Sub:- College of Engineering, Guindy practical Training
for students - service in the Agricultural and P.W.
Departments - recognition -

8842

I have the honour to enclose herewith a copy of letter No.17-230 P/47 dated 8-10-47 from the Principal, College of Engineering, Guindy and request that in the circumstances stated therein, the service removed by Sri T.K.Parthasarathy, B.E. (Mech) as Agricultural Engineering supervisor may be recognised as practical training prescribed in the college rules for the purpose of awarding the college diploma.

2) In G.O.No.1058 Edn. dated 15-7-44 Government approved the proposal that for the duration of the war, passed students of the college of Engineering, Guindy be permitted to obtain practical training by taking up service in the Madras Public Works Department. It was also stipulated that such students should serve for the full period of one year and that if they leave the Department in the meantime, the period they had already served would not count towards the prescribed practical training. This penalty was not, however to be imposed on those who are permitted to give up service in order to join the Indian Railway Service of Engineering. One K.S.J. Chakravarthi a mechanical Engineering student who passed the College Examination of March 1945 took up service as a temporary supervisor in the Public Works Department and served the department from 10-8-45 to 13-2-46 (inclusive). He had to rest for his temporary appointment to prepare himself and appear for the B.E. Degree Examination of March 1946. The Chief Engineering Public Works Department is reported to have informed the Principal, College of Engineering Guindy that as the student had left the department before the completion of one year's service, the service rendered by him would not count towards practical training. The Principal requests, that as the student resigned his temporary appointment for a bona fide purpose viz. preparing and appearing for the B.E. Examination the condition prescribed by Government may be released as a special case and the service rendered by him be recognised as practical training. I recommend the request of the Principal.

for Director of Public Instruction.

P.T.O.

COPY OF R.C.No.17-230-P/47.

College of Engineering,
Guindy, Madras-15; dated 8-10-47

To

The Director of Public Instruction, Madras.

Sir,

Sub:- Recognition of Service as Agricultural Engineering Supervisor for the purpose of awarding college Diploma.

(13) Sri T.K.Parthasarathy B.E.(Mech) is serving as "Agricultural Engineering Supervisor" in the Agricultural Department since 20th March 46. He has already undergone practical training for a period of 0-6-14 days in the P.W.D. Workshops, Madras and has therefore to put in 0-5-16 days more to complete one year's practical training and to become eligible for the College Diploma. Govt. have in their order No.Mis.1058 Edn. dated 15-7-47 stated that service rendered by passed students of the College in the P.W.D. will be treated as practical training for the purpose of awarding diploma. I therefore request that Government may kindly be addressed for recognising the period of 0-5-16 days of service as Agricultural Engineering Supervisor rendered by Sri T.K.Parthasarathy, B.E.(Mech) as practical training prescribed in Rule 17 of the Rules relating to the constitution of working of the College of Engineering, Guindy for the purpose of awarding College Diploma. The report received from the officer under whom he is serving is satisfactory.

(A) 3 In G.O.No.1360 Edn.; dated 27-6-47 communicated with your proceedings Dis.No.3393/47, dated 9-7-47 Government have granted similar recognition in the case of Sri M.Umapathy, B.E.(Mech) of this college.
