Fin (Accts B)

Please see the reference in C.F. It is proposed to supply a new
typewriter on payment of cost for the use of Madras ^{Motor} Transport
Cooperative Society. This Society is presumably a private body
and, if so, it is not clear why a type ^{write} should be supplied for
its use from the government stock which is purchased in bulk
from the companies at concessional rates. If the typewriter
is supplied to this Society, it will be hard to resist similar
requests from other Societies for the purchase of typewriters

from the Superintendent of Stationery at concessional rates. Sd PH.
may be requested to state whether it has been usual to supply the
machines to ^{private} Societies and, if not, why a departure
from the usual practice should be made in the present case.
The Society may as well be directed to purchase the typewriter
direct from the companies.

That Special Assistants are the Secretaries of
 the Co-op. Motor Transport Societies. The
 Govt. accorded general approval to the scheme
 for the formation of M.T. Societies as it is
 intended to resettle ex-servicemen. As it
 is necessary for the Society to possess a typewriter
 for purchasing efficiently, this dep't. may
 support the request of the Spl. Asst. for the
 supply through Govt. ~~and~~
