With reference to Government Memorandum No. 9670-

A/47-1 Education dated 12-2-1947 referred to in the

Government Memorandum quoted above, I have the honour to
state that the Principal, College of Engineering, Guindy

has already estimated the cost of the 5 Lathes at Rs. 10,000/-

at the rate of Rs. 2,000/- per Lathe as the unit price is not

given in the catalogue - (Vide his remarks on the list of

requirements for his College, submitted with my letter Roc.

No. 4801-W.1/46, dated 30-10-1946). The Principal, who

was consulted again in the matter, states, that this amount

(i.e.) Rs. 10,000/- may be provided as a separate allotment

for the purchase of the materials (i.e.) lathes. He further

states that the lathes are intended for Workshop practical

classes in the College and as the strength of the College

has increased, the need for additional lathes will be more

keenly felt.

(2) The Principal, Arthur Hope College of Technology,

Coimbatore, has not so far furnished the particulars re-

quired by Government. He is being reminded again on the

subject and a further report will be submitted to Govern-

ment as soon as possible.

In the memorandum at pages 7-8 C.F., the Director of Public Instruction was informed that the need for the items of stores should be explained. In his letter at page 10 C.F. the Director of Public Instruction has stated that the 5 lathes intended for the Engineering College, Guindy, are required for Workshop practical classes in the College and that, as the strength of the College has increased, the need for additional lathes will be more keenly felt. The necessity for the stores proposed to be purchased for the Arthur Hope College of Technology, Coimbatore, has not been explained.
