Higher elementary schools in the Province.

* 146 Q.—SRI A. VEDARATNAM PILLAI: Will the Hon.
the Minister for Education be pleased to state—

(a) how many higher elementary schools there are in this
Province; and

(b) whether the Government will be pleased to place on the
table of the House a statement showing the districtwar list of
higher elementary schools, and by whom they are managed?

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“(a) There are 2,217 Higher Elementary schools in the
Province.

“(b) A statement is laid on the table of the House.”

MAHIN SCHAMNAD SAHIB BAHADUR:—“May I know
whether the number of Higher Elementary Schools in the Province
has been reduced recently?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“I have no figures for the previous years and so, I am unable
to say readily whether the number has been reduced.”

SRI K. ANANDAN NAMBIAR:—“May I know from the
Hon. Minister whether there is any possibility of some of the
aided school managers closing their schools within the next month
in view of the fact that increased aid is to be given by the manage-
ment?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“Some representations have been received from certain
managers that if the Government insists upon the payment
they may close the schools.”

SRI R. V. SWAMINATHAN:—“According to the list sup-
plied to us, I see that the number of schools in each district
varies considerably. In one district, there are 367 schools and in
certain other districts, the figure given is 30 or 40. May I know
from the Hon. Minister what is the reason for this difference?”

THE HON. SRI T. S. AVINASHILINGAM CHETTIYAR:—

“The reason is that there are many people who come f
ward to conduct these aided schools in Malabar and so
figure there is high.”

No further action is called for. The papers
may be recorded.
