No. 2800-2/47 dated 13th Novr. 1947.

Sub: Lens-Lite - Purchase of - Sanction requested.

I have the honour to request the sanction of Government for the purchase of a table Model No. 208 Lens-Lite at a cost of Rs. 144/3/0 in all.

The need for a good lens with some light in place of the ordinary hand magnifying lens was keenly felt in all the scientific sections for close study of the various objects and for fine drawing work. On a request made recently Messrs. Radio and Electricals Ltd., Madras gave us a demonstration of their E.D.L. "Lens-Lite", of which we are much satisfied. By using this appliance objects can be magnified and illuminated at the same time making both hands free for work.

As Messrs. Radio and Electricals have got only a limited number of this appliance for sale I have to request that Government will be pleased to accord

early

early sanction for the purchase of the "Lens-Lite"
at a cost of Rs.144/3/0 from this year's funds under
apparatus and materials.

I have the honour to be,
Sir,
Your most obedient servant,
A. Aiyappan
Superintendent.
