In resubmitting herewith the letter No. 71212-M(1)/47
dated 14-8-1947 from the Surgeon-General with the Govern-
ment of Madras referred to me for remarks with the Govern-
ment Endorsement cited above, I have the honour to state
as follows:--

2. In their Order No. 1167 Edn., dated 12-6-46 the
Government have accepted the scheme of the Government
of India for the Further Education and Training of demobi-
lised personnel. In para 6 of the G.O., the Government
have ordered that all ex-service candidates actually
admitted into the Colleges will be exempted from the
payment of tuition and special fees. They have also
ordered that the candidates will be given in addition an
allowance for books and equipment in accordance with the
scale indicated therein and a maintenance allowance not
exceeding Rs. 30/- per mensem. The maintenance allowance
has to be sanctioned by the Further Education Board
constituted for the purpose, in G.O. No. 508 Education
dated 14-3-47. The functions of the Board as defined
in the G.O. are:--

- (1) to select applicants to whom financial assistance
is to be awarded;
- (2) to assess the extent of assistance to be granted
in each case.
- (3) to place applicants in the right institutions;
- (4) to fix the course to be undergone by each applicant
and its duration; and
- (5) to review the awards from time to time, where
necessary.

3. While enumerating the functions, Government have directed that the Further Education Board will fix up the details of the procedure to be followed for the award of the concessions contemplated in G.O.No.1167 Education dated 12-6-46.

4. The Board held its first meeting on 15-4-47. At that meeting the Principal of the Madras Medical College, who was present, was advised to scrutinise the applications and to exempt the students from the payment of tuition and special fees, and to sanction the books allowances for the year 1946-47, if found eligible, and to bring the applications there to the Further Education Board for the sanction of the maintenance allowance as its next meeting. Accordingly, at the second meeting of the Board held on 16-6-47 the applications received from the Principal, Madras Medical College and Principal, Madras Veterinary College were scrutinised and it was decided that the maintenance allowance might be sanctioned to the eligible candidates. Thus it will be seen that the applications were considered by the Board both at its first and its second meetings and action was directed by the Board after due consideration. This procedure fixed up by the Board will ensure correct data for purposes of assessing the expenditure incurred in respect of the Further Education Scheme in each department. The Principal, Madras Medical College is a member of the Board and represents the whole of the Medical Department of which the Surgeon-General with the Government of Madras is the head. I, as the head of my Department have empowered the Principals of Government Colleges to exempt the eligible candidates from the payment of tuition and special fees only and then have myself sanctioned the books allowance. The maintenance allowance is sanctioned by me only after the Board has passed it at its meetings. In this connection I may invite your attention to the letter from the Director of Veterinary Services, R.O.C.No.7357-11/45, dated 15-9-47 communicated to me with Government Endorsement No.73953-61/47-2 Edn. dated 7-10-1947, wherefrom it will be observed that the Director of Veterinary Services permits the Principal, Veterinary College, Madras to pay the allowances. Since the Surgeon-General with the Government of Madras is also the head of a Department, it is in the fitness of things that he should himself sanction the books allowance and then the maintenance allowance after the Board sanctions the same, and that the Principals of the Medical Colleges are empowered to exempt the eligible candidates from the payment of tuition and special fees in the first instance subject always to the confirmation of the Surgeon-General.

5. In conclusion I request that the Government may be pleased to issue instructions to the Surgeon-General and the other heads of departments to work out the Further Education scheme on the lines pointed out above.
