Sir,

* SUB:- Inspection - Jurisdiction of the District Educational Officer, Coimbatore and the Nilgiris - Bifurcation of - Creation of the post of an additional District Educational Officer with Establishment - Proposals submitted.

ENCLOSURES _____

SPARE COPIES _____

In connection with Part II of the Budget Estimate for 1948-49, I have the honour to submit for favourable consideration and sanction of Government the following proposals for the confirmation of the jurisdiction of the District Educational Officer, Coimbatore and the Nilgiris and for the creation of an additional post of District Educational Officer with necessary Establishment.

The Divisional Inspector, Coimbatore reports that it has been found from experience that the inspection jurisdiction of the District Educational Officer, Coimbatore and Nilgiris Districts has been far too extensive and much time is spent on travelling in this wide area and that effective supervision and frequent contact with the inspecting officers, heads of institution, parents and the public are not possible. Moreover the number of secondary schools has increased in recent years in both the Districts. With a view to minimising the difficulties in travelling and to reduce the inspection work so that more effective work may be done, the Divisional Inspector suggests that the Jurisdiction of the District Educational Officer, Coimbatore and Nilgiris may be bifurcated and placed under separate District Educational Officers. The proposal of the Divisional Inspector is examined below:

The number of schools and the number of Deputy Inspectors in the two Districts, Coimbatore and the Nilgiris are as follows:--

	Coimbatore District	Nilgiris District.	Total under the Jurisdiction of the District Educational Officer, Coimbatore and Nilgiris.
Senior Deputy Inspectors	8	1	9
Junior Deputy Inspectors.	4	1	5
Secondary schools.	34	6	40
Training schools	4	1	5
Special Schools	2	1	3
Ele.Schools	725	87	812
under Pub.management	725	87	812
under Private "	258	42	300
	983	129	1112

Though the number of Elementary schools under the jurisdiction of the District Educational Officer, Coimbatore and the Nilgiris may not be considered large, the number of secondary schools is very large. 40 secondary and 8 special schools are really too many for one officer. And the more important consideration is the vast numbers of area - Coimbatore and Nilgiris. Further one defect in the division of taluks of the Coimbatore District is that the East is without any Railway Communication. I consider the bifurcation of the jurisdiction of the District Educational Officer is urgent and necessary. The Nilgiris District gets neglected and being a very undeveloped area needs greater attention which the District Educational Officer now unable to give. The Division will enable the District Educational Officers concerned to concentrate more on improving the low level of educating efficiency and to devise ways and means for liquidating mass illiteracy in certain backward parts of the Districts, especially to the plantation area of the Nilgiris. Hence I recommend that the jurisdiction of the District Educational Officer, Coimbatore and Nilgiris be divided into two Educational Districts, Coimbatore East and Coimbatore West one comprising the taluks, Erode, Bhavani, Gobi, Kollegal, Dharapuram and Palladam and the other comprising the taluks of Coimbatore, Avinasi, Udumalpet, Pollachi and Nilgiris - and each district placed under a separate District Educational Officer with headquarters at Erode and Coimbatore respectively.

The number of schools and other particulars that the proposed Districts will have are furnished below for ready reference.

Name of the District.	(1) Coimbatore East.	(2) Coimbatore West.
Headquarters.	Erode	Coimbatore
Jurisdiction	Cover taluks, Erode, Bhavani Gobi, Dharapuram Kollegal and Palladam.	Cover taluks - Coimbatore, Avinasi Udumalpet, Pollachi and the Nilgiris.

Juniors.	2	4
No. of secondary schools.	19	21
No. of Training Schools.	2	3
No. of Special schools.	1	3
No. of Elementary schools.	572	540

In the circumstances, I request that the Government may be pleased to approve my proposal for the bifurcation of Coimbatore and the Nilgiris Districts as suggested above and sanction the post of an additional District Educational Officer in the Madras Educational Service and an Establishment consisting of 1 Head clerk (Upper Division) 4 Lower Division clerks, 2 typists and 3 peons - the normal staff for a District Educational Officer's office with effect from the year 1948-49.

Sir,

subject: Inspection - Jurisdiction - Tanjore District -
Bifurcation into Educational Districts,
Tanjore East and Tanjore West - Proposals -
Submitted.

In connection with the Part II of the Budget
Estimate for 1948-49, I have the honour to renew for favourable
consideration and sanction of Government the following proposal
for the bifurcation of the Tanjore District into two Educational
Districts under two District Educational officers.

The need for and the manner of bifurcation
of the district have been fully explained in my letter RC.No.
2227-K.3/46 dated 30-9-46 to Government submitting the proposal
in connection with the Part II scheme for 1947-48, which was
deferred in Govt. memorandum no.57699-A.2 dated 12th December
1946. The Divisional Inspector reports that the work in the
District has become too unwieldy to be managed by a single
officer without dwarfing efficiency and urges for the bifurcation
of the District. I also consider it necessary to bifurcate the
District in the manner proposed in my letter cited above and
request that Government may be pleased to sanction the bi-
furcation of the District and the employment of an additional
District Educational officer with the required staff.

The revised cost of the proposal is
worked out below:

Cost in 1948-49		
Pay of one Dt.Edl.Officer in the Madras Educational Service 230-700	230 x 10	2300

Inspection--Creation of the post of a 3rd District
 Educational Officer for Malabar District with establish-
 ment--Proposals. Submitted.

In connection with Part II of the Budget Estimate for
 1948-49, I have the honour to submit for favourable considera-
 tion and sanction of Government the following proposal for the
 creation of the post of a third District Educational Officer
 for Malabar District.

From the educational point of view, Malabar is one of
 the heaviest Districts in the Province with many secondary and
 elementary schools. The work in the District even after its
 bifurcation into North and South Malabar has become so heavy
 as a result of the increase in the number of secondary and
 special schools on account of the various postwar schemes that
 the two District Educational Officers in the District are
 finding it very difficult, if not impossible to complete
 their inspection work of secondary and special schools, and to
 devote proper attention to Elementary Education - and other
 work attached to the posts. Hence in the interest of efficiency
 proper control and supervision of schools in the District, it
 is very necessary that one more District Educational Officer
 should be appointed for the District.

The present jurisdiction of the District Educational
 Officers North and South Malabar, the number of schools under
 each etc. are detailed below:

	North Malabar	South Malabar
Jurisdictions (Taluks of)	1. Chirakkal 2. Kottayam 3. Kurumbranad 4. Wynad 5. Calicut	1. Palghat 2. Walluvanad 3. Cochin 4. Ponnani 5. Ernad.
	North Malabar	South Malabar
No. of Secondary Schools ..	31	45
No. of Training schools ..	4	4
No. of Special schools.	1	2
No. of Public Libraries ..	14	16
No. of Commercial Schools	12	14
No. of Orphanages.	8	8
No. of Dy. Inspectors Ranges	8	7
No. of Elementary schools.	1485	1523

In view of the heavy items of work, I propose that the
 District be trifurcated into North, Central and South Malabar
 comprising the following taluks for each district and placed
 in charge of separate District Educational Officers. The
 number of schools each District Educational Officer will have
 is also furnished against each district.

for certain districts - Part II scheme

In the past educational districts like
Malabar, Vizagapatnam, Guntur and Tinnivelly
were bifurcated as the charge was heavy for
one D.E.O. In connection with the part II estimates
for 1948-49, the D.P.S. has subd the following
proposals: -

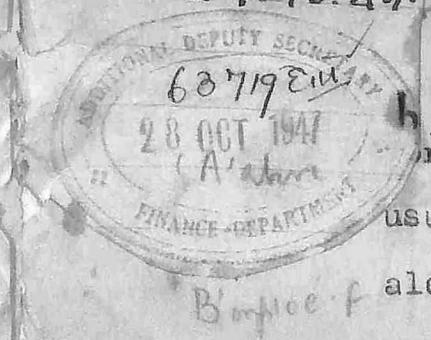

- H 1-3 cf (1) bifurcation of the dt of Coimbatore and
admission of Nilgiris into Coimbatore East and Coimbatore
West
- H 7-8 cf (2) bifurcation of the dt of Tanjore into Tanjore
East and Tanjore West
- H 9-11 cf (3) bifurcation of the dt of Malabar into
Malabar North, Malabar Central and
Malabar South

The Director has fully explained the reasons
for the proposals. In each case the usual staff
requirement is suggested. The proposals may be supported
in this dept. The file may be sent to the Fin
Dept for remarks.

2. The proposals may be examined with reference to the statement on p.25 of G.O.818 Edn dated 16-4-46 which sets out the relevant statistics in respect of all districts.

Coimbatore. There is now one D.E.O for Coimbatore and the Nilgiris dts. The number of schools under his jurisdiction is shown below

Secondary schools	40
Training schools	5
Special schools	3
Elementary schools	1112

In addition to the statistics furnished, the peculiarities of the district pointed out by D.P.I in support of his proposal are

- (1) The area is wide
- (2) Coimbatore West (Erode, Bhavani, Gobi, Dharapuram, Kollegal and Palladam) is without any railway communication.
- (3) With the proposed bifurcation, more time can be concentrated in liquidating illiteracy in certain backward tracts of the dt. especially the plantation area of the Nilgiris.

The work in Coimbatore/dt is compared below with the work in Godavari East dt.

	Coimbatore	Godavari East.
Secondary schools	40	32
Training Training schools	5	4
Special schools	3	3
Elementary schools	1112	1866

The statistics relating to Godavari East was prepared in December 1945 and it is likely that the number of schools under the various categories might have been increased in the meantime. It would seem that communications in Godavari East also are not easy. When examined with reference to Godavari East, the case for Coimbatore for an additional D.E.O. is not strong and Finance may advise against the proposal.

The figures for Coimbatore are not much different from the figures for Godavari East. The figures for Coimbatore are 1112 elementary schools and 48 special schools. The figures for Godavari East are 1866 elementary schools and 40 special schools. The figures for Coimbatore are not much different from the figures for Godavari East. The figures for Coimbatore are 1112 elementary schools and 48 special schools. The figures for Godavari East are 1866 elementary schools and 40 special schools.

Tanjore. E.P.H may be requested to put up the papers

referred to at A on p.7 C.F.

Malabar. There are now 2 D.E.Os. It is proposed to sanction an additional D.E.O. with the following staff

- 1 P.A. to D.E.O on Rs 85-175
- 2 L.D clerks
- 2 typists
- 3 peons

conversion of ^{an existing} U.D post into L.D post.

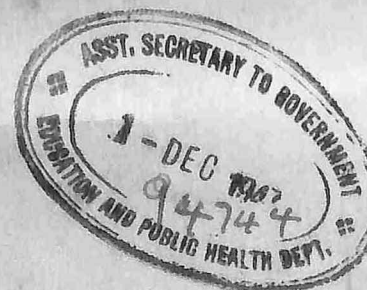

The ^{statistics} ~~statistics~~ furnished at A on p.9 C.F. when

compared with the statistics in respect of the other Dts on p.25 of (J) seems to justify the necessity for an addl. D.E.O The proposal may therefore accepted subject to the following remarks.

1 P.A to the D.E.O. The need for a P.A on Rs 80-175 has not been explained. With the proposed redistribution of work among the 3 D.E.Os, it does not seem that the work allotted to the additional D.E.O will be so heavy as to require the services of a P.A. Finance may advise against the proposal. If there are posts of P.A under the existing D.E.Os in the Malabar dt. this Department may advise that they may also be abolished.

North malabar. The total number of schools is 1563 against 1544 in 1945 (c.f 25 flag J 4.0 no 818 Edn dated 16/4/46) There has not been much increase. The case for an additional officer is weak. Also taking other districts say East Godavari or for purpose of comparison the number of schools is less. The proposal may be negative.

South malabar. Total number of schools is 1619 against 1625 in 1945. There has been a slight decrease in the number. Also comparison with East Godavari for example does not support help. The proposal may be negative.

The file has been sent to this dept. for consideration of the following proposals.

- (1) The employment of an additional D.E.O. for Tangore.
- (2) The employment of a P.A. to the additional D.E.O. proposed to be sanctioned for Coimbatore.

2/ Proposal (1) above: E.P.H. have now put up the relevant papers in which the D.P.I. has furnished the necessary statistics. The proposal was considered last year and deferred. It will be observed from the statistics furnished that the present D.E.O. Tangore has to inspect only 1679 schools (including libraries) whereas the corresponding numbers for Godavari East and North Arcot are 1705 and 1643 respo. When compared to the total number of schools in 1945 viz. 1662 under the supervision of the D.E.O. Tangore, it will be observed that there has not been much increase since then. The case for an additional D.E.O. for Tangore is weak and Finance may advise against the proposal.

Proposal (2) above: E.P.H. have pointed out that this dept. have not dealt with the proposal for the employment of a P.A. to the additional D.E.O. proposed for Coimbatore. It will be observed from the D.P.I.'s letter that though he has included a P.A. in the statement of expenditure he has not specifically asked for sanctioning the post of a P.A. A P.A. for the additional D.E.O. has been suggested presumably for the reason that the existing D.E.O. is having a P.A. With the employment of an additional D.E.O. the total number of schools each of the 2 D.E.Os may have to inspect will not be 600 and 575. This is not even half of what the D.E.Os of Godavari East and North Arcot are inspecting. In fact the D.P.I. has not proposed a P.A. for the additional D.E.O. proposed for Tangore. While opposing the proposal for a P.A. for the addl. D.E.O. proposed for Coimbatore Finance may advise that the post of P.A. if any under the existing D.E.O. Coimbatore may be abolished if eventually it is decided to have an additional D.E.O. for Coimbatore.
