In their Memos Nos. 14672 B/38-1 Edn. dated 30-3-38 and 37160 B/44-2 Edn., dated 23-9-44 (copies enclosed for ready reference) Government ordered that the teachers employed in the Municipal Muhammadan Middle School, Nellore might be treated as constituting a separate unit for purposes of promotions, transfers, discharge and re-employment etc. But in the absence of general orders applicable to all Municipalities, I feel doubtful whether the general and Muhammadan High Schools maintained by the Municipal Councils, Cuddapah and Nandyal may be treated as separate units for the above purposes. The Commissioners of these two Municipalities, whom I consulted in the matter, are agreeable to the proposal to treat the general and Muhammadan high Schools as separate units. The Municipal Council, Bellary is also opening a separate high school for Muhammadans in the school year 1946-47. The reasons for treating the two high schools as separate units are the following:

P.T.O.

(i) The medium of instruction in the general school is different from that in the muhammadian high school;
 (ii) as a result of (i), transfers of teachers from one school to the other are not possible;
 (iii) appointment of non-muslims to muslim schools is not permissible on account of (i).

2. In these circumstances, I have the honour to request Government to issue a general direction to treat the general and Muhammadan secondary schools under a local body as constituting separate units for purposes of seniority, promotions, transfers, discharge, re-employment etc.

This matter requires more thought.

The medium of schools in the mohammedan schools in Andhra may be different from the regional language. But in Tamil nad & malabar it is not so. That is some of the mohammedan schools in Tamil nad where their mother tongue is Tamil, they are now taught in Urdu is a serious matter which must be corrected. In malabar the mother tongue of all the muslims is admitted Malayalam. And as in Malayalam & Tamil nad they need not be made in to separate units.

And as the D.P.I. may be asked to look at it from the point of view of a fresh proposal.

The only Muslim Secondary High Schools under Local Bodies at present are:

- (1) Municipal Muslim High School, Cuddapah
- (2) Muslim High School, Nandyal Municipality
- (3) Municipal Muslim High School, Bellary
- (4) Municipal Muslim Middle School, Nellore.

All these have Urdu as the medium and so these should be separate.

I quote see that there is a likelihood of Muslim Schools in other areas adopting the regional languages as the medium, in which case there would not/any need to treat them as separate units. These may be considered, each as it arises, with reference to its special conditions.
