I have already considered the minimum general educational qualification for ex-servicemen for training in typewriting and shorthand.

2. Reading up to IVth or Vth form for typewriting and up to VIth form for shorthand may be considered sufficient qualifications in the case of ex-servicemen for admission to the Government Technic Examinations.

3. The ex-servicemen candidates may be allowed to sit for the examinations free of any fee.

4. The pay of the ex-servicemen typists and stenotypists may be fixed according to their technical qualification irrespective of their educational qualifications in the same scale of pay as that for qualified civilian typists and stenotypists with similar -- technical qualification. This is necessary to attract sufficie number of ex-servicemen.

In continuation of this office letter No.D.3/572/46-2 dated 30th January, 1947, I write to inform you that the Modern Institute of Commerce G.T.Madras has expressed their willingness to undertake the training of ex-servicemen in typewriting on a fee of Rs. 15/- per trainee per month. Training for 6 months at four hours per day has been suggested by the Institute to enable trainees to acquire ~~ax~~ speed of 25 to 30 words per minute.

If the Provincial Government are agreeable to permit these men with qualifications referred to in this office letter No.D.3/572/46-3 dated 17-2-1947 for the Government Technical Examination in typewriting and shorthand, Government of India will be addressed to arrange for this training under the Scheme of Vocational Training and training can

According to the instructions issued in G.O.No.Ms.1539 Public dated 8-7-46 when occasions arise for making emergency appointments, appointing authroities should request the Collector of their district to nominate War Service Candidates, and only when the latter are unable to nominate such candidates should non War Service Candidates be appointed. In parctical working, it is observed that the Collector of Madras is not able to suggest the names of suitable war service men for appointment as Typists and steno-typists duly qualified for the appointment. The Collector, recently recommended the names of a few candidates, with a knowledge of typewriting. These persons are unable to cope with the typing work in the Secretariat and some of them resigned after working for a couple of days.

Such of the candidates as are qualified for the posts are not willing to accept typists' or steno-typists' post, when offered. It is therefore suggested that the provisions of the G.O. need not be strictly enforced in respect of filling up of appointments to the category of typists and stenotypists.

Public (Services) may see, for remarks.

In his reply at 13 c.f. the D.R.E. states that he is making arrangements to train 20 ex-servicement as typists under the Vocational Training Scheme. As regards training in Stenography the Director states that as the proposal involves the admission of IV and V Form candidates to the course it is not possible to give them training in the subject since they do not possess the required general educational qualification for the course. He however states that such of the persons as are likely to be benefitted by training in Stenography will also be trained as Steno-typists. It is not clear from this whether the Collector's suggestion regarding relaxation of the general educational qualifications prescribed for admission to the Govt. Technical Examinations in question in respect of ex-service candidates and the waiver of fees in their cases have been considered by the Director.

In the file relating to Vocational Training Scheme the D.R.E. has stated that he was providing for the training of 30 typists and 20 stenographers under clerical and Commercial occupations Group of the Scheme. But the details of the arrangements were not given. The Director may be asked as to whether the points referred to at 'A' on p.3 ante have been considered by him. 2. Proposal (1) on page 6 above. The D.P.I. whose remarks were called for on the proposal recommends that the case of ex-servicemen who have read up to IVth or Vth Form of a recognised high school may be considered similar to those of the employees of the mercantile offices and admitted for the Lower Grade Government Technical Examinations in Shorthand or typewriting provided they submit satisfactory evidence to prove that they are ex-servicemen. E & P.H. propose to ask the Commissioner to take action accordingly under the powers vested in him under G.O.No.443 Law (Edn.) dated 7-3-35. No remarks are called for in this department.

3. Proposal (ii) on page 6 above. Orders have been issued in G.O.No.755 Edn. dated 16-4-47 exempting the ex-service personnel from the payment of the examination fees for the Government Technical Examinations to be held in April - May 1947. E & P.H. propose to ask the D.P.I. whether the above concession should be extended for the examinations to be held in 1948. No remarks are called for in this Department at this stage.

A on p5 above

4. Proposal (iii) on page 6 above. Owing to lack of ~~un~~qualified typists during the war, the Government offered an enhanced rate of pay viz. the minimum in the scale of pay admissible to qualified typists to unqualified typists for the duration of the war. The concession was extended from time to time, as the dearth of qualified typists continued. The last sanction expired on 31-3-47. While examining the proposal for the extension of the concession for a further period of one year from 1-4-47 the question whether the concession should be extended only in the case of ex-servicemen was considered. Public (Ser) then advised that it would be undesirable to differentiate war service candidates from non-war service candidates in the matter of the above concession. Orders have therefore been taken in circulation to extend the concession upto 31-3-48 to all unqualified typists who were in service on 31-3-47. Orders are issued in G.O.No.416 Finance dated 6-6-47. ~~A special pay of Rs.15~~

The present proposal is to allow all the ex-servicemen typists and stenotypists who possess the required technical qualifications but who did not possess the minimum general educational qualifications the same scales of pay as are allowed to fully qualified civil typists and stenotypists. ~~So far as unqualified typists are concerned the position is that no distinction as between ex-servicement and civilian was considered necessary and that such unqualified typists of both classes who were in service on31-3=47 may be allowed to draw the minimum of scale of pay allowed to fully qualified typists for a period of one year from 1-4-47. The present proposal would mean a further step i.e. to allow ex-servicemen unqualified typists a time scale of pay as for fully qualified typists. This further concession is perhaps unnecessary in view of the decision already taken in the matter.~~ Then remains the question of ex-service stenotypists who do not possess the requisite minimum general educational qualifications. In their case ~~the D.P.I. has been empowered~~ it is proposed to allow such of the ex-servicemen who have read upto 4th or 5th form in a recognised high school sit for the lower grade ~~in~~ Govt. technical examination in shorthand. The rules now obtaining in the case of employment of stenotypists in Public Services may be relaxed in the case of ex-servicemen who possess the qualifications referred to above so as to permit them to be employed as stenotypists. This will enable them to draw a special pay for shorthand for their pass in the lower grade namely Rs.15. ~~It seems nothing more need be done in the case of stenotypists drawn from the ex-servicemen.~~ With the above remarks the case may be returned to E and P.H, through Public (Service) and Public (Rs.)

Finance Dept. need not object to this. It is a reasonable concession to those who cut short their education to undergo military service. The required technical qualifications must be insisted on.

Please see the Finance Department's note on pp 6-8 supra. This section is concerned with proposal No.(iii) on p 6 supra. Ex-service men seeking appointment to reserved vacancies are now entitled to certain concessions in the matter of technical and educational qualifications - see rule 5(~~a~~) of the M.C.S.(W.S.P.) Recruitment Rules, 1941. Those selected for appointment as typists ~~and~~ or steno-typists against reserved vacancies may perhaps be allowed to draw the scales of pay allowed to fully qualified persons irrespective of their academic qualifications.

p 162. BK 112

A

2. Ex-service men seeking appointment to vacancies (non-reserved) arising on or after 1-4-47 have to compete for the vacancies along with civilians availing themselves of the age concessions allowed by rule 4(c) of the M.C.S. (W.S.P.) Recruitment Rules, 1941. It has been decided that they need not be given any other special concessions or privileges. It is perhaps undesirable to give ex-service men who do not possess ~~all~~ the prescribed qualifications but are selected for appointment as typists or steno-typists in non-reserved vacancies, any ~~invidious treatment~~ special concession in the matter of pay. They can appear for the general educational test conducted by the Commission or the Govt. Technical Examination as the case may be and get themselves qualified for the scale of pay allowed to fully qualified persons. For this purpose they may perhaps be exempted from the payment of examination fees.

Summarising Note

The Director of Resettlement and Employment has Φ suggested the grant of the following concessions to ~~the~~ ex-servicemen:-

Φ copy of his letter on p1CF.

(i) Reading upto IV ~~&~~ or V Form for typewriting and upto VI form for shorthand may be considered sufficient qualification in the case of ex-servicemen for admission to the Government Technical Examinations,

(ii) Ex-servicemen may be allowed to sit for these

P.T.O.

examinations free of any fee, and

(iii) The pay of ex-servicemen typists and steno-typists may be fixed according to their technical qualifications irrespective of their educational qualifications in the same scale of pay as that for qualified civilians typists and steno-typists with similar technical qualifications.

2. (i) above: The Director of Public Instruction, whose remarks were θ called for on this proposal, has α suggested that the case of ex-servicemen who have studied upto IV or V form of a recognised high school may be considered similar to ~~those~~ that of the employees of mercantile offices and admitted to the lower grade Government Technical Examinations in typewriting and shorthand . The E. & P.H. department β propose to ask the Commissioner for Government Examinations (Director of Public Instruction) to take action accordingly under powers vested in him under G.O. No. γ 443, Law (Education) Department, dated 7-3-1935.

3. (ii) above: ~~The~~ In δ G.O.No. 755 Education, dated 16-4-1947 Ex-servicemen who appeared for the Government Technical Examinations held in April-May 1947 were exempted from payment of examination fees prescribed for ~~entrance to~~ those examinations. E. & P.H. ε propose to ~~consider~~ examine in consultation with the D.P.I. the question of extending the concession for the examinations to be held in 1948.

δ (J)/p 11.

4. (iii) above: Ex-servicemen seeking appointment to vacancies specifically reserved for them are now entitled to certain concessions in the matter of age, educational qualifications, etc., under the Madras Civil Services (War Service Personnel) Recruitment Rules, 1941, whereas those seeking appointment in non-reserved vacancies do not get any special concessions or privileges. The latter have to compete with civilians for the available vacancies and take their chance. (The question of extending

to them the age concession allowed by Δ Rule 4(c) of the M.C.S. (W.S.P) Recruitment Rules, 1941 is now under consideration separately). In consonance with the above position ex-servicemen selected for appointment as typists or steno-typists against ~~the~~ reserved vacancies may be allowed to draw the scales of pay allowed to fully qualified (~~incidentally~~,) persons irrespective of their qualifications. It does not seem necessary to give ex-servicemen who do not possess the prescribed qualifications but are selected for appointment as typists or steno-typists ~~in~~ against non-reserved vacancies any special concession in the matter of pay. They can appear for the general educational test conducted by the Commission or the Government Technical Examination as the case may be and get themselves qualified for the scale of pay allowed to fully qualified persons. For this purpose they may ~~perhaps~~ be exempted from the payment of examination fees. Finance have agreed to this

I am nor not for the reduction of qualifications. A man with IV Form qualification will not be a good typist and will not have enough knowledge in the language to be a good typist.
