Enclosures : No. R.C.No.1067 G/46 dated 28--1--1947

Sir,
Sub:- Education - Secondary - Municipal Council, Pollachi
opening of a middle school for girls subsidy paid
to elementary schools.

In continuation of my letter R.C.No.1067 G/46 dated 11-7-46 I have the honour to report that the condition stipulated in para 4 of my Procs. Rc.1067 G/46, dated 11-7-46 a copy of which has already been enclosed with the letter to Government quoted above - has not been fulfilled by the Municipal Council as the Commissioner is unable to find a suitable building for the opening of a lower elementary school. He expects to open one in June 1947.

The Higher Elementary School, Pollachi which was permitted to be converted into a middle school is reported to have been closed on 31-7-46. This was a Government school and was transferred to the continued of the Municipality in G.O.No. 1132 Edn., dated 23-9-22. An annual subsidy of Rs.3084 is paid to the Municipal Council for the maintenance of this school. Since the Higher Elementary school ceases to exist

From

The Commissioner, Municipal Council, Pollachi.

Sir,

The middle school for girls with classes IV & V and forms one to 3, sanctioned in your proceedings quoted above was opened on 1-8-46.

A copy of the council's resolution No.347 dated 30-9-46 of the Municipal Council agreeing to all the conditions laid down in your proceedings is enclosed.

Standard VI will be opened in the Balagopalapuram girls Elementary school in 1947-48, standard VII on 1948-49 and standard VIII in 1949-50.

Every possible effort is being made to secure proper accommodation for the opening a girls' elementary school with standards 1 to V in the western part of the town as the Balagopalapuram girls elementary school is situated in the eastern part of the town. As soon as sufficient and suitable accommodation is secured the school will be opened.

The council is now maintaining 11 elementary schools and it is proposed to open one more elementary school for girls during the year. The council is ~~now~~ contributing a huge amount out of its general funds to the elementary education fund for the maintenance of the schools. The total subsidy that the Government is paying for the maintenance of the schools is only Rs.4790/- per annum. If out of this subsidy, if Rs.3084/- is withdrawn on account of the abolition of the higher elementary school for girls, the elementary education funds will be hard hit and it will be very difficult to balance the elementary education budgets in the coming years. Further it has been decided to raise the Balagopalapuram Girls elementary school into a full fledged higher elementary school. Besides the Higher elementary school was maintained till 31-7-46 and the cost thereof was met from elementary education funds. In view of the circumstances set forth above and as decided by the council in its resolution dated 30-9-46, it is requested that the existing subsidy may be continued to be paid without withdrawing any portion of it.

to exist and no elementary school has been opened instead it is necessary that the subsidy payable on account of this school should be recovered from the Municipal Council. Attention is invited to para 5 of letter from the Commissioner, Municipal Council, Pollachi Rc.No.C1.3649/46 dated 3-10-46 (copy enclosed) where the commissioner requests that no recovery need be made. The request of the Commissioner is not supported and a recovery of a subsidy of Rs.1799/- (for 7 months in 1946-47) at the rate of Rs.257/- per month) maybe ordered. If the Municipal Council opens an elementary school in place of defunct ~~one~~ one and also higher standards in the Balagopalapuram elementary school, the annual subsidy of Rs.3084/- may be restored to Municipal Council.

The D.P.O. has reported to the Govt. that
The Mcl. Girls Higher Elementary School, Pollachi,
was closed down on 31.7.46 consequent on its
conversion into a Middle School and that the Mcl. cl.
has failed to open a girls Elementary School in
its place. He recommends that the annual
subsidy payable to the Council for the maintenance
of the school may be discontinued and that

Rs. 1799
 an amount payable for 1946-47 from 1.8.46 may be recovered from the Council. The Govt. approve the recommendation of the D.P.O. direct that 2. The A.G. is requested to recover the amount from the subsidy that will be maintained paid to the Council in the current year.

 Refund of subsidy.
 Closed as under no 7351/47 dt 24-3-47)
 From the Exr of LPA L.F. 512 dt 25-4-47.

The D.P.I. brings to the notice of Govt. that the Higher Ely School, Pollachi which was permitted to be converted into a middle school, subject to certain conditions, is reported to have been closed ~~in 31~~ from 31-7-46 and that no elementary school was opened by the May, as stipulated by him, and suggests as the Commr. is unable to find a suitable accommodation for locating the elementary school, and suggests that the contribution paid to the Cl. for the maintenance of the school, should be recovered from the Cl. as since the higher Ely school ceased to exist and no ele. school was opened instead. The higher Ely School, Pollachi, was a Govt. School, transferred to the management of the Cl. in G.O. 1132 Edm. dt 23-9-22 and an annual subsidy of Rs 3084/- was paid to the Cl. for its maintenance. As the school was closed on 31-7-46, the D.P.I. suggests, that a recovery of Rs 1547 (for 8 seven months in 1946-47 at Rs 207 p.m.) may be ordered. The Commr. states that the M.C. is contributing a huge amount out of its funds, the E.E. Accts. and that the E.E. Accts. will be hard hit if any recovery is ordered and therefore requests that the existing subsidy may be withdrawn without recovering any portion of it. The Exr of LPA, to whom

matter has been referred to for remarks,
 states that no recovery need be effected
 in the present case if the subsidy
 for the school is made under the proviso
 to Sec 37 of the E.E. Act 1920, as previously
 ordered in a similar case in G.O. No. 602 dt. 26.3.36.
 But the subsidy for the school, under, is
 not paid under the proviso to Sec 37 of the
 E.E. Act but out from the provision
 under "37 I. Education - Primary - Grants
 to Local Bodies for Primary Edu - I. a
 Local Bodies - I. a. I. ordinary areas -
 I. a. 1.4. Teaching - Valid".

As the M.C. has fulfilled all
 the conditions stipulated by the D.P.I.
 and as the subsidy for the M.C.
 for the maintenance of the school,
 will not be withheld for the purpose
 since the school was closed and
 no other school has been opened instead,
 the suggestion of the D.P.I. for the
 effecting a recovery of Rs 1799/-
 may be accepted. The remarks
 of Fin may also be invited.

26/5. Before proceeding further, it is
 necessary to know whether the
 M.C. has opened another elementary
 school (vide the first para of the D.P.I.'s
 letter on page 1 cf). A reference may be
 made to the Director.
