Sir,

*SUB: ELEMENTARY EDUCATION - Rules relating to
recognition - Rule 12 - Employment of Pandits -
Amendment suggested.

ENCLOSURES _____

SPARE COPIES _____

With reference to G.O. No. Ms. 291 Education,
dated 2-3-45 amending the Rule 12(2) of the Rules relating
to recognition of elementary schools, the employment of a
Pandit is permissible only in complete Higher elementary
schools having four or more teachers in the Secondary grade
scale of pay and that in the place of one of the Secondary
grade Teachers. Now a case has been reported by the Dis-
trict Educational Officer, South Malabar of a Higher Ele-
mentary school in with three Secondary grade teachers and
a Pandit on the staff/who had to be denied grants as two Secon-
dary grade trained teachers left the school during the year
and their places could not be filled for want of duly quali-
fied teachers. Since the school failed to satisfy the condi-
tion laid down in the G.O. referred to above, from the date
on which the Secondary grade teachers left the school the
Pandit became ineligible for grants for no fault of his.
It appears necessary to make provision in the Rules to
afford protection to Pandit in such cases and make them
eligible for grants. With this end in view, and in view
of the fact that the main point of the concession allowed in
the G.O. No. MS.291 Education dated 2-3-45 was to permit the

permit the employment of a Pandit in schools where there were at least 4 sections in classes VI to VIII as only then the Pandit could be fully employed in the Higher Elementary classes, the following amendment to rule 12 (2) of the Rules for recognition relating to elementary schools is suggested for approval.

In the second sentence of Rule 12(2) for the words "which has four or more secondary grade teachers in the secondary grade scale of pay including the Secondary grade teacher appointed if any for teaching English", substitute the words

"which has four or more sections in standards VI to VIII" ^{trained} While the appointment of secondary grade teachers for standards VI to VIII can still be insisted on under this rule (first sentence), the proposed ^{amendment} amount will enable the Pandits to earn grants independent of the continuance of other secondary grade teachers and at the same time it will be incumbent on the management to appoint Pandits only when there is full work for them.

RESUBMITTED.

Consequent on the issue of G.O.No.1851, Education, December 1944 when the ^{made} orders regarding appointment of pandits was amended in G.O.No.291, Education, dated 2nd March 1945, provision was/for employing a pandit in all higher elementary schools having 4 or more secondary grade teachers in Secondary Grade scales of pay. In reckoning the number of secondary grade teachers, the secondary grade teacher employed for teaching English in the lower standards IV and V if any, was also taken into account and a proviso was added that the Pandit be given all the language work of the Higher standards and when necessary of one or more of the lower standards also and the Secondary Grade teacher in the lower standards concerned given some work in the higher standards. But since the abolition of "English" in lower standards now, the position becomes different and in higher elementary schools the employment of a pandit may have to be considered only when there are 4 or more secondary grade teachers in Standards VI to VIII which means that the school should have atleast one additional section in Standards VI to VIII, as originally contemplated in G.O.No.312, Education, dated 26th February 1943, as only then the Pandit will be fully employed in the Higher Elementary classes. But as the difficulties already referred to in my letter HC.No.11497 B.2/46 dated 13th August 1947 i.e. making the Pandit eligible for grant when once employed irrespective of temporary vacancies in the Secondary Grade Teacher's post during a year have to be overcome the amendment suggested in the letter referred to above is necessary as a substitute to the existing words "4 or more Secondary Grade teachers in the Secondary Grade scales of pay including the Secondary Grade teacher appointed, if any, for teaching English" and not as an alternative rule to be inserted

Subsequently the Director reported
that most of the schools have only one
section in each of the Stds VI to VIII
and suggested that a school employing
four or more Secy. grade teachers in the
grade scale of pay may be permitted
to have a Pandit in the place of a Secy.

para 3 do-

ade teacher as it would give a better scope for the appt. of Pandits in a larger no. of ele. schools. This was accepted in G.O. No. 1851 Eon. Dt. 9.12.44. and rule 12(2) was against recast as follows:-

1. In ele. schools with Stds. above Std. V, the head master and the teachers in charge of Stds. VI to VIII should ordinarily hold trained teachers' certificates of the Secy. grade. In a complete higher ele. school which has four or more Secy. grade teachers in the Secy. grade scale of pay including the Secy. grade teacher, if any, apptd. for teaching English; a Pandit possessing the qualifns. prescribed in rule 13 of the M. E.R., may, at the option of the management, be appointed in place of one of the Secy. grade teachers;

Provided that the Pandit is assigned all the language work of the higher ele. standards and where necessary of one or more of the lower standards also, and that the Secy. grade teacher if any of the lower standard concerned is given some work in the higher ele. standards.

In the circumstances reported in his letter in the C.F., the Director now recommends that rule 12(2) may ~~again~~ be amended as to ~~prescribe~~ ^{in Stds VI to VIII} 4 sections instead of four Secy. grade teachers in a complete higher ele. school as a condition precedent for the employment of a Pandit in lieu of a Secy. grade teacher. This, if accepted, would virtually ^{mean} a reversion to the condition laid down in G.O. 312 Eon. St. 26.2.43. The arguments advanced by the Director against this condition referred to in the previous

page still holds good, and the proposed amendment would require amplification. In M on p 1 of order ~~to be issued~~ to safeguard the eligibility of Pandits for the assessment of grants in cases similar to the one reported by the Director at A on p 10, it would appear that the proposed "condition" may perhaps be inserted as an alternative one, rather than as a substitute. ~~It~~ file may be sent to the S.P.
