OFFICE OF THE
DIRECTOR OF PUBLIC INSTRUCTION,
MADRAS, dated 10-10-47.

Dr. S.R.U. Savor, M.A., D.Sc., I.E.S.,
Director of Public Instruction,
MADRAS.

The Secretary to Government,
Education and Public Health Department,

Sir,

Sub: Physical Education - Stipends to men candidates -
Y.M.C.A., College of Physical Education, Saidapet.

In G.O. No.943 Edn, dated 7-5-47, Government have sanctioned the grant of 30 stipends of Rs.18/- each p.m. to men candidates deputed by managements of aided secondary schools to undergo Physical training for the Diploma and Higher grade Certificate courses in the Y.M.C.A. College of Physical Education, Saidapet and also approved the proposal regarding grant of stipend of Rs.18/- each p.m. to private men candidates undergoing the courses with effect from 1947-48 provided the total number of stipend to men candidates does not exceed 30. Again in the same G.O. Government accorded sanction to the continuance during 47-48 of the grant of 30 stipends at Rs.18/- p.m. to women undergoing training in the Physical Training class for women.

2) The Principal, Y.M.C.A. College of Physical Education, Saidapet, states that out of 114 men and 29 women candidates admitted this year (1947-48) only 52 men and 14 women candidates are eligible for the award of stipends with reference to G.O. No.943 Edn, dated 7-5-47. He considers it desirable that the stipend is made available to all the candidates deputed by managements of schools and to the private candidates under-going training under the following circumstances.

The students who have joined the course privately as well as managements, which have deputed candidates, are counting on the financial assistance offered in the form of these stipends. It is important that all candidates do get the benefit of stipends; otherwise it will prove hardship and discouragement to a few. Further the non-award of stipends to a few may have serious adverse effect on the candidates for joining in future years. This will be unfortunate because of the pressing need for the trained men and women to handle physical Education. The policy of government in awarding the stipend is to help the managements and the individuals as also to attract men and women to take up this training.

3) The Principal, Y.M.C.A. College of Physical Education, Saidapet, states that out of 52 ~~xx~~ men students eligible for stipends, 30 students will be benefitted by stipends with reference to G.O. No. 943 dated 7.5.47 and the remaining 22 will be left without stipends for this year. Out of 30 ~~students~~ stipends sanctioned for women candidates, 16 stipends are not required for them as only 14 have been admitted this year. The balance of stipends (i.e.) 16 not required for women students, the Principal suggests, may be made available to men candidates. If his suggestion is accepted 46 ~~xx~~ stipends (30 plus 16) will be available for men students. The Principal recommends that the remaining 6 men students also may be awarded stipends. The Chief Inspector of Physical Education, also recommends the proposals. I approve of their suggestions and I recommend the proposal for the sanction of Government.

4) The proposal will involve an additional expenditure of Rs.1080/- in the current year (for 6 candidates at Rs.18/- p.m. each for 10 months). If the proposal is approved, I shall apply for necessary re-appropriation.

Physical Education--Stipends to candidates undergoing
Physical Training course in the Y.M.C.A. College of
Physical Education, Saidapet.

Reference:-G.O.No. 2677-Education dated 16.12.1947.

With reference to the Government Order six of the
52 eligible men students go without stipends in the school year
1947-48. As it is reported by the Principal, Y.M.C.A. College,
Saidapet, that they are finding great difficulty in meeting
their expenses, I request that Government may be pleased to
reconsider their orders and sanction the six additional stipends
for 1947-48 as already recommended in my letter Rec.No.
1282-E/46 dated 10.10.1947.

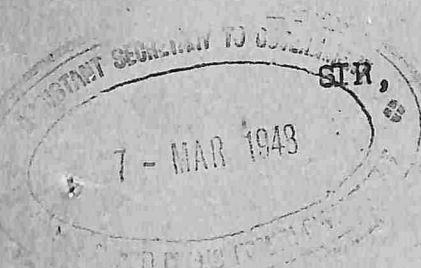

2. Proposals for granting stipends to all candidates
under training with effect from 1948-49 will be submitted
separately in due course.

From the D.P.I. No. 1282 E/46 dated 10-10-47.

The proposals of the D.P.I. that (1) the stipends for women candidates that are not utilised may be sanctioned to the men candidates, and (2) six additional stipends may be sanctioned in current year for men candidates, may be accepted. The file may be sent to Finance for remarks.

2/ In the circumstances stated by the D.P.I., this dept. may, as a special case, agree to the proposal to sanction, to men students, the 16 stipends, which are not utilised for the women candidates. for 1947-8. ~~this~~ only.

H.M. (Fin) should see.

3/ The proposal to grant stipends to the remaining 6 men students will commit the Govt. the principle of granting stipends to all trainees and is bound to result ⁱⁿ ~~in~~ considerable expenditure in the years when a larger number of men and women are admitted to ^{the} training course. As ~~this~~ this was not contemplated, when the scheme was originally sanctioned, the expenditure involved will have to be treated as on ~~other~~ ^{a new item}.

Owing to the existing financial stringency, the Govt. are deferring all proposals which are not so essential that delay in sanctioning them is likely to cause a breakdown in the machinery of administration. The present proposal, which amounts to the grant of stipends to all men and women trainees, does not

appear to be so urgent or essential. Finance would, therefore, advise that the D.P.I.'s proposal ^{no. 2} may be negatived. If E.P.H. do not agree, they may be requested to take orders in circulation, including H.M. (Fin).

If, however, it is decided in circulation ~~that~~ to accept the D.P.I.'s proposal, to grant stipends to all the 22 men trainees who are at present left out without stipends, the 'New Service' procedure will have to be followed, especially as it is likely that the expenditure involved will exceed Rs 2500 per annum.

By the acceptance of the proposal

to divert the unutilised stipends of women candidates, the number of stipends available for men candidates

for 1947-8 will be increased by 16

or more than 50%. It does not seem that

there is a case for increasing it

further by another 6 to provide stipends for all the trainees.

In every course of instruction or training, stipends are granted by the Govt to help the poor and deserving students. Such stipends are not generally

granted to all the candidates undergoing training but is restricted to a percentage of the number of students.

The other students are expected to

meet the cost of training themselves in view of the prospects in life that may be available to them after undergoing the training.

In a batch of 52 men students there ought to be at least 6 candidates who should be able to meet the expenditure themselves without a stipend from the Govt.

If the sanctioned number of stipends of 30 is increased this year by 6 as proposed the Govt will be committing themselves to the policy of granting stipends to all the trainees taking up the course and this may become an inconvenient precedent and may lead to the incurring of a large additional expenditure in the years to come.

In the C.S. this Dept may strongly advise against the proposal to increase the sanctioned number of stipends from 30 to 36 in 1947-8. If EPH do not agree they may be requested to obtain orders in (including H.M. (Fin)) On 14 to follow the 'New Service' procedure.

The view of Finance may be accepted. If the D.P.I. feels,
 as he may well feel, that the stipends must be given to ^{all} candidates
 for Physical Training instruction, he may put in a separate proposal
 in that regard so that the matter may be examined separately and
 decided. For the present, the suggestion of Finance may be
