R.C.No. 11549 K3/46.

Office of the  
Director of Public Instruction,  
Madras, Dated 21-1-1947.

From

Dr. S.R.U. Saver, M.A., D.Sc., I.T.S.,  
Director of Public Instruction, Madras.

To

The Secretary to Government,  
Education Department, Madras.

Sir,

Teachers College Saidapet - School Department - Employment  
of a music mistress for girls attending the school - Proposals  
Submitted.

I have the honour to submit for favourable consideration and  
early orders of Government the following proposal for the employment  
of a music mistress for girls in the Model High School of the  
Teachers' college, Saidapet.

The number of girls attending the school Department is 181  
distributed in several classes as detailed below:--

| Forms of Class | Strength of girls. |
|----------------|--------------------|
| " VI           | 6                  |
| " V            | 10                 |
| " IV           | 11                 |
| " III          | 22                 |
| " II           | 21                 |
| " I            | 20                 |
| Class V        | 22                 |
| " IV           | 24                 |
| " III          | 19                 |
| " II           | 13                 |
| " I            | 13                 |
|                | 181                |

In all secondary schools for girls, provision exists for the  
teaching of music. No such provision exists in the school Department  
of the College though provision exists for the teaching of Needle Craft  
to girls. The parents of the girls attending the school and the  
Principal of the college very much desire that their important aspect  
of girls Education should no longer be overlooked and therefore urge  
the appointment of a music mistress in the school Department of the  
College. Music is essential for girls and is one of the optional  
subjects under Group "C" of the S.S.I.C. Scheme. The Principal reports  
that girls in Forms V and VI would like to offer Indian music as an  
optional subject, if introduced. Further the introduction of music in  
the school will also increase the strength of girls in the school as the  
area is not served with a school exclusively for girls. In view of the  
large number of girls now attending the school, I am of opinion that  
there is an imperative need for imparting instruction in music for the  
girls pupils and request that Government may be pleased to sanction the  
post of a music mistress in the scale of Rs.30-55 for the school Department  
of the Teachers' College, Saidapet, with effect from 1st February 1947.

2. The financial effect of the proposal will be Rs.30/- in the year  
1946-47 and Rs.507/- ultimately.

I have the honour to be,  
Sir,  
Your most obedient servant,

For the reasons stated by the Director of Public Instruction on p.i.c.f the employment of the Music Mistress may be accepted. The Director of Public Instruction has requested that the post should be sanctioned immediately that is, from the 1st February. As the academic year is nearly closing and there are only two or three months more for the vacation. No useful purpose can be served by employing the Mistress for one month during the current year. This dept may accordingly suggest that it would be in these circumstances it is enough if the post is sanctioned from the beginning of the next academic year, that is, June 1947. This department may advise accordingly. The post may be sanctioned for 1 year in the first instance. The case may be returned to E.P. 14.
