Reference:-

In the Government Order cited, the Government have ordered that the absence of aided Elementary school teachers from their respective schools while they undergo training in the rural uplift schools, be treated as duty. The above concession does not apply to the teachers employed in the District Board Elementary Schools. The teachers of the District Board Elementary schools are also on the same footing as the teachers in aided Elementary schools and they are also selected for training in the rural uplift schools. Hence the Board requests that the concession granted in the Government Order cited, be extended to the teachers of the District Board Elementary schools also.
