Education and Public Health Department, Madras.

Rec No. 2483 K2/46, dated 31st August 1947.

Sir,

*Sub:- College of Engineering, Guindy - Electrical communication Engineering Course - Staff - Continuance.

ENCLOSURES _____

SPARE COPIES _____

In G.O.No.1176 Gdn., dated 1-8-1945 Government sanctioned the opening of a degree course in the Electrical Communication Engineering, in the College of Engineering, Guindy from the academic year 1945-46 and sanctioned the following staff:-

1. Professor.
- 1 Laboratory Assistant.
- 1 Signal Instructor
- 1 Instrument Repairer.
- 1 Store-keeper
- 1 Attender
- 1 Cleaner
- 1 Peon.

Later in G.O.2078 Gdn., dated 6-12-1945 a second ~~xxx~~ Laboratory Assistant was sanctioned. In G.O.No.141 Education, dated 21-1-1946, a steno-typist was also sanctioned to the Department. This steno-typist is also attached to the Professor of Electrical Engineering in the College. The existing sanction for all the above posts except that of the Steno-typist expires in this month. The sanction for the employment of the steno-typist expired on 1-2-1947.

2. As the Electrical communication Engineering course is being continued in the College there is need for the employment of the above staff. With reference to the orders issued in Government Memo.No.73124 K3, dated 28-2-1947 I recommend the permanent retention of the post of Professor of Electrical communication Engineering with effect from the date on which the present sanction expires. With regard to the other staff, I recommend that except two Laboratory Assistants all the posts may be continued for a further period of 3 years.

3. As regards Laboratory Assistants the Principal, College of Engineering has submitted a revised proposal for the employment of instructors. He has requested instead of two Laboratory Assistants, two instructors. One Laboratory Assistant should be appointed. But in view of the difficulty of securing qualified persons for the posts of instructors, he has suggested that the two Laboratory Assistants may be continued till the end of 1948 when persons who have been deputed abroad for training

P.T.O.

are expected to return. I agree with his suggestion and request that the two Laboratory Assistants may be continued till the end of June 1948. Proposals for the employment of Instructors will be submitted separately.

4. As these posts expire this month and in order that there may not be any difficulty in drawing the pay of these officers I am advising the Principal to continue the posts in anticipation of sanction. I request the favour of early orders.

I have the honour to be,
Sir,
Your most obedient servant,

VRK
for Director of Public Instruction
