R.C. No.11796 C-1/46-6 dated 20th July 1947.

Sir,

Sub: Madras Educational Service - Recruitment
to Gazetted posts in the Colleges of Engi-
neering - Appointment of Officers from Public
Works Department and Electricity Departments.

Ref: Govt. Memo No.78817 A.5 and A.7 Edn., dated
16-5-1947 and 12-7-1947.

I have the honour to state that since submitting my
letter to Government R.C.No.11796-C1/46-5 dated 29-5-1947, one,
Mr. P.R. Ramaswamy, B.Sc.(Hons.) in Civil Engineering of the
Manchester University, has applied for the post of Professor
and he satisfies the essential parts of the qualifications pres-
cribed for the post. I am separately recommending his name for
appointment to the vacant post of Professor of Civil Engineer-
ing, Arthur Hope College, Coimbatore. In these circumstances,
there is no need to consider the name of Sri K. Kondayya, Asst.
Engineer for appointment as Professor, at present.

2. In this connection, I submit the following remarks
on the points contained in the letter No.408-E.1/47-9 dated
2-5-47 from the Chief Engineer, Public Works Department (General,
Buildings and Defence), Madras, a copy of which was sent to
me with Government Memo No.78817.A.5 Edn., dated 16-5-47.

Point (i):- In view of the fact that the appointment of
Public Works Department officers to certain gazetted posts in
the Engineering Colleges will have to be resorted to only as a
temporary measure and that too for short periods of about two or
three years at the most, I agree with the suggestion that
whenever Public Works Department or Electricity Department
officers are employed as Professors or Instructors in the Engi-
neering Colleges, the posts in the Madras Educational Service
may be kept in abeyance and corresponding temporary posts in
the Public Works Department or the Electricity Department as
the case may be, may be created.

Point No. (ii):- I have already agreed to the grant of
a Deputation allowance at the rate of 25% of the pay that the
deputed officer would be drawing in his present department
for the period he serves in the Engineering college
vide para 2 of my letter R.C.No.11796 C1/46-5 dated 29-5-47.

Point No. (iii):- I agree with the Chief Engineer that
periodically officers from the Public Works Department and Elec-
tricity Departments might be appointed as Professors in the
Colleges of Engineering provided such appointments do not affect
the legitimate interests of any member of the Education Department.

Point No. (iv):- I entirely agree with the Chief Engi-
neer in regard to the employment of suitable retired officers
as Professors or Instructors so long as the present paucity of
technical men is felt. I request that the Government may be
pleased to permit the employment of healthy and competent retired
officers to suitable posts in the Colleges of Engineering if
there is no other suitable candidate available to fill the
vacancies otherwise.

3. With reference to paragraph 3 of G.O.No.Ms.2359
Edn., dated 10th December 1946, I submit herewith a copy of
the letter No.417 E.1/47 C.R. dated 26-6-1947 I received from
the Chief Engineer, Public Works Department (General, Build-

R.C.25-7. for Director of Public Instruction.

Copy of letter No.417-El/47-CR dated 26-6-47 from the Chief Engineer, Public Works Department (G.B. & D.) to the Director of Public Instruction.

Sub: Madras Educational Service - Posts in the colleges of Engineering - Appt. of officers from the Public Works Department and Electricity Departments - Provision for the.

Ref: Your letter No.11796 Cl/46 dated 24th January 1947.

In connection with the general question of sparing the services of officers of the P.W.D. and Electricity Departments for filling up the gazetted posts in the Engineering Colleges raised in Govt. Memo No.78817-A.2 Public Health dated 21-1-47, I have suggested that while Junior Executive Engineers and Junior Asst. Engineers may be spared for appointment as professors and instructors respectively in the colleges, no regular appointments to such posts need be made, as the appointments of such officers will be only as a temporary measure and that too for a short period of two to three years. I have, however, pointed out that during the period such officers are employed in the colleges, temporary posts in the Madras Engineering Services may be deemed to have been created and corresponding number of posts in the colleges borne in the Madras Edl. Service, being deemed to have been kept in abeyance. Further, if regular appointments of officers of this dept. are made in the posts in the Madras Edl. Service, they would become probationers in that service while they are also members of the Madras Engineering Service. This will result in several complications and anomalies. In the circumstances I regret I am unable to agree to your proposal to a special rule for the Madras Edl. Service so as to provide for regular appointment of the officers of this department in the gazetted posts in the Engineering Colleges.

2. In exceptional cases, however, where a particular officer has special aptitude for the teaching line and desires to continue in the Educational service and if the Public Works Dept. are willing to spare his services, he may be permitted to resign his posts in the Public Works Department and take up a permanent appointment in the Edl. Department. But no special provision in the Special Rules for the Madras Edl. Service, seem necessary for this purpose and each case may be considered on its merits as and when they arise.

From the DPI, No.11796-C1/46-6, d/- 20-7-47.

C.O. (MS.) No. 2642 Edn., dated 17.12.1947

The Govt. sanction the grant, to officers of the follg. categories in the P.W. and Elec. Depts., apptd. to posts borne on the M.E.S. in Colleges of Engg., of a deputation allow. at the rates noted against them:

- | | |
|---|---|
| (1) Executive Engrs. of the P.W.D. |) If apptd. as Profs., an allow. of Rs.100 (rupees one hundred) p.m. (fixed) |
| Divl. Engrs. of the Elec. Dept. |) |
| (2) Asst. Engrs. of the P.W.D. and of the Elec. Dept. |) If apptd. to posts of Instrs. (including Sr. Workshop Instrs. and Jr. Instrs.), an allow. of Rs.50 (rupees fifty) only. (fixed) |

2. The Govt. agree with the C.E. (I.) that, in order that greater attention is devoted to the practical side of the engg. edn. in the Provice., men of intelligence, expce. and ability in the P.W. Dept. shd. be periodically apptd. in the Govt. Engg. Colleges. At the same time, they consider that by such appts. the legitimate interests of any member of the Edn. Dept. should not be affected. The DPI may, in due course, in consultation with the C.E.s., send up to Govt. proposals for such appts. if necy.

3. Recommendations for the re-employment of competent retired officers in posts in Engg. Colleges may be made to Govt. in each case where if the circumstances of the case concerned would really justify re-employment.

4. Orders on suggestion (i) contained in the letter of the C.E. read above, will be issued separately.

Government of Madras.
Public Works Department.

Memorandum No.1781-L/48-1, dated, 5th April, 1948.

Sub:- Madras Educational Service - Posts in Engineering
Colleges - Appointment of Public Works and Electricity
department Officers - Procedure.

Ref:- G.O.No.Ms.2692 Pdn., dated 17-12-1947.

The suggestion made by the Chief Engineer (General Buildings and Defence) in paragraph (1) of his letter No.408-EL/47-9, dated 2nd May 1947, is that, for the period during which officers of the Public Works and the Electricity departments are employed in posts in the Madras Educational Service in the Colleges of Engineering, those posts may be held in abeyance, and the corresponding temporary posts in the Madras Engineering Service be sanctioned and the officers be deemed to officiate in the Engineering service in the temporary posts. The Government consider that, instead of following that procedure, it would be better if the Officers are allowed in their turn, in their parent Departments, the rights contemplated by rule 8 of the General Rules for the Provincial and Subordinate Services, without prejudice to their appointments in the Madras Educational Service and also be given protection in the matter of pay, probation, etc., in respect of posts in the Public Works and the Electricity departments by relaxing the relevant rules in their favour. The Chief Engineer (General) accordingly requested to send to Government in consultation with the Director of Public Instruction proposals for the adoption, with retrospective effect, of such a course in the case of Public Works and Electricity department officers who have been already officiating in the Madras Educational Service.

From the D.P.I., No. 11796-C1/46-6, dated 20.7.47.

Appts. to gazetted posts in Engg. Colleges, of officers of P.W.D. (5)

The notes on pp. 1-2 N.F. of G.O. No. 1737-Edn., dated 2.8.47, may be perused. In that file, Dr. Rudra, the Principal of the Guindy College, gave some general suggestions for getting over the difficulty experienced in filling gazetted posts in Engg. Colleges. The C.E.s' remarks on them are at pp. 22-24 C.F. ibid. The comments of the D.P.I. in the matter have now been recd. and are in the C.F.

Suggestions (i) and (ii):

Dr. Rudra proposed —

(1) that,

(a) to posts of Profs., junior Executive Engineers (and, in the case of the Elec. Engg. Dept., junior Divl. Engrs.) may be apptd., and,

(b) to posts of Instrs., junior Asst. Engrs. may be apptd.,

and that such officers may be given a special deputation allowance;

or

(2) that,

(a) to posts of Profs., senior Asst. Engrs. may be apptd. and,

(b) to posts of Instrs., senior Supervisors (and, in the case of the Elec. Engg. Dept., senior Junior Engineers) may be apptd.; but that they need not be granted any allce.

He however expressed his preference to suggestion (1). The C.E. has agreed with him as to the adoption of the first alternative and has recommended the grant to officers of the category mentioned of a deputation allce. equal to 25% of their pay, and has remarked, in addn., that as the appt. of such P.W.D. officers in Engg. Colleges would only be for a short time, the appts. need not be made regularly in the M.E.S. but may be made in the Madras Engg. Service itself, the M.E.S. posts being kept in abeyance, and corresponding tempy. posts being created in the Engg. service for the period necy. The Dir. concurs. in this

recommendations. They may be accepted. Attention is here invited to para 2 of the D.P.I.'s letter at pp.26²⁷ C.F., and the notes at the foot of p.5 N.E., of "B".

When orders are issued, the Dir. may be asked to propose, in consultation with the C.E., the adoption with retrospective effect of the course at "A" ^{on p.1 ante} in the case of P.W. officers who have already been offg. in the M.E.S. under the emergency provisions.

Suggestion (iii): The C.E. (Irrigation) opined that, in order that greater attention might be paid to the practical side of the Engg. edn., some persons from the P.W.D. may be chosen periodically for posting to the Engg. colleges. The C.E. (General) endorsed this. The D.P.I. also agrees, subject to the condition that such appointments do not affect the legitimate interests of members of the Edn. Dept. The Dir's view may be supported.

Suggestion (iv): This relates to the employment of retired officers. The C.Es.' remarks are in para 1 (iv) of C.F. 24 and para 1 (iv) of C.F. 24¹ and the D.P.I.'s remarks in para 1 (iv) of C.F. 1. The suggestion may be left to be considered in individual cases, where circumstances really warrant its adoption.

P.W.D. and Finance may see for remarks before on.

Please see the notes on pp.1-2 above.

The proposal that Junior Executive Engineers may be appointed as Professors and Junior Asst. Engineers as Instructors in the Engineering College may be approved in this department subject to the following remarks:-

(i) The scale of pay of the Professors is 600-75/2-900, the average being Rs 786.7. The scale of pay of the Executive Engineer is Rs 500-50/2-850, the average being Rs 694.4. The C.E. and the D.P.I. have proposed to continue the officers appointed to the College in the Madras Engineering Service, but have recommended a deputation pay of 25%. The difference in average pay of the Professors and the Executive Engineers is only Rs 92.3. It seems that a fixed deputation pay of Rs 100/- would be sufficient to the Executive Engineers appointed as Professors. This will be 20% of the minimum of the scale and this would be ^{enough} sufficient instead of allowing an increase of 25% of pay as Executive Engineers.

(ii) The scale of pay of Instructors is Rs ²³⁰200-700/-, the average being Rs ^{449.3}422.75 and the scale of pay of the Asst. Engineers is Rs 260-500/-, the average being Rs 393.3. The difference in the average ~~being~~ ⁴⁶ is only Rs 28.9. This department may recommend that ^{deputation pay (add'l pay)} special pay of Rs 50/- would be quite sufficient for the Asst. Engineers deputed as Instructors. This will be nearly 20% of the minimum. ^{proposed} This would be enough instead of 25% of the pay as Asst. Engineers.

3 This department may agree to the other recommendations at B, C, D and E on p. 2 above.

DEPUTATION ALLOWANCE -- REGARDING

I forward herewith in original, an application from Sri T.S. Venkataramanan, Assistant Engineer (Highways) now serving as Instructor in Highway Engineering in the College of Engineering, Guindy, for the grant of deputation allowance for him. The Principal, College of Engineering, Guindy, recommends that Sri T.S. Venkataramanan should be given the same deputation allowance as the Assistant Engineers of the Public Works Department serving in the College. I agree with this view and request that G.O. No.2692 Edn. dated 17-12-47 may be made applicable to officers of this department also so that the concession may be extended to Sri Venkataramanan also.

In G.O. No. 2692 Educational dated 17-12-47, the Government
sanctioned certain deputation allowances for the Officers trans-
ferred from the P.W.D. and the Electricity departments to the
Engineering Colleges in the Province.

p.4 infra
In conformity with the above G.O., Assistant Engineers of
the P.W.D. and Electricity departments now working in the Engi-
neering Colleges as Instructors received the necessary pay slips
from the Accountant General permitting them to draw a deputation
allowance of Rs 50 per month. When I addressed the Accountant
General for a similar slip, he has replied (copy enclosed) that
specific orders are necessary for the purpose, as the Assistant
Engineers of the Highway Department have not been included ~~in~~
under clause (2) para 1 of the G.O.

I invite your attention to the fact that the Assistant
Engineers of the Highway Department are no different from those
of the Electricity and P.W. Departments in the matter of their
qualifications, pay, and status etc. I presume that it is ~~only~~
only an omission on the part of the framers of the G.O. which
may be set right now. By the very spirit of the G.O., the
Assistant Engineer of the Highway Department deserves as much
consideration as any other Assistant Engineer transferred to the
Education Department.

13
I therefore request you to kindly advise the Accountant General in the matter and permit me to draw the deputation allowance even my colleagues in the Engineering Colleges of the Province.

I beg to remain,

Venkataramanan A.E.(14) on other duty as Instructor College of Engineering, Guindy, at Rs 290 pm. E+Ph depts expressed the presumption that the orders in G.O. No 2692 Edn of 17.12.47 would not be applicable to him in P.T.O.

Consequently of his regular ⁽¹²⁾ appointment as Instructor Pub(ser) & he have also not offered their remarks on the above presumption. Attention is invited to the fact that the E+Ph depts note in para 3 on pp 8-9 of its top file. The regular appointment of Sri T. S. Venkataramanan as Instructor in E+Ph depts was made prior to the issue of orders granting deputation pay to Gazetted Officers appointed in the Eng. College. Though the orders in Memo No 1781 L/48-1 S. 4. 48 are applicable for P.W.D. & Elec depts it should be deemed to cover Highways Dept also as it is proposed to follow the rules in the Madras Engineering Service with slight alterations in the draft made in the Highways Dept. In the circumstances it is for consideration whether the regular appt of Sri T. S. Venkataramanan as Instructor College of Engineering, Guindy may not be cancelled on the analogy of the orders in Memo No 1781 L/48-1 S. 4. 48 pending issue of the statutory rules for the Highways Dept. E+Ph depts may consider this point. With these remarks the file may be returned to E+Ph depts.

To D.S.

The proposal relates to the grant of a fixed deputation allowance of Rs.50/- p.m. to the Assistant Engineers of the Highways Department who are appointed to posts of Instructors in the Engineering Colleges in the Madras Educational Service. In G.O.No. 2692 Edn. dated 17-12-47, sanction was accorded to the grant to the officers of the following categories in the Public Works and Electricity Departments appointed to posts borne on the Madras Educational Service in the Engineering Colleges of a deputation pay at the rates noted below:-

- | | |
|---|---|
| (1) Executive Engineers of the P.W.D. and Divisional Engineers of the Elec. Dept. | If appointed as Professors a deputation pay of Rs.100/-p.m. |
|---|---|

Assistant Engineers of the
Public Works and Elec'y.
Departments.

If appointed to posts
of instructors a depu-
tation pay of Rs.50/-
p.m.

2. In June '48, the C.E(H) while forwarding
the application of Sri.T.S.Venkataraman, Assistant Engineer
(Highways) on other duty as Instructor, College of Engineer-
ing, Guindy, has requested that the orders in G.O.No.
2692 Edn. dated 17-12-47 may be made applicable to officers
of the Highways Department also, so that the concession
may be extended to Sri.T.S.Venkataramanan. E & P.H. have
stated that it was not the intention to exclude the officers
of the Highways Department from the purview of the G.O. (E)
They therefore propose to issue orders sanctioning the
deputation pay of Rs.50/- to the Assistant Engineers of
the Highways Department who are appointed to the posts of
Instructors in the Engineering Colleges.

3. It may be mentioned that, in connection with
the fixation of pay of Sri.Venkataramanan at Rs.290/- p.m.
E & P.H. Deptt. expressed the presumption that the orders
in G.O.No. 2692 Edn. dated 17-12-47 would not be applica-
ble to him in consequence of his regular appointment as
Instructor. Pub(Ser) and Finance have also not offered
their remarks on the above presumption. Please see the
E & P.H. Deptt. note in para 3 on pp. 8-9 n.f. of G.O.
No. 4683 P.W. dated 2-12-48. The above presumption does
not appear to be correct. Orders have since been issued
in G.O.No. 4693 P.W. dated 2-12-48 permitting Sri.T.S.Ven-
kataramanan to retain his rights and privileges in the
Highways Department so long as he officiates in the Madras
Educational Service. The draft memo on p. 1 ante may be
accepted and the file passed on to Finance.

Presumably ~~as~~ as Instructors, the officers will draw

only their grade pay as AEs.(H).
