Dear Mr. Coorey,

Herewith a request for your sanction for supply of Fort St. George Gazette for a new Circle of the Archaeological Survey of India. Perhaps you know that since the middle of September, a new Circle has been started with jurisdiction over all the Telugu Districts and some Districts in the Central Provinces. I have been selected and sent down here to form the new Circle. As we need Fort St. George Gazette for notifying A.M.P. Act proceedings and other archaeological matters, I should be thankful if you will kindly obtain for me Government sanction for the supply.

I cannot help reminding you with gratitude of your co-operation and the interest you took in 1945 when it was possible for us to get through and print the list of protected monuments.

Thanking you very much indeed

P.T.O.
