Designation Principal,

Station Lady Willington Training College, Madras.

Enclosures: 1 No. 32580 dated 10 DEC 1946

Sir,

I understand that Government are issuing chukkas free of cost to institutions when there is a guarantee that they will be used to produce yarn. The Social Service League attached to this college wants to take this opportunity to ~~xxx~~ teach the unemployed young people in a nearby cheri (Nadu-Kannan) and produce yarn.

Please let me know whether you can kindly arrange to supply six chukkas to this institution.

Sub:-- Textiles - Khadi Scheme - Supply of charkas - Free of cost -
Letter from the Principal, Lady Willingdon Training College,
Madras.

Re:-- Government's endorsement No. 95102-M-II/46-1, dated 14.12.46

There is no proposal under the Madras Government's Khadi scheme
to supply charkas free of cost to any private institutions or individuals.
After all, the number of charkas required by the Principal is only 6. It is
a matter for consideration whether the Educational Department cannot sanction
the six charkas as part of the College equipment. If necessary, the timber
required for the manufacture of the charkas may be supplied at cost price from
Government depots out of the stock reserved for the Khadi Scheme.

The Government can also help the Special Services League attached
to the College by requiring the Madras Cottage Industries Officers to give
lessons in spinning for a few days in putting the trainees in the way.

For order whether the suggestion at A above

maybe accepted. The remarks of E.P.H. maybe inserted.

It should not be difficult for the Education Dept. to sanction 6 Charkas as part of the college equipment.

E.P.H. may see this for remarks.
