to allow him to draw increments in the scale of pay of storekeeper from that date. His service from Dec. '45, when he de~~clined~~ to act as storekeeper and was allowed to continue to act as a clerk at his own request, upto the date of his appointment again as storekeeper, however, is not to be allowed to count as service in the storekeeper's post.
