To

The Director of Public Instruction, Madras

Through

The Chairman, Municipal Council, Palghat.

Sir,

BUDGET ESTIMATE 1947-48--ELEMENTARY EDUCATION FUND--
PALGHAT MUNICIPALITY.

I enclose herewith the Revised estimate for 1946-47 and the Budget estimate for 1947-48 together with all the connected enclosures in duplicate. A copy of the resolution No.810 dated 15.1.47 of the Council approving the Revised estimate for 1946-47 and Budget estimate for 47-48 is also enclosed.

Revised Estimate for 1946-47:- In G.O.No.Ms.441 dated 1.3.46 Government while approving the budget for 46-47 have permitted the council to utilise a sum of Rs. 5,712 out of the Arrear Toll compensation grant due for 1946-47 to make up the deficit. Now in the Revised estimate on account of payment of Arrear Dearness allowance (from July 44 to 31st Decr.44) and on account of increase in expenditure under some of the heads the estimated expenditure has increased from 63,750 to 66,300 while on the receipt side there is no appreciable increase. So to make up the deficit and to provide some working balance a sum of Rs. 7,000/- is required instead of Rs.5,712/. The Council in its resolution No.810 dated 15.1.47 has requested the Government to permit it to utilise a sum of Rs.7,000 out of the Arrear Toll compensation grant sanctioned in their Order No.892 L.A. dated 11.5.46 for the purpose of wiping off the deficit under Elementary Education fund account in the Revised estimate.

On the receipt side credit has been taken under Government grant for Rs.12,250/- being the contribution sanctioned by the Government in their order No.1499-M.S.End.dated 1.8.46, on the Education Tax realised for 1945-46 and for Rs. 8,622 being the usual subsidy for 1946-47 for the maintenance of Elementary schools.

Budget Estimate for 1947-48. Receipt side. Credit has been taken under Government grant for Rs.12,250/- as contribution under section 37 of the Elementary Education Act and for Rs.8,620/- being the usual annual subsidy for the maintenance of elementary schools. The usual contribution from the General Account has been raised from 22,540/- to 31,440/- to meet the estimated expenditure.

Expenditure side. Under salaries and allowance of staff a sum of Rs. 52,500 has been provided. The increase in the estimated expenditure is for provision made for a supervisor for Elementary schools and for the appointment of two additional secondary grade teachers. The slight increase made under clerks and servants is due to the provision made for the payment of leave allowance.

Contingencies and equipments. Details for the amounts provided for are furnished separately.

Repairs to buildings. A sum of Rs.1,000/- has been provided for annual repairs to elementary schools owned by the Municipality. This amount does not include repairs to rent free buildings.

Capital expenditure. A sum of Rs.2,500/- has been provided for extension to Puthur elementary school.

Adequate provision could not be made as recommended by Educational authorities for additional accommodation and equipments for want of funds. Only a sum of Rs.2,500/- could be provided for additional accommodation to one of the schools as stated above. Rs.1,500/- has been provided for the purchase of furniture urgently required for all the schools. Provision has been made for the additional staff recommended by the Educational authorities. Dearness allowance has been provided to the staff at the rates sanctioned by the Government both in the revised estimate for 1946-47 and Budget estimate for 1947-48. A separate statement showing the amount of dearness allowance and arrear dearness allowance for the period from 1.7.44 to 31.12.44 enclosed. The marked variations between the actuals of 1945-46, revised estimate for 1946-47 and budget estimate for 1947-48 are explained separately.
