My dear Subrahmanyam,

REF: Pension - Sri V. R. Ranganatha Mudaliar - Counting of officiating service rendered in the chain of arrangements made in a vacant post.

I invite your kind attention to the correspondence ending with your D.O.No.5869-C/44-2, Education, dated 7-3-1944 in which you have conveyed that the Government were unable to comply with the request made in my D.O. No.2605-C/41 dated 20-8-1943 to the Adviser to H.E. the Governor.

(2) 25-26
(2) 13-14

As already stated in para 2 of my letter, R.C.No. 2605-C/41 dated 6-6-1943, Mr. V.R. Ranganatha Mudaliar was entertained as an officiating Deputy Inspector of Schools in the Subordinate Educational Service on 11-10-1924 and he was promoted to the Madras Educational Service on 8-7-1926 and subsequently confirmed in the latter service on 8-11-1934. Of the total officiating service of 10 years and 27 days both in the Subordinate Educational Service and in the Madras Educational Service, it is seen that only a period of 7 months and

(2) 1-2
A 115

17 days will count for pension. He could not be confirmed in the Madras Educational Service during the period from 8-7-1926 to 7-11-1939 on account of the re-organisation of the Gazetted services. Please see, in this connection, my letter R.C.No.2605-C/41 dated 30-10-1941. He is due to retire on 10-11-1947 and by then he would have put in only 13 years 7 months and 19 days of qualifying service entitling him to a pension of less than a quarter of his average emoluments as the result of his losing over 9 (nine) years of service. Unfortunately for Mr. V.R. Ranganatha Mudaliar, he has no temporary service to his credit and the concession envisaged in your D.O.No.27731 C/43-1 dated 25-9-1943 cannot, therefore, be extended to him.

He has thus lost so much of his officiating service through no fault of his own; firstly owing to the fact that his name was shown in a chain of arrangement against vacancies for the sake of administrative convenience and secondly his confirmation in the Madras Educational Service had to be deferred for nearly eight years owing to the re-organisation of the Gazetted

③

services.

I request you, therefore, to move the Government in the matter and see whether they will be willing to approach the Government of India in the case of Mr. V.R. Ranganatha Mudaliar with a view to declaring his officiating service as qualifying for pension under the powers vested in them under Article 361-A of the Civil Service Regulations.

Note by the Administrative Department.

The Director of Public Instruction proposes that a model school with standards I to V may be opened in connection with the Government Training School for Masters, Badagara, from 1st June 1942. In justification of the proposal he states as follows:-

> "The Government Training School for Masters, Badagara, is an higher elementary training school with two sections in each of the junior and senior classes. There are 176 students on the rolls in the current year.
>
> "The school has no model school of its own. An aided elementary school about 6 furlongs from the training school is being used as a model school. This arrangement is considered unsatisfactory both by the District Educational Officer and the Divisional Inspector. In the revised syllabus, considerable emphasis is laid on practical work in the model section and the students or pupil teachers have to spend more periods on teaching practice. This is possible only if the model school is very near to the training school and under the complete charge of the headmaster of the training school".

The proposal involves the employment of five secondary grade teachers

Sir,

Sub: Pension - Sri V.R. Ranganatha Mudaliar, Divisional Inspector of Schools, Coimbatore - Counting of officiating service.

32332

With reference to para 1 of Government Memorandum No. 39981-C/44-10,Education, dated 17-1-1945, I have the honour to state that during several periods of his officiating service both in the Subordinate Educational Service and the Madras Educational Service, Sri V.R. Ranganatha Mudaliar was shown in a vacant chain of arrangements while he could have been shown as officiating directly in those vacancies. The officers who have been shown as officiating directly in those vacancies were permanent incumbents and hence derived no benefit by officiating directly in those vacant posts. Such periods of officiating service rendered by Sri V.R. Ranganatha Mudaliar in vacant chain of arrangements work out to 5 years 8 months and 1 day. If the benefit of these periods can be given to Sri V.R. Ranganatha Mudaliar, his pension will be substantially increased. I request therefore that Government may be pleased to declare such periods of his officiating service as counting for pension.

M

2. Sri V.R. Ranganatha Mudaliar was considered as a direct recruit to the Madras Educational Service. This fact was reported to Government in this office letter Cl.No.28/34 dated ~~22x10x~~ 29-10-1934 and Government seem to have accepted it. His seniority for purposes of probation and confirmation were decided on this basis. I would therefore request that the concession contemplated in art 404-A Civil Service Regulations may be made applicable to him.

3. With reference to paragraph 2 of the Government Memo. cited above, I have the honour to state as follows:--
In accordance with the recommendations of the Lee Commissic March 1924, recruitment to the Indian Educational Service w stopped. Consequently a large number of posts in the I.E.S. which fell substantively vacant were held in abeyance and temporary posts in the Madras Educational Service were created instead. The officers in the Madras Educational Service who were awaiting confirmation could not be confirmed in the above temporary posts till those posts were permanently relegated to the Madras Educational Service. Finally, on the suggestion of the Government of India the Government of Madras after consultir the Director of Public Instruction abolished 15 posts in the I.E.S. which were then substantively vacant and which were held in abeyance and in their stead created a corresponding number of posts in the Madras Educational Service - Vide G.O.No.1519 Law (Education), dated 21-6-1934. Only as a result of the above G.O. it was possible to propose the confirmation of Sri V.R. Ranganatha Mudaliar and certain other officers. Further, t delay in the confirmation of certain officers in the Educat ion Department during the period from 1924 to 1934 was also [illegible] to the following factor. The Lee Commission while recommen ing th stoppage of recruitment to the I.E.S. had made certain recommen-

dations..........

-13-

recommendations for the re-organisation of the Superior Educational Services on a provincial basis. This question of re-organisation was under consideration of the local Government for a long time. Pending this re-organisation, as already pointed out the vacant posts in the I.E.S. were kept in abeyance and only temporary posts in the M.E.S. were created instead. In G.O.No. 407 P-Law(Education), dated 8-3-1930 the Government were pleased to create class I and class II Provincial Educational Service corresponding to the I.E.S. and the M.E.S. respectively. But by the time the above proposals were actually given effect to, the Retrenchment Schemes had to be put into operation. The proposals in regard to the re-organisation of the Superior Educational Services in this Province were kept in abeyance and subsequently given up altogether. It may be observed from the above that during some years preceding 1934 the condition of the Madras Educational Service was in a fluid state so far as the question of confirmations was concerned. I may, therefore, ~~subject~~ submit that the cessation of recruitment to the I.E.S. and the keeping in abeyance of vacant posts in the I.E.S. and the creation of temporary posts in the M.E.S. instead, the re-organisation of the Provincial Superior Educational Services and the operation of the Retrenchment Schemes were factors that contributed to the delay in the confirmation of Sri V.R. Ranganatha Mudaliar and certain other officers till 1934.

Sri V.R.Ranganatha Mudaliar has an officiating service of over a period of ten years in the M.E.S.S. and M.E.S. together. In paragraph 1 of the letter cited above the D.P.I. has stated that the officer could be shown as having directly officiated for a period of over five years. The Director is now requested to report whether any officer other than Sri Ranganatha Mudaliar will count service or will have similar claims to count service, for pension in the posts in which he officiated directly.

With reference to Government Memo No.39981 C/44-13 Edn., dated 5-12-45, I submit herewith a statement showing the arrangements according to which Sri V.R.Ranganatha Mudaliar officiated both directly and indirectly in substantive vacancies. From the details furnished indicating the full chain of arrangements in each vacancy, it may be seen that no other officer will count service for pension or will have similar claims to count service as all the officers who have directly officiated in the vacant posts were already permanent incumbents having been confirmed earlier in some other post. To illustrate by an example, in item (1) of the accompanying statement, Sri P. Sankaralingam Pillai is shown as having officiated directly in the vacant post of Deputy Inspector of Schools, Srivilliputhur during the period from 8-11-24 to 30-11-24. As Sri P.Sankaralingam Pillai was the permanent Deputy Inspector, Nanguneri Range, having been confirmed before 8-11-24, he will not in any way be benefitted by officiating directly in the vacant post during the period referred to above.

(V) 2. G.O.No.970 P.S. dated 24-3-1944 does not seem to apply to the present case, as the vacancies were in existence long before the commencement of the recent world war.

Sir,

40334

In returning herewith the letter of the Director of Public Instruction with its enclosure, I have the honour to state that the arrangements shown in the statement are not susceptible of verification in this office. But the following remarks are offered to enable Government to determine whether the periods of officiating service referred to in the statement satisfy the conditions of Article 371 C.S.R.,

Officiating service in the Madras Educational subordinate service Items (1) to (4) of the statement.

Items (1) and (2) Deputy Inspector of Schools - Vacant from 8-11-24 to 31-12-24. p. 18 ante	Information as to how the post became permanently vacant during this short period only and what became of the permanent incumbent is necessary. It is seen from item (3) that Sri. K. Aravamutha Ayyangar was the permanent Deputy Inspector of Schools, Srivill puttur.
Item (3) Deputy Inspector of schools vacant from 4-5-25. p. 19 ante	It should be ascertained whether no one else was confirmed in the vacanc with effect from the date of retirement (4-5-25) of Sri. C.Minakshisundaram Iyer.
Item (4) Assistant Government Muhammadan High School, Kurnool vacant from 1-6-25 to 9-6-25 p. 19 ante	Information as to how the post was vacant during this short period only is required. The officiating appointment against this vacancy has been shown to be in the Government Muhammadan High School, Vellore. This appears to be a mistake. The appointment as Deputy Inspector of schools against a vacancy in the cadre of school Assistant is in a chain of arrangements and not directly in a vacant post.
Item (5) Principal Government College Mangalore - Vacant (from 13-6-27 to 23-11-27) p. 20 ante	When and how did the post become vacant should be stated. It may a be ascertained whether no one else was confirmed in the vacancy from t date on which it became vacant.
Items (6) to (8) D.E.O. West Godavari and Madras - vacant 27-11-27 to 2-2-28; 7-3-28 to 8-8-28. pp. 20-21 ante	Information as to how the posts remained vacant during the period and whether no one was confirmed retrospectively from the dates from which the vacancies arose should be examined. The arrangements should be considered to be in a chain and not directly in vacant posts as the post of Head Master is not in the cadre of District Educational Offic

Item.9 D.E.O. Cuddapah vacant from 2-10-28 to 10-3-29.	Nature of vacancy may be ascertained The appointment as officiating senior lecturer during the period was in a chain of arrangements.
Item 10. Dr. John Mathai - Professor of Economics, Presidency College. On deputation to the Government of India (11-3-29 to 9-4-30)	The vacancy due to deputation to the Government of India is not a foreign service vacancy.
Item 11 - Vice Principal, Teacher's College, Saidapet 19-4-30 to 29-10-30.	Information as to why the post was vacant during the period is required.
Item 12 - Vacancy in the I.E.S. due to foreign service in the Calcutta University of Sri. S.Radhakrishnan 6-12-30 to 9-10-31.	The appointment as officiating lecturer in this vacancy is not to be considered as officiating in a directly vacant post.
Items 13 and 14 - Vacant District Educational Officer, Bellary (30-12-32 to 2-7-33) and District Educational Officer, Coimbatore 11-11-33 to 9-2-34.	Information as to how the posts became vacant and why they were kept vacant during the periods should be obtained to see whether no one else was confirmed in those vacancies.
Item 15 Vacant Deputy Director of Public Instruction (Personnel) 10-2-34 to 7-11-34.	---do---

2. Para 8.A below Article 371 C.S.R. in the Madras Supplement to the C.S.Rs. does not supercede the orders contained in G.O.229 Finance (Pension) dated 8.5.42 but should be taken to be an explanation of the exact scope of those orders. Unless it is assumed that all the posts in the different classes and categories of service in the Education Department, Gazetted as well as Non-Gazetted, form a single cadre, an assumption which is opposed to facts, it is difficult to see how the Rao Bahadur will under the operation of para 8-A count service against vacancies in the cadres which were totally different from the one to which he was recruited initially, and from those in which he was employed from time to time.

8A. When a fresh recruit entertained in an officiating capacity againt a vacancy in a cadre is eligible for any post included in that cadre and not merely for the particular post in which he is in fact posted to officiate the benefit of Article 371, Civil Service Regulations, should accrue to him in respect of the vacant posts, service in which qualifies him under this Article. Similarly, when two or more fresh recruits so eligible are entertained in an officiating capacity against, for example, one permanent vacancy and one or more leave vacancies in a cadre, it is the seniormost among these officers who should get the benefit of that article in respect of the permanently vacant post, even though he may be posted to officiate not in it but in one or other of the leave vacancies.

In continuation of my letter Rc.5697 J4/46 dated 7-11-46, I have the honour to state as follows.

Item 4: It is seen that there were three school Assistants in the Muslim High School, Kurnool, besides the Headmaster and that of these three Assistants two were outsiders and one was officiating with a permanent lien in the Government Training School, Rajahmundry. There is no mention of names of incumbents holding permanent lien in the Government Muslim High School, Vellore during the period under reference. Hence the three posts of school Assistants may be considered as vacant. Mr. V.R.Ranganatha Mudaliar was shown only in a chain of arrangements.

Item 7 and 8: Consequent on the grant of leave to Mr. R.W. Ross, District Educational Officer, Madras, the Government directed that the post of District Educational Officer, Madras in the ~~Inspectress of European Schools~~ Indian Edl. Service be kept in abeyance from 3-3-1928 and created a temporary post of District Educational Officer in the Madras Educational Service instead. Mr. Ross rejoined as District Educational Officer, Madras in August 1928 (Vide G.O. Mis.468L.E. dated 8.3.28 and G.O. No.1624 L.E. dated 2.8.1928).

Item 9: From the list of Gazetted Officers for 1928 it is seen that Sri P. Parthasarathy Nayakar, permanent District Educational Officer, ~~Cuddapah~~ West Godavari was on other duty as District Educational Officer, Cuddapah. Sri V.R. Ranganathan has been shown against the vacancy at Cuddapah in the chain of arrangements.

Item 15: The permanent incumbent of the post of Deputy Director of Public Instruction (Personnel) viz. Mr. M.A. Candeth died only on 28.3.34 and the post was rendered substantively vacant till January 1936.

2. I have already reported in detail in para 3 of my letter Roc.No.2605-C/41 dated 16-7-1945 how the delay in the reorganisation of the Madras Superior Educational Service postponed the confirmation of Sri Ranganathan. The reorganisation was ordered in G.O.No.1152 P (S) dated 5-11-1929; and the Government in their order No.Ms.946 Edn., dated 8-5-1947 directed that for purpose of counting services for pension with reference to para 8 A under Article 371 C.S.R.(Madras Supplement) posts of professors, Lecturers and District Educational Officers in the Madras Educational Service be treated as having belonged to a single cadre before the issue of G.O. No.1152 P(S) dated 5-11-29. I have the honour to request that the posts of Headmasters of certain Secondary and Training Schools which were reorganised in the G.O. ibid and brought under the Junior M.E.S.Scale may also be included in the single cadre referred to in G.O.No.946 Ms. Edn., dated 8-5-47. If this is agreed to by Government, then the benefit contemplated in G.O.No.946 Ms. Edn., dated 8-5-1947 may be extended to Sri Ranganathan. Extending the benefit to him the following services may be declared to count for pension as there were vacant posts of District Educational Officers, Headmasters, and Lecturers during the period in question and Mr. Ranganathan may be considered to be the seniormost of the officiating persons in the cadre for purpose of para 8.A under article 371 C.S.R. In 1939, the A.G., in a communication addressed to the D.P.I., interpreted Article 371 of the C.S.R. to mean that an officer without a substantive appointment ~~is~~ eligible to count his officiating service only if he officiated directly in a vacant post and not if he merely officiated in the chain of arrangements made in c~~onsequence of some other~~ vacanc~~ies~~ post. On this the D.P.I., addressed Government in 1941 stating that the interpretation should not be given retrospective effect as it would seriously affect the pensions of many officers of ~~Ed~~ the Educational Department. In G.O.229 Finande, dated 8.5.42 the Government upheld the A.G's ruling and directed that it should be applied to all officiating service i.e., whether rendered prior to 1939 or after that date.

2 In June 1943 the D.P.I., again came up with a request for the reconsideration of the orders in the G.O. mentioned above with particular reference to the case of Sri V.R. Ranganatha Mudaliar. In a subsequent letter he pointed out the cases of some other officers also. In D.O.No.5869C/44-2 Edn., dated 7.3.44 the Director was informed that no general relaxation of Article 371 C.S.R. as interpreted by the A.G. could be made as suggested by him and that individual cases might be submitted for orders of Government on the question of granting concession of counting temporary service for pension under article 361A. C.S.R. The present letter from the D.P.I. is with reference to th~~is~~ correspondence ending with the above do.

3 The only new factor disclosed in the present reference is that as Sri V.R. Ranganatha Mudaliar has no temporary service to his credit and cannot therefore get the benefit of Article 361A. C.S.R. (Officiating service does not come within the scope of the Article.), ~~He therefore requests that~~ the Government of India may be approached with a view to declaring the officiating service of Sri V.R. Para 1 of the D.P.I.'s letter: This does not add any new information to what has already ~~been~~ given.

Para 2 of the letter: There is no warrant for the presumption, as there was no noting, and much less a deliberate decision, on the Director's letter at p.15 of G.O.No. 2306-Edl., dated 8-11-1934.

Para 3 of the letter: The Director has not even now shown whether it would have been practicable to show Mr. Ranganatha Mudaliar against the temporary M.E.S. posts created between 1926 and 1934 - pp.15-16 and 28-29 of "Z".

It does not appear possible to make any advance in the consideration of the case.

But what about 'P' at p: 12, 8, in the reference of this?

Will the Government not consider the case for 'relaxation' of Art: 371?

"A" above: The Director had stated in his letter at page 15 of (X) that Sri Ranganathan had been considered as a direct recruit. There was no discussion on this point in the notes connected with the G.O. In so far as the statt had not been questioned, it should be taken that Govt. had accepted it. In that view, Sri Ranganathan will be eligible to add five years to his qualifying service for pension under Article 404 A C.S.R. (His age on first appointment to the M.E.S. was 34 years). He will then have to his credit a service of 18 years 7 months and 19 days qualifying for pension at the time of retirement.

I think this case will be in interest for the General line indicated below being made applicable to him as at 'N' below.

"B" above: It is a fact that as explained in paragraph 3 of the Director's ~~of Public Instruction~~ letter on pp. 12-13 c.f., the re-organisation of the gazetted services

I think there is no justification for the General [illegible] [illegible] seems to [illegible]

There are cases in the Edn. Dept. from that of officers in other departments, for a relaxation of Art: 371 in these cases.

of the Education Department delayed the confirmation of officers in that department. Please see the minute of the then Minister for Education on page 55 of G.O.No.1519 Edn., dated 21-6-1934. It seems that there is a good case for allowing the period of 5 years 8 months and 1 day during which Sri V.R. Ranganatha Mudaliar could have been shown as officiating directly in a vacancy to count for his pension. Attention is, however, invited to Finance note at "P" on page 32 of (Z). In view of that, it is for orders whether the D.P.I's ~~staff~~ statement at "M" on page 12 c.f. will be considered sufficient or whether a comprehensive statt should still be obtained (The D.P.I. cannot ~~obviously~~ apparently furnish such a statt.)

29/9/45

There is obviously no use trying to pursue the question on these lines: it will have to be decided in the General manner mentioned above.

The case deals with proposals to grant certain pensionary concessions to Mr. V.R. Ranganatha Mudaliar, Deputy Director of Public Instruction who is due to retire on 10-11-1947. On this date Mr. Mudaliar shall have rendered service as follows:--

	From	To	Period
(i) Officiating service as Dy. Inspector of Schools	11-10-24	7-7-26	1 8 27
(ii) Offg. service in the M.E.S.	8--7-26	7-11-34	8 4 0

Service qualifying for pension out of the above period			0 7 17
(iii) Permanent service in the M.E.S.	8-11-34	10-11-47	13 0 2
(b) Total service qualifying for pension			13 7 19

D.O. w/ pp 1-2 cf

2. The proposals are to allow Mr. Mudaliar
   (i) to count a period of 5 yrs. 8 months and 1 day out of (a) for pension, or
   (ii) to add five years to service (b) under Art: 404-A, CSR.

'P' & 'M' at pp 6-7 above

3. Proposal (i) in para 2 above.- The period concerned is officiating service. An officer without substantive appointment could count his officiating service only if he officiated directly in a vacant post. The D.P.I. reported at first that Mr. Mudaliar was appointed only in the chain of arrangements but has since been able to show him as having directly officiated for a period of over 5 years. The concession

'C' at p 2 cf

The Concession is admitted in such cases subject only to it being ensured that not more than one person counts service for pension in the posts concerned. But the Secretary, E.P.H. is not in favour of the point being settled in accordance with this usual procedure. It is argued that due to the operation of reorganisation and retrenchment schemes the conditions of the M-E.S. during the period ~~of the Superior services~~ from 1924 to 1934 was in a fluid condition so far as the question of confirmation was concerned, and that a number of officers have had consequently to be shown as officiating in vacant posts. Secy. E.P.H. considers that these officers should be given the benefit of the concession under Art: 371 C.S.R. whether the offg. arrangement was direct or not. It is submitted that this representation was thoroughly examined in ~~1939~~ 1942 and 1944. The Govt. were not prepared to agree to the general relaxation of Art: 371 C.S.R. proposed but they informed the D.P.I. last year that individual cases might be submitted with a view to granting the benefit of Art: 361-A, CSR whenever such a course is permissible. No new fact or argument has now been adduced to justify reopening of this general question so soon. Finance may suggest that cases of individual officers may be dealt with on merits as ordered. Almost every department has cases where subordinates have a non-qualifying service ranging up to 10 years or even more due to circumstances beyond their control. Only a portion of temporary service is allowed to count in special cases. Mr. Mudaliar gets benefit of over half of his officiating service if the procedure at 'W' above is satisfied. There would therefore appear to be no need or justification to depart from the usual practice in this case. To agree to a general relaxation of Art: 371, C.S.R. as suggested by Secy. E. and P.H. would result in allowing service in one post to more than one person and this is opposed to the fundamental principle laid down in Art: 355 (b) C.S.R. Finance may therefore advise against the relaxation of Article 371 C.S.R. in this and similar cases.

4. Proposal (ii) in para 2 above.- Officers specified under Art: 404-A, CSR can, subject to the prescribed conditions add to their qualifying service the actual period not exceeding 5 years by which their age at recruitment exceeded 25 years. Under para 6 under Article 404-A, CSR in the Madras Supplement, the benefit of the

concession will be given only to those officers who are recruited directly to the posts mentioned in that Article, and not to those who are subsequently promoted to such posts.

This clearly applies to the case
WS

P

Mr. Mudaliar was first appointed as Deputy Inspector of Schools in the Subordinate Edl. service in 1924 and was promoted to the M.E.S. in 1926. - please see the Director's statement at 'A' on page 1 C.F. and 'M' on page 1 C.F. of (Z). It is opposed to (P above to) admit the officer to the concession in Art: 404,A. C.S.R.

The D.P.I. says that Mr. Mudaliar was considered as a direct recruit to the M.E.S. and that seniority for purposes of probation and confirmation were decided on this basis. A promotee can never be considered to be a direct recruit. The Govt. never considered him as such. ~~In the absence of express orders on the point, the action taken by the D.P.I. on such a basis was therefore wrong.~~ It cannot, at any rate, commit the Govt. to a course of action opposed to facts and rules. ~~and which~~ Finance may therefore suggest that Mr. Mudaliar should not be given this concession.

This may have been so for the purpose of the Service Rules. For the purpose of CSR 404 A CSR he was clearly not a direct recruit in view of the ruling referred to above.
WS

WS

5 It is submitted in this connection, that the concession involved in the proposals are not among the questions that are permitted to be considered before retirement. Please compare the list on pages 112-113 of the Madras Supp. to the C.S.R. ~~The proper course is therefore to advise the E. and P.H. dept. to take up the questions for consideration at the time of sanctioning the officer's pension.~~

There seems to be no justification for treating cases in the Education Dept differently from others so far as the operation of Art 371 CSR is concerned. The rule is that the officiating [illegible] referred to in Art 371 should be directly in the vacancy in question and should not be deduced at the end of a chain of arrangements. This rule has been applied strictly in all the Depts and may be applied here also.

The trouble is that Mr Mudaliar was recruited to Govt service very late. The officiating service itself though rather long is nothing unusual. In the case of non-Gazetted servants, Govt usually allow a fraction of a long period of non-qualifying service to count for pension if the pe

has been badly reduced. I do not think such a concession has so far been shown in the case of Gazetted officers. I think the question ~~in the~~ ~~[illegible]~~ arose in the case of a P.W. Asst Engineer last year but Govt did not give him any concession in view of his middling record.

The question is usually considered only at the time of sanctioning the pension; but since the matter has been considered, a decision may be made now.

M It does not seem necessary to give any concession in this case. ~~If it [illegible] is decided to give~~ If it is thought that some concession may be given it is for consideration whether a total period of 2½ years out of the nonqualifying service of 10 yrs will not do. This will raise the qualifying service to 16 yrs.

The point mentioned in the draft was raised at 'W' on p. 8 above. All that is essential is to ensure that no officer other than Sri Ranganatha Mudaliar counts service in the particular vacancy or vacancies during the period the benefit of which is proposed to be given to him. ~~So long as this object is achieved to the satisfaction of the A.G., Finance need not insist upon a 'statement' if the D.P.I. cannot easily draw it up and the number of vacancies and officers involved is not large enough to necessitate a 'statement'.~~ As E.P.H. do not appear, ~~however~~, to apprehend any difficulty in the preparation of a statement, Finance may suggest that it may be called for. The statement may be forwarded through the A.G. - c.f. portion 'A' on p. 2 of G.O. 970 Pub(Ser) dated 24-3-44. — A statement is preferable as that will explain matters clearly and help the A.G. in ensuring that the same period is not counted by some other officer in future. It may therefore be called for if it is possible to prepare one. The DPI's reply may come through the A.G.

Notes from p.7 ante may be read.

The D.P.I. has forwarded the statement called for in the Memo. on pp.14-15 C.F. The statement was sent to the A.G. who says that the arrangements shown in it are not susceptible of verification in his office. But, he has offered certain remarks to enable the Govt. to determine whether the periods of offg. service specified in the statement satisfy the conditions of Art.371 C.S.R. The D.P.I.'s comments on these remarks are on pp.39-40 and 45 C.F.

C.F.35
C.F.35-6
x Extract at p.57

The arrangements shown against items 4, 6, 7, 8, 9 and 12 in the statement can be considered only as chains of arrangements and not direct vacancies: the A.G. has also stated so and the Dir.'s remarks do not lend support to holding a view different from the A.G.'s.

C.F.39 & 45

Apparently, items 10 and 13 cannot also be counted for the pension - the latter because no information as to whether any other officer held a permanent lien on the vacancy has not been furnished.

C.F.36
C.F.39

The periods mentioned against items 1,2, 5 and 11 can alone be taken as strictly satisfying "M" on pp.7-8 ante. These come to 1 year~~s~~, 1 month~~s~~ and 15 days. Adding also periods 3, 14 and 15 - in respect of which the Dir.'s expln. may be accepted and which the A.G. has not categorically stated as chains of arrangements - Sri Mudaliar can be allowed to count for pension only a period of 2 years, 2 months and 4 days, + 0-7-17 ~~or roundly 3 years,~~ out of his offg. service. This would not confer on the officer the benefit ...ght, and "P" in Secy.'s note on p.10 ante has been confirmed. L

It cannot be said, as remarked by Fin. on pp.8-9 ante, that cases of this sort in the Edn. Dept., should be dealt with in the same way as cases of officers of other depts. The circumstances explained in para 3 of the Dir.'s letter at pp.12-13 C.F. do present sufficient grounds for a relaxation of Art.371 C.S.R. in favour of Sri Ranganatha Mudr. and other officers

Fin (Pension) Dept.

(Finance last noted on p. 11 above)

Sri Rao Bahadur V.R. Ranganatha Mudaliar, Divisional Inspector of Schools, who is due to retire on superannuation on 10-11-1947, has rendered an offg. service of 10 years + 27 days prior to his confirmation on 8-11-1934. He ~~was app~~ joined the Subordinate Edl. service at the advanced age of 32 years; & this is why his total service even including offg. service (which does not reckon as qualifying) is only 23 years, against at least 30 years which a Govt. servant could ordinarily render.

2. The file started with the D.P.I.'s request that this particular officer may, as a special case, be allowed to count his offg. service of 10 years for pension. Under Art. 371, C.S.R., only a small portion of 7 months which satisfies the conditions of that article counts. The Dir.'s request is for grant of special treatment to the officer in question.

The previous notes of this dept. on pp. 2 + 9-10 above will show that Finance was not convinced that there was justification for treating either the case of Sri Ranganatha Mudaliar or of any similar officers in the Education dept.

14

dept. with any special consideration, when such special consideration has not been extended to Govt. servants in other departments, who also have to render varying periods of tempy. service prior to confirmation. The previous Dy. Secy. suggested that cases of the kind should be considered at the time of retirement of the officers concerned & that, in the case of Sri Ranganatha Mudaliar, a total period of 2½ years out of the non-qualifying service of 10 years might be specially allowed by Govt. to qualify for pension. If this were done, the officer's service counting for pension would be increased from 13 yrs. 7 m. 19 days to 16 complete years.

cf. 'Y' on p. above.

Q on p. 10 and

M on p. 10 and

The rate of pension is laid down in Art. 474(b) CSR

3. The E.P.H. Secy., however, proposed to examine the question - for what period out of the total offg. service of 10 years the officer could now be shown as having been directly appointed to substantive vacancies, in which case those periods can be reckoned as qualifying service under the authorised interpretation of Art. 371 given at portion 'Z' on p. 1 above. The Memo. issued accordingly ~~to the D.P.I.~~ on p. 14 c.f., the Dir.'s replies on pp. 16, 39-40 & 45 c.f. as well as E.P.H. note on p. 12 above summarising the gist of the information furnished may be perused. The A.G. has left it to Govt. to determine which of the periods is of the kind mentioned at 'Z' on p. 1 above.

Encl. showing arrangements on pp. 18-28 c.f.

M on p. 35 c.f.

The conclusion of E.P.H. is that a total period of 2 yrs. 2 m. 4 days (besides 7 months & 17 days which has already been accepted as qualifying service) alone will qualify under Art. 371 CSR as interpreted at 'Z' on p. 1 above, and that the balance of 7 years 3 months will not qualify. However, E.P.H. recommend relaxation of Art. 371 CSR in the case of Sri Ranganatha Mudaliar as well as other officers similarly placed so that all their officiating service — whether shown directly against substantive vacancies or not — may be treated as counting for pension. The grounds which, in their opinion, would justify such general relaxation ~~may~~ are

are:—

(1) A number of tempy. posts were created in the M.E.S. owing to stoppage of recruitment to the I.E.S. on the recommendation of the Lee Commission & in place of the posts in the I.E.S. which were held in abeyance from the date of their falling vacant. It took a long time for confirmation of officers recruited to the tempy. posts, as it could be done only when the vacant posts in the I.E.S. were formally abolished & permt. posts created in the M.E.S. in their stead.

(2) The operation of the Retrenchment schemes — in the general retrenchment of 1931-32 — was also one factor that contributed to the delay in the confirmation of Sri Ranganatha Mudr. & certain other officers till 1934.

para. 3 on pp. 12-13 c.f. & penultimate para. of EPH note on pp. 12-13 ante

4. The grounds mentioned in para. 3 of the Dir.'s letter on pp. 12-13 c.f. & briefly reproduced above were already adduced by the Dir. in his letter of 6-6-1943 disposed of in Memo. No. 200 (I)/44 C-1 of 17-7-43. Those grounds are only explained in a little more detail in para. 3 on pp. 12-13 c.f.

α pp. 1-2 of (Z)

θ pp. 3-4 of (Z)

This dept. may at the outset ~~[illegible]~~ concede that conditions will not be the same in the various depts. of Govt. in regard to creation of tempy. posts, factors affecting confirmation of officers in certain categories, etc. ~~[illegible]~~ It is true that in the M.E.S., the stoppage of recruitment to the I.E.S. in 1924 & the delay in the issue of orders authorizing permt. relegation of certain posts in the I.E.S. cadre to the Provl. cadre had contributed to a great extent to the delay in confirmation of officers promoted between 1924 & 1934. In certain other depts.

cf. penultimate para. of EPH note on pp. 12-13 above.

vide para. 3 on pp. 12-13 c.f.

other

other factors have operated to cause delay in confirmation. For ~~instances~~ instance, the P.W. dept. suffered greatly in the retrenchment made in the years 1931-33, & the P.W. dept. urged $ that the case of certain ~~[illegible]~~ Supervisors, whose service qualifying for pension was curtailed very much, deserved special consideration. Similarly, Civil Asst. Surgeons in the Medl. dept. were also adversely affected by the abolition of a number of posts in # the same retrenchment campaign & the S.G. pleaded for special treatment in their case. In most depts. of Govt., owing to the existence of a fairly large proportion of posts on a tempy. footing, it often happens that officers get chances of confirmation only after a period ranging from 5 years to 10 years after their first appointment to Govt. service. In view of the fact that Govt. declined* to show any special concession by way of general orders in the two cases cited at B above & of the fact that delay in confirmation ~~in this case~~ occurs in other depts. as well, this dept. may adhere to the view that the present case of Edn. dept. officers (please see list on p.23 of flag 'Z') cannot be treated differently from that of officers in other depts. who also, ~~are~~ under the rules as they stand at present, lose appreciable periods of service for purposes of pension.

2 First sub-para of para 3 of Fin.'s note on p.14 ante:

As already pointed out by Secy. at pp.10-11 ante, it has not been quite the idea of this Dept. that the question, for what periods of his non-qualifying offg. service Sri Mudaliar could now be shown as having directly acted in subst.vacancies, should be examined, and that the decision in this file shd. be based on the result of that examination. On the contrary, what this Dept. has been holding is that there is obviously no use trying to pursue the matter on those lines and that only a relaxation of Art.371 C.S.R. would solve Sri Mudaliar's and other similar cases in the Edn. Dept. [Secy.'s note at "Q" on p.3 ante and at p.4 ante has been superseded by "S" at p.7 ante.]

S on p. 7 ante & pp.12-13 ante

x2/5

3 Fin. adheres to the view that the relaxation of the Article recommended should not be ordered. It seems necy. to say here that the reasons given in para 4 of their note at pp.15-16 ante, in support of the ~~view~~ stand, do not seem to be quite convincing. Cases of hardship in P.W. and Medical Depts., cited by them there, do not appear to be analogous. Unlike in those depts., it is not retrenchment that mainly contributed to the delay in the confirmation of persons in the Edn. Dept. Many posts in the Edn. Dept. remained ~~in the dept.~~ vacant between 1924 and 1934, not because of the usual criteria for making them permanent not having been fulfilled. A reading of the first part of para 3 of the D.P.I.'s letter at p. 12 C.F. would show that the I.E.S. posts which fell vacant consequent on the stoppage of recruitment to that service, should have been relegated to the M.E.S. then & there and with retrospective effect (which was not done), and that the delay in the Govt.'s passing orders worked much to the disadvantage of the officers. There is, therefore, a special case for ~~this Dept. to~~ this dept.'s pressing for the relaxation of the Article, not only in favour of Sri Mudaliar but in behalf of all Education Dept. officers, ~~of this particular dept.,~~ similarly placed, and circulating the case.

p. 16 ante

M

4 ~~But,~~ Fin. however add ~~say~~ that mitigation of hardship caused by the existing pension rules has separately been taken up by them for consideration as a general question, that the cases in the Edn.Dept. "may be left to be governed" by the decision to be arrived at on that general question and that, if Sri Mudaliar retires from service before that decision is reached, his case may be ~~xxxx~~ taken up for individual examination and the amt. of offg. service to be counted for his pension may be settled that way. The date on which Mr.Mudaliar will reach~~es~~ ~~thexxxxxxxf~~ superannuation is 10-11-47, i.e., there are only a little over 6 months from now. It is ~~quite~~ not likely that the general question

M on p18 above

It may be noted that Finance have already expressed themselves against relaxation of rules under Art. 371 C.S.R. in favour of a single officer, and that the rules as they stand should be followed pending a decision on the general question. If the officers of the Education dept. are shown some special concession in the matter now, it may not be fair to deny similar requests from officers of other departments who may have similar grievances. The qualifying service of the officers should be determined only with reference to the rules and with reference to the particular posts which they held after preparing a statement showing which officers by virtue of seniority should be given the benefit of counting officiating service under Art 371 C.S.R. for pension. A general relaxation in favour of all the officers+ enumerated in the list on p. 23 of flag 'Z' would involve also a large expenditure and would increase the already growing pension charges. Finance may therefore advise that a decision on the general question may be awaited. E&H. may be requested to circulate the case to H.M. (Fin) also.

H.M.(Edn.)'s minutes on previous page.

The following is a brief summary of the case.

Extract at p.5 of Ⓩ in L.F. IV

2. Under Article ~~351-A~~ 371, C.S.R., officiating service to count for pension, should be directly in the vacancy in question and should not be deduced at the end of a chain of arrangements. The D.P.I. had not until 1939 understood this Article properly, with the result that officers in the Edn. Dept. were posted in ~~a~~ chains of arrangements without having regard to the effect it would have on their service and pension, under the impression that the offg. persons would ordinarily be benefited by the Article irrespective of whether they acted in chains of arrangements or directly. In that year, the A.G. explained to the Dir. the full implication of the Art. and the Govt. upheld the A.G.'s view. Thereupon, the Dir. requested Govt. that the "true interpretation" should not be applied ~~res~~ retrospectively to cases in the Edn. Dept. as that would seriously affect the pension of many officers. After due consideration, the Govt. decided that the request, which amounted to a relaxation of the Art., could not be granted [but that at the time of sending to Govt. individual cases for sanction of pension the questio of counting temporary service (as distinguished from offg. service), if any, under another Article, might be raised].

3. Sri V.R.Ranganatha Mudr., who is due to retire on 10-11-47, is one among the officers affected partly by the wrong ~~following~~ application of the rule by the D.P.I. He entered the subordinate service as an offg. Dy.Inspr. of Schools in 1924. He was "promoted" to the M.E.S. in 1926 and was confirmed for the first time in that service in 1934. The service between the years 1924 and 1934 was thus officiating service. [He has no temporary service to his credit.] Of the total offg. service of his of a little over 10 years, only a period of 7 months and 17 days would count for pension if the Art. mentioned above (direct vacancies) is applied. After elaborate discussion and correspondence, as an alternative to relaxation of the Article, the D.P.I. was asked to prepare a statement indicating just the possibilities of the

officer being at this stage shown directly against subst. vacancies (without however actually having to put into effect any revision), ensuring that no other officer counted for his pension service in those vacancies. ~~Thix~~ Such a statement indicated that only 2 years ~~and~~ odd of the officiating service could be allowed to Sri Mudaliar. This benefit could not be deemed satisfactory. Hence, the relaxation of the Article in favour of Sri Mudaliar and also in favour of other officers similarly placed was pressed by this Dept. The main ground urged for the relaxation was that, in the Edn. Dept., unlike in other depts., between 1924 and 1934, pending the issue of Govt.'s orders on the question of re-organization of the gazetted service~~s~~ consequent on the ~~xx~~ stoppage of recruitment to the I.E.S., several posts were kept on a tempy. footing and officers could not be confirmed and that this ~~process~~ situation worked greatly to the disadvantage of the officers concerned. Finance Dept. do not however accept this argument. They say that Sri Mudr.'s case and other similar cases may be left to be governed by the decision to be arrived at in the following general question now under consideration, viz., how the hardship caused by the existing pension rules can be mitigated. They add that if Sri Mudr. retires from service before that decision is reached, his case may be taken up for individual examination and the amount of offg. service to be counted for his pension may then be settled. It is proposed to await the general orders till 10-8-1947. If they are not passed before then, the case will be circulated for orders on the question of relaxation of the Article as a general concession for officers of the Edn. Dept.
