Sir,

Sub:--Establishments - Municipal Councils and Local Boards - Revised Scales of pay - Revision of scales in cases not made and clarification in certain others - Orders of Government - Requested.

Ref:--Government Memorandum No.36715-46-9-Spl, (L.A.D), dated 8-2-47 and
(2) G.O.No.773 L.A., dated 26-4-47.

I invite the kind attention of Government to their Memorandum No.36715-46-9-Spl, L.A.D., dated 8-2-47 with which revised scales of pay of the various classes of employees under the services of Municipal Councils and District Boards have been published.

2 In the case of midwives in rural dispensaries no revised scale has been sanctioned. Their scales are different from those allowed to midwives in the dispensaries and hospitals in the regular line. The midwives in the subsidised rural dispensaries are paid at the rate of Rs.30 per mensem while those in the non-subsidised dispensaries are paid at Rs.25/- per mensem as per G.O.No.1924, P.H., dated 7-7-44. In view of the distinction existing between the two categories of the midwives employed under the board, I have allowed only the existing rates of pay to midwives in rural dispensaries while giving effect to revised scales of pay to the employees of the board pending specific orders of Government fixing separate rates for them, or removing the existing distinction between the two categories. I request the favour of early orders of Government in the matter.

3 Medical Officers of indigeneous medicines of the 'B' Class under this board are paid a fixed rate of Rs.40 only while those of the 'A' class are allowed a scale of Rs.40-3/2-70 in the old scale. In the revised scales of pay sanctioned to the Medical Officers of indigeneous medicine, a common scale of Rs.80-5-150 has been shown against both the classes. I request the Government to kindly inform me if no distinction is contemplated between the two classes of Medical Officers of indigeneous medicine as in the case of medical graduates and licentiates of allopathic medicine.

4 Government in their orders No.Ms.1097 P.H., dated 21-3-39 sanctioned the appointment of two attendants in the scale of Rs.12½-18 besides certain other staff to the Central Ayurvedic Pharmacy under this board. The scale fixed for the attendants is similar to the old scale of pay fixed for the qualified nursing-orderlies and II Grade compounders employed in institutions of allopathic or indigeneous medicine. There appears to no objection to the attendants being paid the revised scale of Rs.17-½-25 as in the case of II Grade Compounders, as the attendants employed are men with previous experience

in pharmacy work as required in the orders of Government sanctioning their appointment. I request the favour of instructions of Government in the matter.

Extract given to concerned sections for necessary action

5 Laboratory Attenders in High Schools under this board have been employed in a scale of Rs.17 to 19. Government orders publishing the revised scales of pay show a scale of Rs.20-1-30 under existing scale and Rs.25-1-35 under revised scale. I request that Government may be pleased to let me know if the revised scale of Rs.25-1-35 may be allowed to the attenders of High Schools irrespective of the fact whether the existing pay (old scale of pay) shown in the Government orders correspond with the scale in existence in the District Board or not.

A 2 of ①

I request the favour of early orders of Government on all the points raised above to enable me to give effect to the revised scales of pay to the employees referred to above.

Sir,

Sub:- Establishment - Secondary Schools - revision of scales of pay of Laboratory Attenders and Laboratory Peons - orders - requested.

L.A., dated 8-2-1947. But no revised scales have been proposed in the Government Memorandum cited above for Laboratory Attenders and Laboratory Peons employed in Board Secondary Schools. In the light of the general educational qualification prescribed for Laboratory Attenders in G.O.No.4394 L & M dated 24-10-1935 i.e. successful~~ly~~ completion of III Form and fitness for promotion to IV Form, the pay of these employees deserves to be revised so as to be on a par with the scale of pay of Rs.24-1-32-½-35 now sanctioned for clerical attenders for whom the same educational qualifications have been prescribed.

The scale of pay of Laboratory peons may also be revised to be on a par with the scale of pay now sanctioned for peons viz., Rs.16-½-25.

Sub:--Request for revision of salaries of Science Attenders.

B2861

The scales of pay of all Government servants and ~~tsss~~ those of the Local Bodies have been revised with effect from 1-1-1947 and weightage also given for those that have put in long service. But the scales of pay of Science Attenders have not been revised and they are continued only the old scale of 17--1/2--20 as no orders have yet been passed about their revision. The scales of pay of peons have been revised from 16-½ to Rs.25 whereas the maximum salary of the Science Attender is only Rs.20/- although the minimum qualification required of him is III Form passed. We, therefore, request that our ~~salry~~ scales also may kindly be revised so as to be at par with the Attenders of other Departments vis 24 to 35 and the benefit of weightage be given as in the case of all Local Body servants.

2. The revised scale~~s~~ proposed for the post of Laborator Attenders call for the following remarks.

Laboratory Attenders: Existing scale Rs.17 - 20, ~~and~~ Proposed scale Rs.25-1-35. For attenders in Government Colleges etc. who do laboratory work, the revised scales sanc tioned are:

	Existing scale.	Revised scale.
Attenders I Gr.	Rs.19-30	Rs.24-35
Attenders II Gr.	Rs.17-½-22	Rs.22-½-30

The Laboratory attenders in this case are similar to Attender II Gr. referred to above and the general policy followed is to adopt scales not exceeding those of corresponding ranks in Govt. service. In the circumstances, it seems sufficient to adopt the revised scale of Rs.22-30 as recommended by the Director of Public Instruction.
